Temperance Movement at Brownsville.

Brownsville, Oregon, April 1st, 1874.

Mr. Editor:—I am happy to inform you that the people of this place are not asleep to the great and all-absorbing topic of Temperance. They see now, what they failed to do heretofore, that intemperance is the greatest evil that any community could be cursed with; that it destroys the morals of the young; ruins the reputation of all who indulge in it; lightens the purse; makes beggars of our wives and families, and, eventually, carries its victim to a drunkard's grave.

A meeting for this purpose was held at the M. E. Church at this place, last night at 7 P. M., Dr. R. H. Crawford, Chairman. After calling the house to order, the following resolutions were offered:

Resolved, That we will not use intoxicating liquor as a beverage.

Resolved, We will not patronize those that sell, or otherwise dispose of, intoxicating liquor as a beverage, when we can reasonably do otherwise.

After some remarks as to the phraseology and the force in which the resolutions were put—some thinking the language not forcible enough—they were finally adopted. Appropriate remarks were indulged in by Rev. Mr. Starr, Rev. Mr. Worth, Mr. Ellis, Dr. Rowland and R. W. Henderson.

At intervals the audience was favored by both instrumental and vocal music.

On motion, the Chair appointed the following named gentlemen a committee to wait on the merchants who sell liquor, with a view to its removal from the community: Messrs. W. C. Baird, J. B. Henderson and Dr. W. H. Rowland.

On motion, a rising vote was taken on the merits of the resolutions. I may say it was unanimous, for there was not one rose to object.

On motion, that an abstract of the meeting be sent to Albany for publication.

Adjourned to meet at the U. P. Church, on Tuesday evening, April 7th, at early candle-lighting. The meeting adjourned at 9.25 P. M. The house was full, and the greatest order prevailed through the meeting. It is a pleasure to see so many manifest an interest in so important an undertaking, and, if I mistake not, Brownsville will not be behind in its endeavors to keep the ball of temperance rolling.

May this question be agitated to such an extent in our land that those who are under the dominion of his satanic majesty will see the terrible gulf into which they are hastening, and rid themselves, by one grand effort, of his grasp, become sober, upright and law-abiding citizens, and regain the places in the affections of those around them which they forfeited by the wine-cup, and be instruments in the hands of God of saving others from a drunkard's grave.

C. C. JACKSON, Sec., [The above letter was handed in last week, but was mislaid and forgotten. This is the reason it did not appear in our last issue.—Ed.]

PLEASANT OCCASION.—The Erodelphian Society of Albany Collegiate Institute gave an entertainment to their friends on last Friday evening. An invitation was extended to the public to attend, and although there were meetings of other societies on the same evening, there was a fair attendance. As usual, the exercises were first class, the music, both vocal and instrumental, was especially excellent. The young ladies certainly proved themselves worthy and deserve the praise so universally bestowed upon them by all present.

The April number of Wood's Household Magazine, now upon our table, well sustains its reputation as a first class live publication. While its contents are not deep or scientific, its pages are free from trashy, sensational stories, and are full of bright sunny reading that goes home to the heart. The magazine contains its usual number of illustrations, and its general appearance compares favorably with the higher priced magazines. Subscription price one dollar a year; with chrono YOSEMITE one dollar and a half. Subscriptions may begin with any number. Address, Wood's Household Magazine, Newburgh, N. Y.
