OFFICIAL CITY PAPER.

ALBANY, FRIDAY, SEPT. 3, 1875.

FOR CONGRESS. HENRY WARREN. OF TANHET

Union & Adams, wholesale dealers in furnishing goods, Boston, failed on

The New Jersey State Treasurer is said to be a defaulter to the amount of

A Liberal Republican State Convention is to be held in Albany, N. Y., on the 22d inst.

Never waste a fly in huckleberry season. One fly in a plate of huckleberries contains more nutriment than three

The money market is quoted close in Portland, none but good customers being able to get accommodations at the banks.

The statement came from San Francisco on Monday that the Bank of California would resume business at an early day, if nothing unforseen turns up This is good news.

Miss Nellie Meacham has already sold over one hundred copies of her tather's new book, "Wigwam and Warpath," in Salem. She is an energetic little agent.

Dr. H. Carpenter has resigned his position as dean of the medical faculty of Willamette University. Dr. Sharpless, of Eugene City, has been mentioned as his successor.

Under date of August 30, from Rome, we learn that Garibaldi is confined to his house at Caprecrel by illness, superinduced by overwork on his scheme for the improvement of the Tiber.

The funeral of W. C. Ralston, late President of the Bank of California, transpired in San Francisco on Monday. An immense concourse of citizens followed the body to the grave.

A pice home for a lady guest would be a residence with a Georgetown, Pennsylvania, tamily, which consists of father, mother and six children, all of whom have been deat and dumb from

A party of Fiji Islanders are to attend the Centennial. Sealed propo for supplying them with roast mission ary during their stay should be sent in

During August there was an unusual millions of mutilated notes having been sent in for redemption during the month -the largest monthly demand for years.

Gen. A. J. Pannell, State Senator from the Wheeling, West Virginia, district, and Chairman of the Democratic Central Executive Committee, fell dead at noon of August 29th, of heart disease, at White Sulphur Springs.

The Vienna Press, says \$21,000 Bosnian Christians have fled to Austrian territory. The whole district from the mountains to Una is being abandoned by the Christians and devastated by the Turks, Nikitika of Montenegro has been appointed generalissmo of the Bosmian insurgents.

The fact that twelve prominent merchants in Montreal last week were obliged to ask from their creditors an extension of time, is significant. It of the finest crop of wheat, barley and shows that not even the sound principles of free trade and hard money, can insure individuals against the consequences of reaklessness and miscalculation.

James Dunn, catholic, and Robert Coulter, protestant, both engaged at the rolling mills, Columbus, Ohlo, got into a religious dispute last Friday, which was continued on Saturday, resulting in the shooting of Dunn by Coulter, probably fatally.

Late advices from the polar expedition sent out by the English Government have been received from West. Greenland. The Alert and Discovery had arrived at Disco after pleasant passage from England. Both sailed from Rittenber, V. K., July 17th, for vina have established a national govern-Upernavik. All were well, and preparations had been made for pushing north as far as possible in the Alert, and for press of Montenegro does not conceal its aledge expeditions beyond to the pole, sympathy with the movement.

Hon, Henry Warren, Republican candidate for Congress, made a well-. timed speech from the balcony of the American Exchange Hotel, Portland, on Monday evening, which was well received. He was followed by Judge

Fourteen dry goods firms of Montreal, Canada, failed last week.

John S. Gason, President of the Buffalo, New York and Erie bank, of Buffalo, died on the 30th ult., aged 83.

Wm. Westervelt was on trial at Philadelphia, on Monday, accused of being a party to the abduction of Charley

A lady who was summering at Newport with \$300,000 in Duncan, Sherman & Co.'s paper, has gone home to teach a country school for \$18 a month.

The great publishing firm of Boston. Lee & Shepard, suspended payment on Saturday. Liabilities stated at from \$330,000 to \$1,000,000.

On the 26th ult., Sterling, Ahrens & Co., of Baltimore, said to be the largest importing house in the United States, failed. Liabilities said to be

On the 27th ult., at Lodi, Ind., Rev. Isaac Denham, aged 80, a well known Baptist preacher, was ran over by a train on the S. St. L. Railroad, and

At Waco, Texas, on the night of August 30, Charles Carrick and J. W. Turner tought a duel with six-shooters, in the dark, at a distance of only four feet. Three shots were fired, resulting in Turner's death.

