HUMOROUS.

Who is the shortest man mentioned in the bible? Knee-high-mish.

There is one krittter in this world whose troubles yu can't console, and that is a settin' hen.

A tourist who was asked in what part of Switzerland he felt the heat most, he replied—"When I was going to Berne."

"Is that marble?" inquired a gentleman, pointing to a bust of Kentucky's great statesman. "No, sir; that's Clay," quietly replied the dealer.

A German, lately married, says: "Id vas yonst so easy as a needle cood walk out mit camel's eye as to get der behiudt vord mit a voo-man."

"Tommy, you're a pig," said a father to his little boy; "now do you know what a pig is, Tommy?" "Yes, pa; a pig's a hog's little boy."

An orator, getting warmed with his subject, exclaimed: "There is not a man, woman, or child in the house, who has arrived at the age of fifty years, but what has felt this truth thundering through their minds for centuries."

A young man who ran away from a pleasant home, five years ago, was recently heard of, in New York. His father went there to bring him, but the youth would not return. He had been elected a common councilman, and seemed to glory in his shame.

A colored gentleman went to consult one of the conscientious lawyers, and after stating his case, said, "Now, Mr.—I know you'r a lawyer, but I wish you would please, sir, jiss tell me de truth 'bout dat matter."

"Madam," said a very polite traveler to a testy old landlady, "if I see proper to help myself to this milk, is there any impropriety in it?" "I don't know what you mean; but if you mean to insinuate that there is anything nasty in the milk, I'll give you to understand that you have struck the wrong house. There ain't a first hair in it, for as soon as Dorothy Ann told me that the cat was drowned in the milk, I went straight and strained it over." It is needless to say that the young man fainted.

In Arkansas, E'der Knapp, while baptizing converts at a revival meeting, advancing with a wiry, sharp-eyed chap into the water. He asked the usual question, whether there was any reason why the ordinance of baptism should not be administered. After a pause, a tall, powerful-looking chap, with an eye like a blaze, who was leaning on a long rifle, and quietly looking on, remarked: "Elder, I don't want to interfere in this yere business any, but I want to say that that is an old sinner you have got hold of, and I know that one dip won't do him any good. If you want to get the sin out of him, you'll have to anchor him out in the deep water over night."

On a woman with red hair, who wrote poetry: Unfortunate woman; how sad is your lot! Your ringlets are red, but your poems are not. A Chicago girl with her clothes all a blaze was skinned out of her outside apparel so quickly by her lover that she was not singed. No much for keeping a spry young man about the house.

At Chicago recently a lady at church was seen to bow her head as if in pious thought. She suddenly raised and leaned back against the seat, when an explosion occurred that shook the building. She had pressed too heavily on an air-cushion bustle. This is no romance, but the stern fact.

"What's that?" said a teacher, pointing out the letter X to a little ragged urchin. "Daddy's name." "No, no, my boy." "Yes, it is; I've seen him write it a good many times."

Love letter ink is the latest style of writing fluid, so called because in four weeks it disappears, and the letters cannot be used in breach of promise cases before the courts. To many persons this invention will be invaluable.

The clergy and other good citizens of Omaha are preaching and praying against Potter, the lottery manager at that point, as being the most consummate swindler his line of tricks affords.

PATENT MEDICINE.

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whisky, Proof Spirit and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Revivator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and a bad habit of organs wasted beyond the point of repair. Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia, and these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible. For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Itches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Pin, Tape and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: "There is scarcely an individual on the face of the globe whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no verminicides, no anthelmintics, will free the system from worms like these Bitters."

Mechanical Diseases.—Persons engaged in Pulley and Mineral, such as Miners, Typographers, Gold-beaters and Miners in their advanced life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Texas, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Ulcers, Scrofulous Inflammations, Incontinent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by restoring the healthy functions of the system they prevent the return of the disease (the tubercular deposit) the affected parts receive health, and a permanent cure is effected.

The Aperient and mild Laxative properties of DR. WALKER'S VINEGAR BITTERS are the best safeguard in cases of eruptions and malignant fevers. Their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach and bowels, either from inflammation, wind, colic, cramps, etc. Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
