Since the 1st of January \$750,946 95 have been collected for Customs duties at the San Francisco port.

San Francisco has enough carbolized hose to last for five or six years. Captain Gorman has been appointed Postmaster at Walla Walla.

Mutton sheep are selling from \$4 50 to \$5 00 at the Dalles. The Dalles Mountaineer says that during the past five or six weeks no less than five children have died there.

The establishment of an iron foundry at East Portland, is talked of by some enterprising men.

The Jacksonville Times says, it is rumored that Capt. Jack, Scar-faced Charley, Sam. Colver, Elijah Steele or Shack Nasty Jim will be appointed on the Peace Commission to reconcile the whites to being scalped ad libitum.

J. L. Parrish, of Salem, in a note in the Statesman, says that for the last ten years he has been damaged from \$50 to \$500 annually, by worthless dogs killing his sheep, two valuable Cotswold lambs having been killed last week.

County officers now occupy the new Court House at Hillsboro. Noses were broken and eyes darkened in a rough and tumble fight at Eola the other day.

Over three hundred Indian warriors have been killed in Arizona since Gen. Crook commenced the campaign. The Indians are thoroughly frightened and beginning to beg for peace.

We hear that it is now proposed to start four papers in Washington county; one at Forest Grove to do the city printing; one at Cornelius and one at Hillsboro; while the Democracy propose to have the fourth one somewhere in the "forks of the creek," to advocate the "time-honored principles."

The East Portland Band have added a piccolo and two clarinets to their instruments. The band now numbers fifteen performers.

The Eugene Journal says three persons were baptized in the mill-race last Sunday (Feb. 9th), by Rev. Richardson.

Grouse have made their appearance in the hills near Eugene City, says the Journal.

The State Convention of Woman Suffragists met at Portland last Friday, and were to continue their meeting through Saturday.

A Virginia City (Nevada) paper says that a member of the police force of that city has gone to Portland, Oregon, to institute suit for the recovery of about one-half of the town, which he claims under some old title acquired a quarter of a century ago.

The contractor has broken ground for the erection of the new M. E. Church South, at Salem.

The Statesman says: "Wonders will never cease. Now thieves have broken through and stolen from our sanctum. It may seem incredible that there should be anything to steal in such a place; but it so happened Tuesday night. It may never happen again; we fear it won't. If the rousing hoodlum will bring back the articles he took away, we will thank him and say nothing, or will lick him like thunder—we have not yet fully decided which. Two days grace given."

There are 9,000 sheep on San Juan Island.

A boy about twelve years of age was found helplessly drunk on the streets of Portland the other day.

A miller at Stellacoom does up his flour in paper sacks. The work of rebuilding the Oregon City Woolen Mills began this week.

Young men in Eugene City are seeking to get "mated" by playing chess.

Professional gamblers have recently made a run on Corvallis. The Gazette says a few nights ago a farmer was literally robbed, by some gambling device, of his farm team, valued at \$300.

The alumni of Corvallis College have elected the following officers: President, H. M. Finley; Vice-President, J. B. Eglin; Rec. Sec., W. R. Privett; Cor. Sec., Mrs. Alice E. Moreland.

The uniforms of the San Francisco police cost about \$70 each.

The Gilroy (Cal.) Advocate has for its motto, "To fear God, tell the truth, and make money." An exchange says, "Ten to one it don't do either."

The Statesman of last Friday says, Dr. O. P. S. Plummer is engaged this week in delivering a course of lectures before the Medical class in the Willamette University, treating of Hygiene.

The name of Arizona City is to be changed to Yuma. The Mayor of Denver is going to cancel the licenses of saloons that allow gambling.

The Indian Agents in charge of Camp Grant and the Cache Indians report that the operations of General Crook are having a good influence on the Apaches in their charge.

The wounded at Fort Klamath hospital are being carefully attended by Dr. Skinner, the military surgeon from Vancouver, who is considered one of the most competent medical men in the service.

It is suggested by a Southern Oregon paper that if the Modoc Peace Commissioners cannot make peace with Captain Jack they can make a "piece" by seizing that \$900 which the Captain is said to have in a Yreka bank.

The census taken by the County Assessor last year shows the population of the Territory of Arizona to be 10,743. This is an increase from 1870 to 1872 of 1,085.

Grant county now makes all the flour she needs for home consumption. It sells at the mill at \$4 per 100 pounds.

A gang of thieves who have been troubling Seattle for some time, have been captured and part of the stolen property recovered.
