Ayer's Hair Vigor. estoring Gray Hair to its Nat-ural Vitality and Color. Advancing hereditary pre-AYER'S HATE

hair immediately; often renews the growth, and always surely restores its color, when faded or gray. It stimulates the nutritive organs to healty activity, and preserves both the hair and its beauty. Thus brashly, weak or sickly hair becomes glossy, pliable and strengthened; lost hair regrows with lively expression; falling hair is checked and stablished; thin hair thickens; and faded or gray hair resume their original color. Its operation is sure and harmless. It cures dandruff, heals all humors, and keeps the scalp cool, clean and soft—under which conditions, diseases of the scalp are impossible.

As a dressing for ladies' hair, the Vigon is praised for its grateful and agreeable perfume, and valued for the soft lustre and richness of tone it imparts.

ATTENTION.

S NOW READY FOR THE RECEP-I tion of wheat and oats. We call the at-tention of farmers to the fact that we have erected the finest warehouse in the State, at a large expense, and are in position to handle satisfactorily an impresse out

200,000 bushels of Wheat

at one time, and is located on the margin of the Willamette River, and provided with a side track from the O. & C. R. R., so that shipments may be made daily by rail, and as often by water as boating facilities offer. We have two large suction fans, in addition to other fans, attached to the house, run by water power, and are thus prepared to

CLEAN clean 10,000 bushels per day. Cleaned wheat is worth much more in all foreign markets than foul wheat, and none should be ship-ped without cleaning. Our charges will be five cents a bushel on wheat, and four cents on oats. We have

to furnish those storing wheat with us, to furnish those storing wheat with us, free to those whose wheat we purchase, and at the lowest cash price to those who sell their wheat from our house to other buyers. Persons storing with us are at liberty to sell to whom they please. Those who reside on the west side of the river will have ferriage free. Will be in the market as buyers, and expect to be able to pay the highest possible price. Having prepared ourselves to do a large business, we loop for our share of the public patronage.
