#### RECIPES.

**EGGS IN CASE OF TROUBLE.**  
The white of an egg is said to be a specific for fish-bones sticking in the throat. It is to be swallowed raw, and will carry down a bone easily and certainly. There is another fact touching eggs which will be well to remember. When, as sometimes by accident, corrosive sublimate is swallowed, the white of one or two eggs taken neutralizes the poison, and changes the effect to that of a dose of calomel.

#### SALT AND AGUE.

The following appears as a leading editorial in the Cleveland Herald: "We wish to give a very simple remedy for fever and ague, and wish to emphasize it by saying that in has, to our knowledge, proved very efficacious. It is simply common salt. A teaspoonful taken in water, and a teaspoonful deposited inside each stocking, next the foot, just as the chill is coming on. That's all there is of it; but knowing that it has been very efficacious in 'breaking' a chill and perfecting a cure, we put it in our editorial columns, where no humbug remedy shall ever find a place if we know it."

#### CURE FOR RHEUMATISM.

We find the following cure for this painful disease in one of our exchanges. The efficacy of the application would be greatly increased by dipping a partially folded towel in the very hot liquid and placing it over the seat of pain and putting two or three thicknesses of flannel over this. When they are removed the following morning, the affected part should be bathed in cold water: "Boil a small potful of potatoes, and bathe the parts affected with the water in which the potatoes were boiled, as hot as can be applied, immediately before going to bed. The pain will be removed or at least alleviated by the next morning. Some of the most obstinate rheumatic pains have been cured by one application of this novel and simple remedy."

#### EXTRAORDINARY CURE OF CANCER.

The Kansas City Times relates how a well-known citizen of that place was cured of a cancer of six years' growth in fifteen days, by one Dr. Kellogg. We copy as follows: The patient was placed in the Turkish bath for two hours each day, for seven days, with a temperature of 170, when it was found that the cancer was dropping out, root and fangs entire. It first became red on one side, and burst the skin. Mr. Chase applied, by Professor Kellogg's advice, a poultice, which aided in drawing the cancer from the cheek. During the last week his family, who reside in West Kansas City, have watched with great anxiety the cure being effected. On Sunday the anxiety was so great that notwithstanding the intense cold weather, Mrs. Chase called at the Baths to inform Professor Kellogg that the cancer was about to drop out. Yesterday morning the patient himself brought

the cancer in a small vial to Professor Kellogg, and it had fallen out clean, and with all the roots and fangs attached, leaving nothing except the ugly indentation in the face where the cancer had been. He will now continue to take the baths until the cheek is healed. The cancer as extracted, is about the size of a hazle nut. It is preserved at the baths for the inspection of the curious.

#### SALT FOR THE THROAT.

An exchange says: "In these days, when diseases of the throat prevail, and particularly a dry hacking cough, which is not only distressing to ourselves, but to those with whom we are brought in business, those thus afflicted may be benefitted by trying the following remedy: Last fall we were induced to try what virtue there was in common salt. We commenced by using it three times a day, morning, noon and night; we dissolved a large tablespoon of common salt in about a half tumbler of cold water, and with this we gargled the throat most effectually, just before meal time. The result has been that during the winter we were not only free from the usual coughs and colds, to which, as far as our memory extends, we have always been subject, but the dry hacking cough has entirely disappeared; we attribute it entirely to the salt gargle, and most cordially recommend it to those of our readers who are subject to disease of the throat."

A census of the San Juan group of islands will shortly be taken.

Territorial Legislators can no longer draw pocket knives, and so on.

### DR. VAN CLEVE'S Galvanic Abdominal Supporter -AND- UTERINE REGULATOR.

**THE MERITS OF THIS INSTRUMENT** consist principally in the support it gives to the abdomen and spine. The belt is broad, supported by suspenders passing over the shoulders, and kept in shape by self-generating Galvanic Plates, which give a pleasant current.

The Regulator is also Galvanic: Its Cup and Nozzles are made of Silver; its Stem, of Copper and Zinc, is hollow, that injections may be thrown through it, or into the neck of the Uterus. It can be so regulated by its thumb-screw as to meet any mal-position of the Uterus, and is unequalled in meeting any form of female disease.

Price, \$25. Patented August 15, 1871, by W. S. Van Cleve, Centralia, Illinois.

### PATENT MEDICINE.

**Vinegar Bitters** are not a vile Fancy Drink, made of Poor Rum, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

**No Person can take these Bitters** according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

**Dyspepsia or Indigestion,** Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

**For Female Complaints,** in young or old, married or single, at the dawn of womanhood, or the term of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

**For Inflammation** of the Liver, Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

**For Skin Diseases,** Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Psoriasis, Bolls, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurf, and other eruptions of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

**Cleanse the Vitiated Blood** whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and stagnant in the veins; if it accumulates, keep your feelings well told you when. Keep the blood pure, and the health of the system will follow.

**Pin, Tape and other Worms,** lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: "There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no verifuge, no anthelmintic, will free the system from worms like these Bitters."

**Mechanical Diseases.** Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week.

**Bilious, Remittent and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

**Scrofula, or King's Evil,** White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

**Dr. Walker's California Vinegar Bitters** act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

**The Aperient and mild Laxative** properties of DR. WALKER'S VINEGAR BITTERS are the best safeguard in cases of Eruptions and malignant fevers. Their balsamic, healing, and soothing properties protect the humors of the faces. Their Sedative properties alay pain in the nervous system, stomach and bowels, either from inflammation, wind, colic, cramps, &c.

**Directions.**—Take the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
