THE LECTURE OF MR. DUFUR.

The lecture of Mr. Dufur, last Wednesday evening, on the great Centennial Exposition, was largely attended, and exceedingly interesting.

The plan of the Association exists by law of Congress. Under it, Commissioners, one from each State and Territory, were appointed. The stock of this Association is divided into shares of \$10 each, \$2 down, and offered to the whole people.

The amount required for the Exposition is about \$10,000,000. This has been apportioned among the States and Territories, each being allowed one hundred days to take up its quota.

About 1,356 shares are offered to Oregon, which Mr. Dufur desires the people to take, within the time stipulated, so that the State may be entitled to its full rights and privileges in the Exposition.

The payment of \$2 by each subscriber of stock, entitles him to a certificate of stock. The balance of the \$10 will be collected by the Association at the rate of \$2 every three months, if needed.

The stock is being largely taken in other States, and judging from the success of the Paris and London Expositions, as a matter of business, they pay.

We have no doubt our people will take our quota promptly. We have not space now to present this subject further, but will take occasion to speak of it again.

At the conclusion of Mr. Dufur's lecture, on motion, Rev. Dr. Geary, Messrs. J. Barrows, M. V. Brown, C. P. Burkhardt and Martin Payne, were appointed a committee to bring the matter directly before the people, to secure subscriptions.

A vote of thanks was extended to Mr. Dufur for his able and interesting address.

FIGHT AND FOOT-RACE.—On Saturday last Walter Furl and Ab. Taylor "fell out about quarrelling," and while slapping one another vigorously to keep up a healthy circulation of blood, the Marshal put in an appearance.

As soon as Furl got sight of the handsome form of the Marshal, he threw up his part of the fight, and lit out up First street at a 2.17 1/2 gait. Our worthy Marshal, finding that he wasn't in running trim, and that Furl was about to escape, called to his Deputy, Wm. Brown, who happened to be in sight, to "go for" Furl.
