A SPECTACLE RARELY WITNESSED.—Captain Estes, a gentleman well-known for many years in command of the Lake Ontario steamers, informs us that he was the witness a few nights since of a wonderful phenomenon on Lake Ontario, the like of which he never saw before and does not expect to see again. While on his way from the St. Lawrence up the lake on the steaming of which he is master, and when near the islands known as the False Ducks, and while standing at the wheel, there suddenly burst into view the city of Oswego—thirty-one miles distant—with the gaslights in the streets and all the appearances that a town lighted up would present from a hill in the immediate vicinity at night. The light house at Oswego, as well as a dozen others on the Lake shore below as far as Sackett's Harbor, were distinctly seen. It was a sort of night mirage. This display was witnessed for several minutes and then slowly faded away into darkness. Such wonderful spectacles are rarely seen either on land or water.—Rochester (N. Y.) Union.

A Danbury man is the unenvied owner of a dog that is a terror to the neighbors, purely by its snapping and snarling propensities. He snaps at everybody, and knows a little of the flavor of everybody up that way. It is said that he has cloth enough in him to make a pair of breeches for every man on Long Island Sound. The other day a youth loaded up the end of a stick with a mixture compounded with horse-radish and cayenne pepper, and commenced shaking it through the fence at the cur and the cur flew up and caught the bait savagely; and the boy drew away the stick so sharply that it left all the contents in the animal's mouth, and the animal chewed away on it in awful exultation for an instant. Then it commenced to stare, and then spit, and howl, and weep, and paw, and roll over and finally run under the barn, where it remained in religious seclusion for two whole days. Now, when anybody pokes a stick through the fence that dog don't step up. It merely looks over, as if to say: "No seasoning in mine, if you please."

Many cities and towns in the Eastern and Middle States observed the Fourth of July with more than usual spirit. In Philadelphia, the great event was the transfer of the Centennial grounds to the Centennial Commission. A proclamation by the President was read at the grounds, which cited the act of Congress providing for a national celebration, and closed as follows: "Now, therefore be it known that I, Ulysses S. Grant, President of the United States, in conformity with the provisions of the act of Congress aforesaid, do hereby declare and proclaim that there will be held at the City of Philadelphia, State of Pennsylvania, an International Exhibition of arts, manufactures, and products of soil and mines, to be opened on the 10th day of April, 1876, and to be closed on the 10th day of October of the same year; and in the interest of peace, civilization and domestic and international friendship, and in behalf of the people I cordially commend the same to all nations who may be pleased to take part therein. In testimony whereof I have hereunto set my hand and caused the seal of the United States to be affixed. Done at the City of Washington this third day of July, in the year of our Lord 1873, and of the Independence of the United States the 97th.

U. S. GRANT.  
Hon. Morton B. McMillan in a speech then formally transferred the grounds to Gen. Hawley, President of the Centennial Commission, who accepted the trust in an elegant address.

PATENT MEDICINE.

**Vinegar Bitters** are not a vile Fancy Drink, made of Poor Rum, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain in their results, safe and reliable in all forms of disease.

**No Person can take these Bitters** according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

**Dyspepsia or Indigestion,** Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

**For Female Complaints,** in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

**For Inflammatory and Chronic Rheumatism** and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

**For Skin Diseases,** Eruptions, Tetter, Salt Rheum, Blisters, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

**Cleanse the Vitiated Blood** whenever you find impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

**Pin, Tape and other Worms,** lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: "There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters.

**Mechanical Diseases.**—Persons engaged in Paints and Minerals, such as Plumbers, Typesetters, Gold-beaters and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS twice a week.

**Bilious, Remittent and Intermittent Fevers,** which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

**Scrofula, or King's Evil,** White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

**Dr. Walker's California Vinegar Bitters** act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

**The Aperient and mild Laxative properties** of Dr. WALKER'S VINEGAR BITTERS are the best safe-guard in cases of eruptions and malignant fevers. Their balsamic, healing, and soothing properties protect the humors of the fauces. Their Sedative properties allay pain in the nervous system, stomach and bowels, either from inflammation, wind, colic, cramps, etc.

**Directions.**—Take of the Bitters on going to bed at night from a half to one and one-half wine-glasses. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.
