### Precise Witness.

I happened to be in court the  
other day just as Sam Dunlap  
was called to the witness box. Sam's  
testimony had to do with events  
which had transpired years before,  
and when the counsel for the other  
side took up the cross-question, his  
evident aim was to show that the  
witness, at the period in question,  
must have been too young to bear  
a reliable memory of the events  
therein occurring.

Jarvis was the lawyer—a stout,  
pompous, loud-voiced man, whose  
favorite pastime was the brow-beat-  
ing and hectoring of witnesses.  
With a fierce look, and with an ad-  
monishing motion of his right fore-  
finger, he opened his battery—

"Now, Mr. Dunlap, you swear  
positively to those events which oc-  
curred two-and-twenty years ago?"

"I do, sir," replied Dunlap, with  
a meekness untouched and untroubled  
by the bluster.

"Remember, sir," thundered Jar-  
vis, with awful emphasis, "you  
are on your oath. You know the  
penalty of perjury. You had bet-  
ter not offer here testimony which  
is not of your own personal knowl-  
edge. Now, answer me, sir: how  
old are you?"

"Somewhere about thirty-three,"  
replied Sam, after a moment's re-  
flection.

"What do you mean by that, sir?"

"Don't you know your exact age?"

The witness shook his head in  
mild, meek silence.

"What, sir," cried Jarvis, with  
a withering look upon the witness  
and a triumphant glance toward  
the jury, "don't you know your own  
age? Don't you know the date of  
your birth?"

With a nod and a smile, and  
with a mildness which was like the  
gentle falling of the sunshine, Dun-  
lap answered:

"Not to my own personal knowl-  
edge, sir. The only light in my  
possession upon that matter I have  
gained from others. I was un-  
doubtedly present at the date of  
which you speak; but my extreme  
youth at that particular period of  
time found me so devoid of mental  
power that I dare not, in your pre-  
sence, swear that, of my own  
personal knowledge, I know any-  
thing about it. I am free to confess,  
sir, that I have no remembrance  
thereof whatever."

The genial corrugation of the  
fore of the court was a sign that a  
general smile would be tolerated, and  
several of the jury smiled audibly.  
Sam's testimony was not shaken.

### Sights to See.

Punch recounts the sights he  
would like to see, as follows:

The sight of a large coal-wagon  
unloading at our door, at the cost  
of a kind friend who wished to  
show us his affection.

The sight of a statue put up by  
public subscription, and proving  
not to be an eyesore to the public.

The sight of a wholesome, honest  
Union of Workmen for putting  
down the hiring agitators who  
live by causing strikes.

The sight of a whole column of  
theatrical advertisements without  
one single puff in it.

The sight of a four wheeled cab  
which neither jolts, nor rattles, nor  
smells horribly of smoke.

The sight of our brand-new silk  
umbrella, which was taken by mis-  
take (of course) for a very old  
alpaca one we found left in ex-  
change for it.

The sight of a pew door in a con-  
venient position, opened for us  
gratis when we desire to listen to a  
fashionable preacher.

The sight of the menu of an Eng-  
lish public dinner, where French in-  
teligence is shown in both the se-  
quence and selection of the dishes.

The sight of pictures hung "upon  
the line" at the Academy, for reason  
of their merit, although painted by  
outsiders.

The sight of some of the half  
sovereigns, not to mention the five-  
pound notes, which on various sham  
pretences, we have been constrained  
to lend to out-at-elbow acquaint-  
ances.

The sight of a few rays of con-  
tinuous bright sunshine, enough to  
reinstill our faith in the actual ex-  
istence of a working solar system.

The "finest site in Europe," or-  
namented with a building to sup-  
plant the dome and pepper-boxes,  
and which should be truly worthy  
of the situation.

The sight of a photograph of our-  
self, which in our own private  
opinion, really does us any justice.

The sight of an improved spec-  
imen of omnibus, which you can  
actually sit in without fear of being  
suffocated, and which will positively  
carry you as fast as your own legs.

The sight of an advertisement seek-  
ing for us as the next of kin of a  
rich somebody or other whom we  
have never heard of, who has left us  
all his property.

The sight of a new form of Con-  
stitutional French Government,  
founded on eternal principles, and  
capable of enduring for upwards of  
a twelvemonth.

The sight of our own butcher's  
bill, with steaks and legs of mutton  
charged at the same price as when  
we began housekeeping.

The sight of a new patent ma-  
chine for washing shirts without  
knocking the buttons off.

And, finally, a "sight of money"  
paid by some good fairy of the  
future to free us all from income  
tax.

Said an eminent person, whose  
gift of money-making seemed to his  
neighbors to quite outstrip his gifts  
of money, "True, I don't give much,  
but if you only knew how it hurt  
when I give any you would not  
wonder."

An exquisitely dressed young  
gentleman, after buying another seal  
to dangle about his person, said to  
the jeweler that he would—ah! like  
to have—ah! something engraved  
on it—ah! to denote what he was—  
"Certainly, certainly," said the  
tradesman, "I'll put a cipher on it."

## PATENT MEDICINE.

Vinegar Bitters are not a vile Fancy  
Drink, made of Poor Rum, Whisky, Proof  
Spirits and Refuse Liquors, doctored, spiced,  
and sweetened to please the taste, called  
"Tonic," "Appetizers," "Restorers," &c.,  
that lead the tippler on to drunkenness and  
ruin, but are a true Medicine, made from  
the native roots and herbs of California,  
free from all Alcoholic Stimulants. They are  
the Great Blood Purifier and a Life-giving  
Principle, a Perfect Renovator and Invigor-  
ator of the System, carrying off all poisonous  
matter, and restoring the blood to a healthy  
condition, enriching it, refreshing and in-  
creasing both mind and body. They are  
easy of administration, prompt in their ac-  
tion, certain in their results, safe and reli-  
able in all forms of disease.