Since the tailure of the Bank of Cali tornia last week, Government has transferred by telegraph \$1,401,000 in gold for the benefit of banks who have deposited with the sub-treasurer at New

A water spout fell, ten miles north of Caddo, Indian Territory, August 29th, at the crossing of the Missouri, Kansas, & Texas railroad. The water rose twelve feet in two hours, displacing the bridge between Caddo and Carey, and overflowing the track several miles.

Reports from 160 points in Arkansas, West Tennessee and northern Mississippi show that the general crop prospects are of the most gratifying character. There are abundant crops of wheat and oats in most of this region. Good crops of small grasses were made, and all has been harvested and protected save corn. The latter has in all instances matured, and only awaits convenience of planters

Both the North Atlantic and South Pacific squadrons will rendezvous at Panama and Aspinwall during the rebellion on the isthmus. Our government has been fully advised of the progress of the troubles there, and weeks dered to keep several vessels at Aspinwall. The Richmond and Omaha are demand for clean rag money, over five at Panama; the Shaumut at Aspin- Pennsylvania, stung by a bee, died a

> The Texan border troubles are break ing out again, in spite of Cortina. The U. S. forces along the Rio Grande are too few to protect the interests of peace able settlers. This fact is confirmed in a letter by a prominent U. S. official. that cattle stealing and murder of peaceful Americans still continues, and that this state of affairs will continue in spite of the military and naval forces, unless some arrangements can be made to allow American troops to pursue thieves and murderers to their haunts in Mex-

St. Paul, Minnesota, dates to the 27th uit., say no more favorable weather for securing the grain crops could be wished for than has been experienced in the last three weeks, up to Monday, and it is an absolute fact that the bulk caus raised in any state has been secured in good condition and put in stack, beyond fear of damage by rain. A large acreage of corn is planted this year in the state; prospects very poor; the weather has been uniform and the rain too cool for ripening.

Three battalions of the Turkish expedition, which landed at Kleck, have reached Mostar without opposition. Four thousand Servians have entered Turkish territory and encamped at Novi, where they seized the telegraph lines. Bands of Servians have appeared In the Balka mountains and are endeavoring to incite the Belgavins against the Porte. The insurgents of Herzegoment, Montenegro and Servia are now rapidly preparing for war. The official

For some years it has been getting more and more impossible to get a respectable gathering of the people together to attend political mass meetings and speech-making, until to-day it is next to impossible to get a respect mah would give Mr. Warren at least country to attend a political gathering the adequate remuneration for the

NEWS CLIPPINGS.

Six men are to be hung at Fort Smith, Ark., to-day, for murder. The San Domingo scare proves to be

no great matter after all. A brave New Orleans lawyer cow-

hided a yellow woman the other day for repeated insults offered him. "A lady physician of Philadelphia has an income of \$10,000 a year." But

it is not derived from her practice. Six skunks under the seats made things lively at a campmeeting in Ches-

ter county, Pa., one day last week. As yet there seems to be but fortysix aspirants for Andy Johnson's seat in the U. S. Senate.

It is rumored that the New York Tribune will shortly change hands Hon. Henry Warren has gone south

to meet his Democratic opponent, Lane, and they will canvass the Willamette valley together. The large number of failures reported

in Canada are denied. It is now said only four or five dry goods firms have failed in Montreal.

One of the directors of the Bank California said recently that Ralston got into a snap and used the funds of the bank to help himself out again.

August 31st, the U. S. Treasury at Washington transferred \$50,000 gold for the benefit of the Portland bank, this will be the last transfer.

Several New York magnates, worth n the aggregate \$15,000,000, rode to the races in one omnibus, but the boys on salaries hired carriages. President Grant has shaved his beard

off and cut his hair. The Buffalo Express says "it looks like another stealthy step towards Casarism." The Black Hillers are returning, hav-

ing vacated the Hills on the order of Gen Crook. They report rich diggings "Sixteen brothers in a bar-room al stepping up to the counter at once and

calling for whisky straight," was one of the notable incidents of the day of the hanging at Tazewell, Tenn. The Washington Star says editori ally: "The week opens, as last week closed, with the president and every

member of his cabinet absent from the

reat of government." A burglar in Decatur county, Iowa, lately broke into the church and carried off the whole Sunday school library.

