WILL YOU DO IT?

We ask our friends in each precinct in the county to send us a full return of the vote for each candidate, if possible, as soon as the poll has been counted—at least send us the majorities. In this way, by an extra, we shall be enabled to give you full returns of the whole county much sooner than we otherwise could. Will some one in each precinct attend to this?

THE FOURTH QUARTERLY MEETING—For the M. E. Church in this city will be held to-day and to-morrow—Saturday and Sunday. Preaching on Saturday at 2 P. M., and in the evening at 8 P. M. Lovefeast and sacrament Sunday morning. Preaching at 11 A. M. Sunday by Rev. I. D. Driver: subject—The Divine authenticity of the Scriptures, from a purely natural standpoint. All are cordially invited to attend.

MEDICAL ASSOCIATION.—The members of Linn County Medical Association will please bear in mind that at the last meeting of the Association, in consequence of the election of officers coming on the regular day of meeting, the time selected for the next meeting of the Association is Tuesday next—June 2d. J. LINDSEY HILL, Sec.

STRAWBERRY FESTIVAL.—The Good Templars of Western Star Lodge No. 10, Albany, will give a grand festival at the Pacific Opera House on Wednesday evening, June 3d. Members of sister lodges and the public are cordially invited. Admission, 25c. Strawberries extra.

The candidates for the Prosecuting Attorneyship spoke at the Court House Wednesday evening.

ONCE MORE.—The voters of School District No. 5 were called together a few weeks since, when a resolution was passed favoring the purchase of suitable grounds upon which to erect a new school-house, and appointing a committee to select a suitable site, and report to an adjourned meeting the cost of said site, and the plan and cost of a school-house. At the adjourned meeting the whole proposition was voted down. From notices now posted, signed by the Clerk of the District, we are informed that a meeting of the voters of the District is called to meet at the District school-house on the 6th day of June (next Saturday) when the question will be voted upon again: Shall a tax be levied upon the property in the District for the purchase of ground and the erection of a suitable building thereon for school purposes? We expect a large turnout on the occasion, and a close vote, as there are a number of voters in this District who are opposed to levying a tax for building any more school-houses at present.

BULLY FOR THE FORKS.—The news from the Forks is splendid. The Independent ticket will carry it by storm. One gentleman, a life-long Democrat up to within the past few weeks, now an ardent Independent, is positive that the Independent ticket will get over one hundred majority in the Forks. What does our Democratic neighbor think of the "ground hogs" over there?

BUSINESS.—The Salem Mercury says that when it saw in the Independent procession in that city last Saturday, a wagon containing a middle-aged man and woman, with eight small children of assorted sexes, and carrying a banner on which was the inscription, "we mean business," it couldn't help remarking how appropriate it was.

RELIGIOUS.—The third quarterly meeting for Albany Station M. E. Church South, will take place at the Congregational church, May 30th and 31st. Preaching at 11 A. M. and 8 P. M. each day. Let the people come to the house of God. T. B. White, P. E., and Joseph Emery, P. C., ministers in attendance.

THE AMERICAN.—Go to Eli Carter's office if you want to see one of the lightest running and excellent working sewing machines in the country. It is a hard machine to beat or even to equal in any and all kinds of work. Go and see it.

GOOD ACCOUNT.—From every point in the county we hear the most favorable reports from the candidates on the Independent ticket; all are doing well, and are making the most favorable impression on the people.

GO AND SEE.—Just received at P. C. Harper & Co.'s—
100 kegs of No. 1 Sugar;
50 tons Stock Salt;
500 Gem Fruit Jars,
all of which will be sold at bed-rock prices.

J. H. Baghnel returned last Saturday from California where he spent the winter. He is looking well.

More new wagons and things at Dodds.

GONE BACK ON IT.—We were mistaken in asserting, in another place in this issue, that Geo. Teal put up \$20 that Marion county would give Grover a majority—Jo. refused to come to the center. Jo. is a man of better judgment than we gave him credit for. Although it is undoubtedly true that Marion county has been "colonized" for Grover, yet it is also true that Grover will not carry the county. Campbell will get a handsome vote over both his competitors in that county. Put that down.

The Statesman says: "Last Saturday, as two men were going from Salem to Independence, and when a few miles beyond Eola, an accident happened by which a young lad named Perry was badly injured. The two men were racing their teams, and in crossing a bridge they met Perry, who was driving some cows. They could not stop their teams, and the boy unable to get out of the way was knocked down and run over by one of the wagons, sustaining severe injuries."
