A SIMPLE CROUP PREVENTIVE.
—Take a piece of silk two or three
inches wide, sew it around the
child's neck, and let him wear it
constantly, changing it when it be-
comes much worn and thin. Our
little one, who was always subject
to the croup, has never been
troubled in that way since we used
the silk, although many a night he
has gone to his crib so hoarse he
could hardly speak. Try it,
mothers. It will certainly do no
harm, if it does not do good. You
had better have your little ones
encased in black silk than see them
suffering from that fell destroyer,
croup.

Great anxiety is felt in New

her screw broken. No fears are
entertained by the agents in San
Francisco.

Piles! Piles!

WHY SAY THIS DAMAGING AND
troublesome complaint cannot be
cured, when so many evidences of success
might be placed before you every day—
cures of supposed hopeless cases? Your
physician informs you that the longer you
allow the complaint to exist, you lessen
your chances for relief. Experience has
taught this in all cases.
A. Carothers & Co.'s Pile Pills and
Ointment
are all they are recommended to be. Will
cure Chronic, Blind and Bleeding Piles in
a very short time, and are convenient to use.
This preparation is sent by mail or ex-
press to any point within the United States
at \$1 50 per package.
