ACCIDENT.—On Monday afternoon as Mr. George Humphrey was entering the Odd Fellows' picnic grounds, he was knocked down and run over by a team driven by Bob Head, late of the Corvallis Democrat. At this writing (Tuesday morning) we are not able to state whether Mr. Humphrey is seriously injured or otherwise. The pole of the buggy struck Mr. Humphrey in the back, and may have inflicted a fatal injury.

TEMPERANCE.—On Thursday evening of last week, the Union Temperance Society of this city assembled at the Court House, when a very interesting meeting was held. Short speeches were delivered by President Irvine, Rev. Mr. Stephenson, Jno. Conner and R. M. Powers. The following resolution was offered and unanimously adopted:

Resolved, That until we can procure the enactment of a complete prohibitory law, we are in favor of the Local Option and Civil Damage Temperance Law; and that we will vote for no person as a member of the next Legislature who is not known to be in favor of such legislation.

MARRIED.—On last Sunday a large number of the relatives and friends assembled at the fine country residence of Martin Luper, Esq., about five miles south of this city, to witness the nuptial ceremony between the young and handsome Miss Hattie Luper, Mr. Luper's second daughter, we believe, and our talented friend, Mr. Joseph Speidel, of Peters & Speidel, carriage and wagon builders of this city. The marriage ceremony was performed in a very impressive manner by Rev. Dr. E. R. Geary, pastor of the Presbyterian church of this city. We should like to describe to our lady readers the color, material and general make of the bride's toilet, but we are not certain that we have the proper "figgers of speech" at command to properly set the matter before them, therefore we shall have to content ourselves by saying the suit was elegant throughout, and fitted the handsome young bride as though 'twas "grown" for her. Joseph was got up in good shape for the occasion, and both stood the trying ordeal well. The wedding dinner, under the superintendence of Mrs. Luper, was a grand success, and gave the most perfect satisfaction to the very large number of guests assembled there on that occasion. Cakes, pies, chicken, and

in fact everything that goes to make up an elegant and appetizing dinner, was there in the greatest abundance, and all showing the oversight of a master in the culinary art. Jo. has secured in Hattie, not only one of the handsomest and most accomplished young ladies in old Linn, but he has secured a true hearted, noble woman for a wife, one that will cling to him through good or evil, through sunshine or cloud; and Hattie will find in Jo. an honest, industrious, well blanced businessman, with a heart in him as big as a "skinned hoss." We wish the new life to them so happily begun, may prove to be full of the choicest of God's blessings, with as few of the knots and snarls of ill fortune as imperfect humanity can escape.

DEMOCRATIC COUNTY NOMINATIONS.—The Democratic County Convention met at the Court House last Saturday, and made the following nominations: For the State Senate—S. D. Haley, Thomas Monkers and—Hendricks; House C. P. Burkhardt, B. R. Holt, Harvey Shelton, Joseph Hamilton, A. W. Stanard and G. F. Crawford. County Commissioners—Lewis Cox and James A. Porter. County Clerk—R. C. Hill. Sheriff—L. C. Rice. Treasurer—James Shields. Assessor—John Curl. School Commissioner—James K. Weatherford. The main fight was made over the office of Sheriff, there being more candidates for that office than any other. The main contestants were Allen Parker, the present incumbent, Kirk Price, L. C. Rice, Wm. Cyrus. There was a dozen or more ballots before the selection was made. Of course there was considerable excitement over the nominations, and the usual amount of dissatisfaction, but generally speaking we suppose the Democracy of the county will go the whole ticket.

The Maryland Legislature having made it unlawful for children under sixteen years of age to engage for more than ten hours out of twenty-four in factory labor, the passing of the Act was celebrated by a mass meeting of working people at Mount Washington. Several thousand persons were present, mainly children.

The Singer Still Triumphant.

AT THE VIENNA EXHIBITION THE Singer received the Medal of Merit, the Medal of Progress, and three other Medals for superiority of production.

These are the Highest Sewing Machine Awards at Vienna.

The Singer received all the MEDALS awarded to either of the competing Machines, and two Medals more than any other obtained. Then, in the name of truth, what is it that prompts people to claim recommendations for the Diploma of Honor! The fact is no Diploma of Honor has been given to any Sewing Machine Company. But immeasurably more valuable is

The World's Award

as shown by sales—proved by sworn returns to the owners of the principal Sewing Machine Patents—which last year amounted to two hundred and nineteen thousand, seven hundred and fifty-eight (219,758) machines, nine out of ten of them being for Family Use. This is over 45,000 more Sewing Machines than were sold by any other company during the same period and over One Quarter of all the machines sold in 1872. These enormous sales are owing to the long-tested merits of the SINGER machines, which meet the wants of the public in superiority and simplicity of construction, and capability for great variety and excellence of work. That the users of Sewing Machines find these desirable qualities in the SINGER, beyond all others, is shown by the sales above given, aside from the awards of International Juries, either at home or abroad.
