

Albany Register.

LOCAL MATTERS.

POST OFFICE REGISTER.

MAILS ARRIVE: From Railroad (north and south) daily at 12.30 P. M.

MAILS DEPART: For Railroad (north and south), daily, close prompt at 11.25 A. M.

Office hours from 7 A. M. to 8 P. M. Sunday, from 12 M. to 2 P. M.

The REGISTER is issued twice each week (Wednesday and Saturday mornings) at the low price of three dollars per year, in advance.

EARTHQUAKE.—It is asserted, and the fact is vouched for by several reliable citizens, that this portion of the moral vineyard was visited by a shock of earthquake about nine o'clock on Saturday night.

BIG STOCK.—Having just received two packs of blank cards (all colors,) from one of the first importing houses of Cow Bay, together with a pound and a half of new type, we call the attention of the business men of this city to the fact, and urge them to seize upon the opportunity to rush in, bald-headed or otherwise, to our job office, and order their bills, posters, cards, blanks, letter-heads, bill-heads, etc., executed at once.

AFTER SHULTZ.—All our readers remember Shultz—Portlanders will never forget the terrible scare he created there a year or two ago. Well, this Shultz has been heard from at San Diego, where, it is said, he was captured while asleep in a stable.

BETTER THAN EVER.—We have received copies of McCormick's Almanac for 1874. It is a neat little pamphlet of seventy-two pages, comprising a large amount of valuable information relative to this State, Washington and Idaho Territories.

THANKSGIVING DAY.—Occurs to-morrow. The big feature of the day will be the big dinner at the Opera House, by the ladies of the U. P. Church. If there is anybody in the city that doesn't propose to go there to dinner to-morrow, we haven't seen or heard from them. Everybody buys some.

PROTRACTED MEETINGS.—A series of protracted meetings are in progress at the M. E. Church. Services every evening at 7 o'clock. Rev. John Flinn, of Howell Prairie, preaches this evening. Our citizens generally are invited to attend.

REBEKAH SOCIABLE.—The Sociable at Odd Fellows Hall, on Saturday night, was one of the most enjoyable occasions of the year. The attendance was large, and the hours passed merrily. We are in favor of an early repetition.

RELIGIOUS.—A Union Thanksgiving service to-morrow, at the U. P. Church, by Rev. Isaiah Wilson, pastor of the M. E. Church. A general invitation to saints and sinners to attend is given.

ORDINANCE.—See new ordinance 22, giving the Canal Company the right of way through the city.

PERSONAL.—Jesse Irvine, of Scio, was in the city on Sunday.

Rev. Mr. Chatten, of Siletz, called on Saturday.

W. H. Trotter, traveling agent for the Mercury, is in the city.

FAIR WAGES.—When any of our citizens want a piece, they tear up the sidewalk on First street, and are invariably rewarded by finding from 50c to \$1 50 underneath the walk.

ASSAULT.—Jos. Purdom, on trial before Judge Tandy, on Saturday, charged with assault with deadly weapon, was acquitted—Baker and Whitney for defendant; S. A. Johns for State.

MARKETS.—Very quiet. Turkeys in demand. Eggs anxiously sought after. Fresh butter next to impossible to obtain. A splendid opening for a good dairy.

WILD GEESE.—Are plentiful, and we are surprised our hunters don't go for 'em. Fat geese isn't bad on the half shell.

BORN.—On the 22d, to the wife of Benj. Walling, a son.

On the 22d, to the wife of Jo. Hazle, Benton county, a girl.

Resolutions adopted by the Erodiphan Society on the death of Miss Eleanor McCormick.

WHEREAS, It hath pleased God, the Almighty disposer of human events, in his unsearchable wisdom to remove from earth ELEANOR MCCORMICK, a useful and esteemed member of this Society, therefore, be it

Resolved, That while we as a Society mourn her loss, and feel that a vacancy has been made which will not soon be filled, yet we mourn her not as one lost but only summoned to occupy a position more honorable, in the eternal society of the blessed.

Resolved, That her example shall not be lost upon us who are left behind; that her life as a meek and consistent follower of Jesus may cause us to strive more earnestly to attain that degree of perfection which should ever be our aim.

Resolved, That the death of one so young should warn us to be in constant preparation for that solemn event which awaits us all; and while our time is occupied in mental improvement, we must not neglect that which is of still greater importance, the study of the Right.

Resolved, That we do hereby tender to the afflicted family our heartfelt sympathy, and while we mourn with them their irreparable loss, we too rejoice with them that death found her peaceful, trusting in the blessed assurance and realization of a brighter and happier life.

Resolved, That a copy of these resolutions be presented to the family of the deceased, and also to each of the city papers for publication.

