EXCURSION.—The *Willamette Chief* left this city on Monday afternoon, with the Albany Brass Band and a large number of the residents of old Linn, on an excursion to Astoria.

ALBANY TEMPERANCE UNION.—Meets at the Court House next Thursday evening. All are invited. Rev. J. Pattison, of Halsey, will deliver an address on the occasion, and an entertaining programme will be arranged, in the way of music, vocal and instrumental, etc., for the benefit of those who may attend. Let there be a good attendance.

STRUCK THE WRONG MAN.—Col. Jo. Teal was "blowing" the other day, and offering to bet on the election. At length he ventured, as no one seemed to be inclined to put up on the result of the election, that even Marion county would go for Grover, giving him a majority over both Campbell and Tolman, "and I'll bet twenty dollars on it," said Jo. That was an unfortunate boast for Jo., for he had no sooner made the assertion than a gentleman present came up with the twenty, and Jo. was compelled, under the circumstances, to cover it. Jo. hasn't been so boisterous since, as even he can't afford to make many such bets.

CAMPMEETING.—A campmeeting for the Brownsville and Lebanon and Tangent circuits will be held at the camp-grounds near Roberts' bridge, on the Calipooia, commencing Thursday, June 18th, and continuing over two Sabbaths. Notice is hereby given that no huxtering establishment will, by any means, be allowed on or near the grounds. No soda fountains, candy stands, or anything of that character will be admitted.

J. S. McCAIN.

Shedd, May 23, 1874.

STRAW.—A certain prominent Democrat and candidate for office in Benton county, the other day, was loudly boasting that Grover would carry Benton county, and offered to bet on his judgment. After repeatedly making the assertion that Grover would carry Benton county, and that he would gamble on it, a gentleman, an Independent by the way, told him he had blowed long enough, it was now time for him to "come to the center," at the same time throwing in sight \$20, remarking that there was that much money that said Grover would not carry Benton county. The bet was not taken by our Democratic friend—he said he had better use for his money.

SPEAKING.—The county candidates finish the canvass with this city to-day. Speaking will commence at 1 o'clock P. M., at the Court House.

Friend McClain is doing a good work with his sprinkler—it's a good thing.

The Singer Still Triumphant.

AT THE VIENNA EXHIBITION THE Singer received the Medal of Merit, the Medal of Progress, and three other Medals for superiority of production.

These are the Highest Sewing Machine Awards at Vienna.

The Singer received all the MEDALS awarded to either of the competing Machines, and two Medals more than any other obtained. Then, in the name of truth, what is it that prompts people to claim recommendations for the Diploma of Honor! The fact is no Diploma of Honor has been given to any Sewing Machine Company. But immeasurably more valuable is

The World's Award

as shown by sales—proved by sworn returns to the owners of the principal Sewing Machine Patents—which last year amounted to two hundred and nineteen thousand, seven hundred and fifty-eight (219,758) machines, nine out of ten of them being for Family Use. This is over 43,000 more Sewing Machines than were sold by any other company during the same period and over one quarter of all the machines sold in 1872. These enormous sales are owing to the long-tested merits of the SINGER machines, which meet the wants of the public in superiority and simplicity of construction, and capability for great variety and excellence of work. That the users of Sewing Machines find these desirable qualities in the SINGER, beyond all others, is shown by the sales above given, aside from the awards of International Juries, either at home or abroad.