Chicago, during the year ending July 1st drank 15,000,000 glasses of beerenough to have put out the great fire it properly applied. It is stated as a fact that Mrs. Webb

who resides in the northwest part of ago Rear-Admiral Mullaney was or. Livingston county, Missouri, has reached the great age of 160 years old. Mrs. Joseph Custer, of Worcester.

few days after, her arm swelling to the

shoulder, and a yellowish liquid being discharged from it in several places where it broke out. Comptroller Hopkins, of New York, has announced that he will not be a candidate for re-election. This resolution has overcome him like a summer

cloud since he has been charged with complicity in the canal trauds. Joe Anderson of Franklin township, Indiana, was in luck when he plowed up an old tin bucket and found in it \$3,000 m gold coin. The money is supposed to have been buried by an old Englishman and his wife, since decessed,

during the war. A mother of 16, in Franklin county, North Carelina, having three boys at a birth, the citizens have great hopes, it she lives and goes on, of becoming entitled to another member of the legisla-

The Marsh investigating committee, now at Kalama City, has secured a mass of testimony, but whether their report will sustain Prof. Marsh's charges is not known, as the committee is very reticent. The committee had spent fifty days up to the 31st ult, in the investi-

When Andrew Johnson was governor of Tennessec, an ex-blacksmith was chief-justice of the supreme court, and the governor with his own hands made a vest for the chief-justice, while the chief-justice went to a forge and made a shovel and tongs to present to the gov-

Mrs. Collier, a Springfield (Illinois) spiritualist, on retiring from busin makes the following frank statement "I have long thought, and I now know, it is absolutely impossible for a medium les, who predicted that old Multno-sudience of the bone and sinew of the to be absolutely, strictly honest and get pretends to believe in popular education. and trouble expended."

Mr. Wade, the British minister, when recently visiting the departments of secretaries of state, was kept waiting viceroy of Pekin, and one of the secretaries of state. Mr. Wade was offended, and withdrew. The vicerov spologized mmediately, and nothing serious fol-

Rather a novel celebration took place at St. Albans, Vermont, recently. One year ago, Marrietta Ball was murdered in the woods near by while defending herself against a ravisher; and, upon the anniversary of the day, 200 per ons as sembled at the scene of the killing, and istened to an impressive sermon by Rev. Mr. Howard. The bushes all around were hung with crape, and the services were described as solemn, the preache claiming that all should unite for common defense, and the suppression of

The facts about gold notes are these They are secured by the deposit with the Government of U. S. bonds, and for every dollar of gold notes issued by the national gold banks, the government requires to be deposited with them one dollar and twenty-five cents in U. S. bonds, and these bonds are worth more than \$1 25 in gold-are above par. Consequently every dollar in gold notes issued actually represents in value one hundred and twenty-five cents in gold via San Francisco. The Treasurer says | coin. The government, being secured beyond all possibility of loss in this way, promises to redeem every gold note in coin, in case the banks issuing them fail to do so. Gold notes, then, are actually better security than gold coin, because they are always good whether the banks break or not. We are willing to take any quantity of gold notes at par. Office hours-most any time during the twenty-four.

A terrible rain storm occurred in Washington City on Sunday. Thirty houses on Liber creek were flooded nine feet deep. The inmates fied to the upper stories of more substantial dwellings, from whence they were rescued by rafts. The streets in the vicinity of the navy yard never before overflowed, were covered from two to three feet, likewise Eleventh and Twelfth streets. Owing to the bursting of sewers, the street cars ceased running. Merchants on Pennsylvania avenue lost thousands by the bursting of water into their cellars. From insufficient sewerage much property was destroyed or damaged. In Germantown, Rock creek was higher than for 20 years. Nearly all the boats store. on the creek and the canal were washed | Frank Smith cut, last week, in or up on the banks, and several leaded with coal sank. It is stated that the destruction of the dam separating Rock creek from the Potomac, involves a loss

Twenty-two millions is named as the deficit of the Bank of California, thirteen millions as the deficit account and nine millions as the overdraft. The £9,000,000 overdraft is thought to be secured in such manner as to be available almost immediately, and the private wealth of the stockholders individually and their general reputation for integrity, seems to leave no doubt that the depositors will receive every dollar due them. By the first of October, it is promised, the Bank of Nevada will open, with a full capital of \$5,000,000 coin, so that financially considered California will have all the money she needs to do business with.

It is rumored that a majority of the jury of inquest was in tavor of a verdict of manslaughter against the officers of the royal yacht which ran down the Mistletoe recently, in British waters. It will be remembered that the Queen and suite were on board the royal yacht at the time the accident occurred. The feeling of indignation was so strong against the officers of the royal yacht, that they were threatened by the people as they passed through the streets after the disaster.