JANE J. CONNER, CORA J. IRVINE, CLARA E. PRICE, ALBANY, NOV. 21, '73. Com.

Ordinance No. 22.

Relating to the right of way of the Albany and Santiam Water Ditch.

Section 1. That whereas a petition has been filed by the Albany and Santiam Water Ditch and Canal Company with the City Recorder of this city, praying for the grant of the right of way for a Water Ditch through the City of Albany on certain streets, to-wit:

Beginning at the south end of Vine street, and running thence north on said Vine street to the Callipoota Creek; also the main trunk of said Ditch to turn at the intersection of said Vine street and Eighth street, and run thence east on Eighth street to the intersection of said Eighth and Lafayette street, and to turn at the said intersection of said Eighth street and said Lafayette street and run thence on said Lafayette street to the Willamette river.

And whereas said petition appears to be signed by each and all owners of real estate on each side of the said streets on which it is proposed to be located, and whereas the introduction of said water ditch into and through the city is believed to be of great importance and value to the property of the city; therefore the right of way for said water ditch through the city of Albany be, and the same is, hereby granted to the said Albany and Santiam Water Ditch and Canal Company as follows, and upon the conditions hereinafter specified forever:

Sec. 2. That the right of way for said water ditch granted, as in section one provided, shall be located as follows: Beginning at the south end of Vine street and running thence north on said Vine street in the center thereof to the Callipoota creek, and also the main trunk thereof to turn at the intersection of Vine and Eighth streets, keeping in the center, and run thence east on Eighth street in the center thereof to the intersection of Eighth and Lafayette streets, and turning in the center of the street and run thence north on said Lafayette street to the Willamette river.

Sec. 3. That the said water ditch at the place of beginning, at the north end of Vine street, at the intersection of Vine and Eighth streets, may not exceed forty (40) feet in width at the top or surface of the ground, and from the said intersection of Eighth and Vine streets to the Willamette river, it may be not exceeding thirty-six (36) feet in width at the top or surface of the ground, and that from the said intersection of Vine and Eighth streets to the Callipoota creek it may be not exceeding thirty-three feet in width at the top or surface of the ground, at any and all places for the extent or length thereof may be at

any depth the said Company shall desire: Provided, That for any and all distances that it may exceed seven and one-half (7 1/2) feet in depth it shall be substantially covered.

Sec. 4. That said Company shall be allowed and have the privilege and right to excavate and construct said water ditch on and along the said streets, and for that purpose to occupy and use for a sufficient and reasonable length of time to complete the same, so much of the said streets as shall be necessary, and at all times after the completion of said water ditch that said Company shall have the right to occupy and use for that purpose so much of said streets whereon said water ditch is made, as shall be necessary for repairing said water ditch, or keeping it in repair.

Sec. 5. That the said Company shall have the right to build flumes, bulkheads or embankments, through low places, sloughs or swales, on said street where the same shall be necessary, or the said Company may desire, along the line of said water ditch to confine the water therein within the channel in the center of said streets.

Sec. 6. That said Company shall have the right to turn into, and cause to flow through said water ditch, at all times and continually, such quantity or depth of water as the same will hold and convey, without overflowing or flooding streets or property outside of its channel.

Sec. 7. That it shall be the duty of said Company, after completing said water ditch, to remove the dirt or other material from along each side thereof, and to grade and leave the streets along each side thereof in as good condition for travel as before the water ditch was made.

Sec. 8. That at all the street crossings or intersections of the streets on which said water ditch is dug, with other streets within the city of Albany, said Company shall build and keep in repair, at all times, good and sufficient bridges; any and all such bridges to be built by said Company, at the cost and expense of the Company, and to be for public use. The time when and the manner in which said bridges shall be built, and also the size and dimensions of said bridges, shall be as the Common Council of the city of Albany shall from time to time, order and direct.

Sec. 9. That at all places where said water ditch shall cross any slough, swale or low place, along which water may flow, on the route of said water ditch through the city, the said Company shall provide a way for all water that may flow in any such slough, swale or low place, to either pass into or under said water ditch, so as not to cause an overflow of the water in any such slough, swale or low place, upon any street or property.

Sec. 10. That the people of the city of Albany shall have the right at all times to have free access to the water in said water ditch, to use thereof for any purpose, except propelling machinery; Provided, That within the city no person or persons within the city shall have any right or be allowed to take or conduct, lead or convey, any water out of said water ditch through or by means of any ditch, sewer, pipe, or conductor of any kind, without first obtaining the right from the said Company; Provided further, that water may be taken from the said Ditch or Canal for the purpose of extinguishing fires in said city of Albany, in any way or manner the Fire Department of said city may choose, during the prevalence of such fire.

