Alexis has besought his father not to send him around the world again. The stern old Czar consents on condition that he will break with the girl of his affection. She is a beautiful, high-toned, amiable creature, but there appears to be something the matter with her "blood."

The population of Nebraska was 28,000 in 1860? It is now estimated at 300,000 and half this increase has been made since 1870, when the last census was taken. And yet Nebraska is not near so good a country, either in soil, climate or with reference to its market facilities, as Oregon.

Piles! Piles!

WHY SAY THIS DAMAGING AND troublesome complaint cannot be cured, when so many evidences of success might be placed before you every day—cures of supposed hopeless cases? Your physician informs you that the longer you allow the complaint to exist, you lessen your chances for relief. Experience has taught this in all cases.

A. Carothers & Co's Pile Pills and Ointment are all they are recommended to be. Will cure Chronic, Blind and Bleeding Piles in a very short time and are convenient to use. This preparation is sent by mail or express to any point within the United States at \$1 50 per package. Address, A. CAROTHERS & CO., 27v5 Box 33, Albany, Oregon.

COLEMAN'S

No better evidence of the efficiency of Dr. J. N. Coleman's Compound Extract of Eucalyptus can be desired, than the following summary of cases, treated with this remedy alone, by that eminent physician, Dr. J. N. Coleman, in the U. S. Marine Hospital, San Francisco, reported in the August No. (1872) Pacific Medical Journal:

EUCALYPTUS

No Cases Treated, Cured, Imv.

Table with 2 columns: Disease Name, Cured. Includes: Remittent fever (5), Chills and Fever (10), Typhoid Fever (9), Inflamm. of Kidneys (4), Diuretics (10), Incontinence of Urine (3), Stricture (4), Inflamm. of Bladder (27), Menorrhagia (13), Increase of the Menstr. (7), Dysentery (4), Chronic Diarrhea (12), Gonorrhoea (15), Dropsy (6).

Completely corroborative of the above, are the reports of the experiments with Eucalyptus by Dr. Lorrimer, of Berlin, Prussia, and Dr. Keele, Chief Physician of the Austrian Railway Co., published in the Am. Med. Jour. July, 1872.

It will be found very efficacious in obstinate cases of Dyspepsia, Bronchitis, Hacking Cough, Chronic Sore Throat, Leucorrhoea, etc., and in nausea during pregnancy.

Dr. Coleman's Double Extract of Eucalyptus is a special preparation for the treatment of FEV and AGUE, and is warranted to cure every case treated according to directions, without the injurious results of the usual Quinine and arsenical remedies for that disease. Also pure fluid extract of Eucalyptus, in one pound bottles, for physicians' use. Beware of imitations, and take none but Coleman's. For sale every where, and by Iodre Calet & Co., Druggists, Portland, Agents for Oregon. v203y