No Person can take these Bit-  
ters according to directions, and remain  
long unwell, provided their bones are not  
destroyed by mineral poison or other means,  
and the vital organs wasted beyond the  
point of repair.

Dyspepsia or Indigestion, Head-  
ache, Pain in the Shoulders, Coughs, Tight-  
ness of the Chest, Dizziness, Sour Eructa-  
tions of the Stomach, Bad Taste in the  
Mouth, Bilious Attacks, Palpitation of the  
Heart, Inflammation of the Lungs, Pain in  
the region of the Kidneys, and a hundred  
other painful symptoms, are the offspring  
of Dyspepsia. In these complaints it has  
no equal, and one bottle will prove a better  
guarantee of its merits than a lengthy ad-  
vertisement.

For Female Complaints, in young  
or old, married or single, at the dawn of  
womanhood, or the turn of life, these Tonic  
Bitters display so decided an influence that  
a marked improvement is soon perceptible.

For Inflammatory and Chronic  
Rheumatism and Gout, Dyspepsia or  
Indigestion, Bilious, Remittent and Inter-  
mittent Fevers, Diseases of the Blood, Liver,  
Kidneys and Bladder, these Bitters have  
been most successful. Such diseases are  
caused by Vilitated Blood, which is generally  
produced by derangement of the Digestive  
Organs.

For Skin Diseases, Eruptions, Tet-  
ter, Salt Rheum, Blotches, Spots, Pimples,  
Pustules, Boils, Carbuncles, Ring-worms,  
Scald-Head, Sore Eyes, Erysipelas, Itch,  
Scurf, Discolorations of the Skin, Humors  
and Diseases of the Skin, of whatever name  
or nature, are literally dug up and carried  
out of the system in a short time by the use  
of these Bitters. One bottle in such cases  
will convince the most incredulous of their  
curative effects.

Cleanse the Vilitated Blood when-  
ever you find its impurities bursting through  
the skin in Pimples, Eruptions, or Sores;  
cleanse it when you find it obstructed and  
sluggish in the veins; cleanse it when it is  
foul; your feelings will tell you when.  
Keep the blood pure, and the health of the  
system will follow.

Pin Tape and other Worms,  
lurking in the system of so many thousands,  
are effectually destroyed and removed.  
Says a distinguished physiologist: "There is  
scarcely an individual on the face of the  
earth whose body is exempt from the pre-  
sence of worms. It is not upon the healthy  
elements of the body that worms exist, but  
upon the diseased humors and slimy deposits  
that breed these living monsters of disease.  
No system of medicine, no vermifuges, no  
anthelmintics, will free the system from  
worms like these Bitters.

Mechanical Diseases.—Persons en-  
gaged in Paints and Minerals, such as  
Plumbers, Typesetters, Gold-beaters and  
Miners, as they advance in life, are subject  
to paralysis of the Bowels. To guard against  
this, take a dose of WALKER'S VINEGAR BIT-  
TERS twice a week.

Bilious, Remittent and Inter-  
mittent Fevers, which are so prevalent  
in the valleys of our great rivers through-  
out the United States, especially those of the  
Mississippi, Ohio, Missouri, Illinois, Tennes-  
see, Cumberland, Arkansas, Red, Colorado,  
Brazos, Rio Grande, Pearl, Alabama, Mobile,  
Savannah, Roanoke, James, and many  
others, with their vast tributaries, through-  
out our entire country during the Summer  
and Autumn, and remarkably so during sea-  
sons of unusual heat and dryness, are in-  
variably accompanied by extensive de-  
rangements of the stomach and liver, and  
other abdominal viscera. In their treat-  
ment, a purgative, exerting a powerful in-  
fluence upon these various organs, is essen-  
tially necessary. There is no cathartic for  
the purpose equal to Dr. J. WALKER'S VINE-  
GAR BITTERS, as they will speedily remove  
the dark-colored viscid matter with which  
the bowels are loaded, at the same time  
stimulating the secretions of the liver, and  
generally restoring the healthy functions of  
the digestive organs.

Scrofula, or King's Evil, White  
Swellings, Ulcers, Erysipelas, Swelled neck,  
Gout, Scrofulous Inflammations, Indolent  
Inflammations, Mercurial Affections, Old  
Sores, Eruptions of the Skin, Sore Eyes,  
etc., etc. In these, as in all other constitu-  
tional diseases, WALKER'S VINEGAR BIT-  
TERS have shown their great curative pow-  
ers in the most obstinate and intractable  
cases.

Dr. Walker's California Vine-  
gar Bitters act on all these cases in a  
similar manner. By purifying the Blood  
they remove the cause, and by resolving  
away the effects of the inflammation (the  
tubercular deposits) the affected parts re-  
ceive health, and a permanent cure is  
effected.

The Aperient and mild Laxative  
properties of Dr. WALKER'S VINEGAR BIT-  
TERS are the best safe-guard in cases of erup-  
tions and malignant fevers. Their balsamic,  
healing, and soothing properties protect the  
humors of the fauces. Their Sedative prop-  
erties allay pain in the nervous system,  
stomach and bowels, either from inflamma-  
tion, wind, colic, cramps, etc.

Directions.—Take of the Bitters on-  
going to bed at night from a half to one and  
one-half wine-glassful. Eat good nourishing  
food, such as beef-steak, mutton chop, veni-  
son, roast beef, and vegetables, and take  
out-door exercise. They are composed of  
purely vegetable ingredients, and contain  
no spirit.