In 1871, the Democrats carried the nouncing that Brooklyn, New York, jority. This year they carried it by cities named. - As for Chicago, that Republican growth. If the Republican when the citizens of Kentucky will recognize in it the only political party that can add to their wealth, and develop the wonderful resources of the State.

> When the Republican party went out of power in Texas, some three years ago, it turned over to Democracy 2,067 public schools, with 5,625 teachers and 127,672 pupils. What has been the result! To-day, there is but 562 public chools in the State, with a corresponding reduction in the number of teachers

An Iowa girl calls him "My Sur

Gen. Phil. Sheridan's reception at Portland on Tuesday night was a grand affair-a periect ovation. Thousands in an ante-room by Li Hung Chung, of citizen's crowded the streets, the military companies were out in full dress, four cannons belched forth their fiery welcome, and flags and banners and music-and general rejoicing pervaded the whole city. The General was highly elated at his reception, as well he might be, for we are informed that no such grand affair was ever seen in Portland before. Ror for Phil

> The election returns from California would seem to indicate the success of the Republican ticket. The vote in San Francisco was about 25,000-no money used and the result could not be told until the full vote was counted. In Stockton the total vote was 1,725, and the election of Evans, Republican candidate for State Senator, was conceded. In Vallejo the total vote was 1,619. Estimated vote, Republican 800, Democratic 500, Independent 300. Returns from the county indicate the success of the whole Republican ticket,

A new banking institution, called the Central Trust Company, with a capital of \$1,000,000, opened on the 1st on corner of Pine and Nassau streets, New

It is said that in his forthcoming message the President will strongly urge that the Indian Bureau be turned over to the War Department.

The Merchants' Exchange Bank of San Francisco was to open again on Geo. A. Smith, second President of

reaper. Good work. La Cont.er, W. T., was recently visited by an unusually heavy rain and wind storm which prostrated the crops, doing immense damage to grain. The weather all the week has been cloudy, and again this morning we were visited by another heavy wind and rain. It is still raining, and the damage to grain will be leaven. damage to grain will be imme

Cornucopia is situated in Elko county, Nevada, seventy-five miles northwest from Elko, ninety miles north of Battle Mountain, and about one hundred and twenty miles northeast of Winnemucca. The mines are distributed through a series of cross ridges and round mounds terminating on a high bench-land, about one mile down will resume business. An attorney stated in the rooms of the Bar Association to-day that one of the directors of the Bank of California informed him that the affairs of the from the summit and on the western slope of the Tuscarora range of mountains, be-tween the South Fork of the Owyhee Riv-er and Deep Creek, or Middle Fork.

The Silver City (Idaho) Avalanche The Silver City (Idano) Avaianche has the following in regard to some rich ledges which have been discovered in that Territory: It is reported that rich gold, silver and copper bearing quartz ledges have been discovered about fifteen miles from Malad City, in this Territory. Several management of which eral lodes have been located, some of which are from ten to fitteen feet in width, formed within wall-rock of granite, slate, porphyry and fire-clay. There is said to be pl of wood and water in the vicinity of mines. Should a good mining camp start up there, it will afford the farmers and stock raisers of Oneida County a much need-ed market for their products.

The Indians of Klamath Lake, Yainax and Warm Springs have been, for the past month in the Scician valley, horse-racing, gambling and bunting. They broke camp a short time ago, and started for their homes. According to the story of a Warm Springs Indian, there is a chance for some trouble Indian, there is a chance for some trouble between the Warm Springs and the Klamaths. He says the Klamaths accuse the Warm Springs Indians of stealing their horses, and they were going to resent the insult. They would take their squaws out of the way, and returning will give the Klamaths a sound threshing.

