DRAMATIC.—Fanny Morgan Phelps and Dramatic Company, drew a crowded house at the Opera House on Wednesday night. We were not present, but the united testimony of those present is sufficient to enable us to pronounce the entertainment on that occasion the best in its line the Albanians have had the privilege of attending.

GRAND BALL.—Albany Fire Company No 1 will give a ball at Pacific Opera House on Saturday evening next. The boys have the reputation of getting up the most entertaining hops, and from the preparations made the coming ball will not be one whit behind former entertainments.

FIRE COMPANIES.—Fire companies from Corvallis, Salem and Portland will be here on the 4th to join with us in celebrating that day. Among the best Portland will send one of her steam fire engines, which will be quite a novelty to many hereabouts.

ORATOR OF THE DAY.—HON. F. V. Shoup, of Portland, who is to deliver the oration in Hackleman's grove on the 4th, is one of the first orators on the Pacific coast, and the committee did well in securing his services.

ELECTION.—On Wednesday night the following named gentlemen were elected to fill the chairs in Albany Lodge No. 4, L.O.O.F., the coming term: H. D. Godley, N. G.; A. N. Arnold, V. G.; Joe Webber, Secretary; Fred. Graf, Treasurer. Installation, next Wednesday night.

THE FOURTH AT HARRISBURG.—The good citizens of Harrisburg propose to celebrate on the 4th of July—next Saturday—and are making grand preparations to do it in a manner creditable to themselves and the day. Our fellow townsman, Hon. Geo. R. Helm, has been selected as Orator of the day, which insures those who attend an intellectual feast, and O. P. Tompkins, as Grand Marshal, relieves us of any lingering uncertainty with regard to the success of the procession.

SODA SPRINGS.—Harry Godley called on Tuesday. Harry is at present landlord of the principal hotel in Sodaville, which, with the aid of his estimable wife, he has fitted up in good shape, and it now offers the best of entertainment for those who wish to visit the springs for health or pleasure. The waters of the fine soda spring, a few steps from the door of the hotel, are said to be highly beneficial, and many who suffer from the various ills humanity is heir to, visit Solaville every Summer for the purpose of drinking the water from the Spring.

AT ROBERTS' BRIDGE.—On last Sunday there was an immense concourse of people gathered on the grounds of the campmeeting held by the Methodists near Roberts' bridge, a short distance south of this city. The exercises were very interesting, and much good, it is hoped, will be accomplished before the meeting is over.

LOTS OF WAGONS.—On Tuesday Messrs. Peters & Speidel received from Chicago a large invoice of wagon timber, oak and hickory, such as spokes, felloes, hubs, etc., all of the very best quality—enough for fifty wagons. The wagons and hacks put up by this firm are not excelled in strength and durability by those manufactured elsewhere in the State.

RELIGIOUS.—Rev. J. H. Babcock will hold divine services at the Congregational church in this city, on Monday next, 29th inst., at 7.45 P. M. All are invited to attend.

HYPNOTISM.—The new method or agent in alleviating pain and eradicating disease, known as hypnotism, has and is at present creating no little stir in the medical world. The application of this principle since its discovery has certainly been attended with the most wonderful results, and is, therefore, eliciting the attention of the first medical minds of the age. Dr. Boughton, of this city, has made the principle a study for some months, and in the cases under his care in which hypnotism has been tried, the most wonderful results have been secured.

REAL ESTATE SALES.—Following are the transactions in realty to June 24th: John Watkins to S. Sadler and others, lots 3 and 6 bl. 5, Harrisburg.

Geo. W. Wiebler to Geo. W. Gray 1/2 of bl. 8, Monteith's eastern addition to Albany, \$400. Pen. Halladay to C. O. Barnes fractional bl. 3, Hackleman's 2d addition to Albany, \$600. A. Hackleman and wife to R. C. Hill, fractional lot in Albany, \$200.

Milton Hale and wife J. L. and J. Burns, 20 acres land, \$350. F. S. Merrill to S. E. Blain and John Barrows, lots 1 2, 7 8, bl. 36, Albany, \$1,450. State of Oregon to J. J. Kelly, 14 acres school land, \$17 50. J. A. Ambler to Mary J. Kees, 117 acres land, \$500. M. S. Glass and wife to S. G. and M. J. Gager, certain rights and premises in Waterloo, \$1,000. John H. Howard and others to James Glover, 117 acres, \$500. W. W. Caviness and others to Isaac Glam, 124 acres, \$500. Supt. Schools to J. Thompson, 72 acres, \$145. Supt. Schools to J. Thompson, 70 acres, \$141.

THE GAME SATURDAY.—The College base ballers of Salem played our Rattlers in this city last Saturday. At the conclusion of the game the furriners had scored 29 to our boys 13. Six "skunks," three on each side, were made. It was the best game ever played in Albany, we believe. Our boys are in good heart and plucky, and have confidence in the future. Let bygones be bygones.

Although trade is dull, there is less complaint than usual at this time of the year.

NEARLY OUT OF DEBT.—The pastor of the M. E. Church of this city, informs us that the society is nearly out of debt, a few more liberal subscriptions will place it on "praying grounds and pleading terms," financially at least. Let our generous citizens respond liberally when called upon, and the entire debt can be lifted easily.

B. F. Dowell, Esq., has sent us a printed copy of his letter to Hons. Carlwell and Bybee, in relation to the Oregon Indian war claims, 1854, of W. C. Griswold, assignee of W. F. Wood, M. G. Kennedy and others, which he offers proof that said claims are new, fictitious and fraudulent.

No change in market prices, and coin continues as scarce as ever.
