Salem Correspondence.

SALEM, OCT. 14, 1874.

Having a leisure moment and a suitable opportunity, I drop you a line in relation to the State Fair now progressing. I arrived on the grounds on the morning of the 11th, found everything in good running style, and thousands of people camped here, all eager to witness the coming exhibition, while hundreds were hourly arriving, from all parts of the State, to increase the mighty throng of exhibitors and sight-seers.

IS NOW READY FOR THE RECEPTION OF WHEAT AND OATS. We call the attention of farmers to the fact that we have erected the finest warehouse in the State, at a large expense, and have provided for the receipt of a large quantity of grain, in a building admirably situated for the purpose, and having a capacity for 200,000 bushels of wheat.

at one time, and is located on the margin of the Willamette River, and provided with a direct track from the O. & C. R. R., so that shipments may be made daily by rail, and as often by water as boating facilities offer.

all the wheat received. Can take in and clean 10,000 bushels per day. Cleaned wheat is worth much more in all foreign markets than foul wheat, and none should be shipped without cleaning.

SIXTY THOUSAND SACKS to furnish those storing wheat with us, free to those whose wheat we purchase, and at the lowest cash price to those who sell their wheat from our house to other buyers.

W. H. AIKEN, ATTORNEY-AT-LAW and Commander of the Grand Army of the Republic in California and Nevada, will give prompt attention to the collection of Additional Travel Pay, now due California and Nevada Volunteers discharged during the late war, and whether you have a discharge, Congress has extended the time for filing claims for Additional Bounty under Act of July 28, 1861, to January 1st, so all such claims must be made before that time.

Original Bounty of \$100 has been allowed all volunteers who enlisted before July 22d, 1861 for three years, if not paid the same when discharged.