Sec. 11. That it shall at all times be the duty of said Company to so keep the said water ditch in such substantial condition and repair that it shall not break its banks, overflow and injure any street or property within the city; and at the place where the said water ditch shall flow over the banks and fall into the Willamette River and the Callipoota creek, the said Company shall make and keep the same so secure, by bulkheads, flumes or otherwise, as that no damage shall be caused to property or the streets at said points on said banks.

Sec. 12. That it shall not be lawful for said Company, or any person or persons within the limits of the city of Albany, to cast or deposit into said water ditch, any dead animals or any filth or rubbish of any kind whatever.

Sec. 13. That any persons violating the provisions of section 12 of this Ordinance, shall be liable to prosecution before the Recorder of this city, and upon conviction thereof shall pay a fine of not less than five nor more than fifty dollars.

Sec. 14. This ordinance to take effect and be in force from and after five days from its publication.

Passed the Council November 22d, 1873. Approved November 22d, 1873. COLL. VAN CLEVE, Mayor. JOS. HANSON, City Recorder.

SEED WHEAT.—Howell, Harper & Co. have for sale a choice article of Wheat for seed, such as Fall or White Winter, Click and Chila Club, Sonora, &c., &c., all of which they will dispose of by exchanging for other wheat, or on other terms which will suit.

Living Advertisements.—A medicine that has done more than all the prescriptions of the pharmacopoeia to protect the human system against the bodily ills superinduced by unhealthy surroundings, is certainly worthy of universal confidence. It is mainly on account of its extraordinary preventive properties that Hostetter's Stomach Bitters is so exceedingly popular in localities subject to the visitation of miasmatic fevers and other diseases produced by impoisoned air. A family that has escaped sickness during a sickly season in consequence of using the Bitters as a safeguard, is a living advertisement of the virtues of the preparation. The whole neighborhood realize the fact. "I couldn't believe it," says one; "I scarcely credited the advertisements; but one must believe what one sees." "It is the very thing we need in this unwholesome section of country," remarks a third. And the result is that the instinct of self defence, the first law of nature, induces three-fourths of that community to obtain a supply of the great vegetable antidote before the next sickly season sets in. In the winter, when the system requires extra vigor and elasticity to enable it to baffle the effects of damp and cold the Bitters will be found particularly serviceable. Rheumatism will not be apt to fasten upon muscles and nerves that have been braced up by this excellent invigorant and nerve-giver; which have the severest effects of the season, which have such a disastrous effect on the pulmonary organs of the feeble and delicate, be likely to exercise the same untoward influence in cases where the stomach and the external surface of the body (which always sympathizes with the digestive organs) have been toned and stimulated by a course of the restorative. The use of Hostetter's Bitters is a sure and certain remedy for all such ailments, and a timely use of the Bitters.

In purchasing a machine select the most popular!!!

NEW TRIUMPHS! SALES OF LAST YEAR.

THE STATISTICS FROM SWOBY RE-TURNS of the Sales of Sewing Machines in 1872, (reported in 1873), show that the Singer manufacturing Company sold, last year, over FORTY-FIVE THOUSAND more machines than ANY other Company, and over one quarter of all machines sold during that year. Nine out of ten of said Singer Machines were for FAMILY use—proving the great popularity of the Singer in the household. Annexed are the sales of the different makers:

Table with columns: MACHINES, The Singer Manufacturing Co. Sold 210,756, Wheeler & Wilson M'g Co. Sold 174,088, Howe Machine Co. (estimated) 145,000, Grover & Baker S. M. Co. 52,010, Domestic S. M. Co. 49,454, Wood S. M. Co. 42,444, Wheeler & Gibbs S. M. Co. 38,020, Wilson S. M. Co. 22,646, Am'r. B. H. O. & S. M. Co. 18,540, Gold Medal S. M. Co. 18,287, Florence S. M. Co. 15,706.

TITUS, BOURGARDES & Co., Agents, Albany, Or.

Also, all kinds of machine needles kept for sale. nov15/73

VIENNA, AUSTRIA, Aug. 20, '73. W. G. WILSON, ESQ., President Wilson Sewing Machine Company, Cleveland, Ohio.—The Wilson Sewing Machine received the GRAND PRIZE MEDAL for being the Best Sewing Machine, and a Grand Prize (medal of honor) was awarded to the Wilson Sewing Machine Co. for manufacturing sewing machines in the best manner, from the best material, and by the best known mechanical principles. These celebrated machines are now on exhibition and for sale at the store of H. BLAIN, YOUNG & CO.

BE WISE TO-DAY.—'Tis madness to neglect a cough or cold. Consumption may follow, and though Dr. Wistar's Balsam of Wild Cherry cures the latter disease, yet the former disappears at once under its influence.