Mr. Wilbur F. Cornell has just arrived from Beaver creek at Jacksonville. The Sentinel says: While here, he showed us City of Louisville, Ky., by 4,668 majority. This year they carried it by only 2,783 majority. The vote was the largest ever cast in the city, at a State election. The result indicates a Republican growth. If the Republican party continues to put good men in homination, the time is not far distart the latest and the could be plainly seen the small mercurial particles, we have not the least doubt but what they will reap a rich reward for their labors, and that their most sanguine expectations will be realized. He informed us that their ledge is about two feet wide at present, and is increasing in width the farther they proceed into the mountain side. it is the intention of this company to go out about 100 tons of the rock, when the will put up a furnace in the vicinity of the ledge. Wood and water is abundant in the ledge. Wood and water is abundant in the vicinity, and all that is necessary for the proper development of that country now is a good wagon road from some point, either in Siskiyou or Jackson county, to the mines

The crops in Baker county, according to er city Herald, are no pasturage which would be turned into fields of waving grain. The wheat, we under stand, is plump and large, with no smut or rust to speak of. Harvesting is being con-ducted in a lively manner, and farmers happy in the anticipation of abundant Many Yamhill county farmers a

The slaughter-house and smoke-house J. C. Bull, Jr., near Arcate, Humbol county, were destroyed by fire recently. There are fifty buildings in the course of construction at Santa Rosa.

The completed school census in Los Angeles county shows 7,767 children, of which number 2,700 are non-attendants at school. Ernest Kern, a saloon keeper at Santa Rosa, has absconded, after having borrowed all the money he could, leaving his wife

The residence of W. H. Finical, in Antelope valley, two miles east of Red Binff, with its entire contents, was destroyed by fire on Sunday of last week. Judge Eastin, living near Santa Clara, has an acre and a half planted in cotton, which is looking finely, the plants being about three feet high. The Judge expresses great satisfaction with the result of his

A very heavy hall storm occurred last Sunand back on the foothills. Upon melting the hail was sufficient to cause considerable streams to run in the streets, which had before been perfectly dry. Whether innocent or guilty the great scandal trial in its practical results is working disastrously to all who were connected with Beocher in business. The subscription list of the Christian Union has wonderfully fallen off which must be attributed to Beecher. The Life of Christ which promised to sell in almost every Christian household has been swallowed up in scandal until you could scarcely give one away. In this way J. B. Ford & Co., the publishers, have been rulued financially.

John Burnett, of Jefferson, last Saturday while cutting the binding of sheaves of wheat for a thresher, near that city, gave a slashing blow with the knife he was using, which cut through the binding and entered his left arm, making a deep cut and severing one of the principal arteries of that member. His arm was bandaged so as to member. His arm was bandaged so as to enable him to get to the city for medical assistance, although he bled profusely before reaching there.

A few weeks ago it was stated that the secretary of the treasury had ordered a rig-id examination into the affairs of distillers on the Pacific coast, and reports received Joseph Hines a negro farm hand at Rock Wharf, Virginia, was deeply attached to a valuable hore of which he had the care. He slept in the barn near the animal, and was assiduous in his attention. The norse was injured so badly that it was necessary to kill him. Hines said that if the horse was killed he would die too; and he meant it as the secural proved. The by telegram from government agents are to the effect that for years there has been a by the effect that for years there has been a systematic defrauding of the revenue by brandy manufacturers. The report also indicates complicity on the part of internal revenue officials. Seizures and persocutions will follow against a number of prominent business firms in San Francisco.

resumed to-morrow. The stomach has been subjected to a chemical analysis. The feeling to-day is cheerful among business men. Collection day has caused no failures. The London and San Francisco Bank bought.

exchange from prominent grain merchants during the day to large amounts and many dealers have paid amounts not due ontil next collection day to assist those who are short. Sharon is credited with the state-

ment that unless something unforseen turns up the directors of the Bank of California

will make no statement but that the bank

FOOLING WITH A WHIRLWIND .- A

The following news under date of San Francisco, August 30, is of general interest: Prominent bankers report that the immediate cause of the demand by the directors of the Bank of California for Raiston's he meant it, as the sequel proved. The horse was taken to the edge of a wharf and shot. At the discharge of the gun the negro jumped into the river, and, although planks were thrown to him him, he would not save himself. resignation was the discovery by the directors, during the investigation, of a lot of bills from Irresponsible parties, aggregating in the neighborhood of a million dollars with no collaterals. It is also reported that it was the intention of the directors to have subsequently called Raiston into their councils to avail themselves of his intimate knowledge of the business of the land. A little child of Mrs. J. G. Holbert, of Salem, who was visiting her folks at Dallas, came near being drowned the other day in the mill race which flows by B. F. Nichols' residence. It seems that the little thing, with several other little children, were knowledge of the business of the bank. Greenbacks 87 buying, 8734 selling. Collecting day, thus far, is progressing with a mutual feeling of accomodation among business men. It is difficult to ascertain how matters stand below assures. These playing about the rave, when this little one fell in and in some way got her head fast under a board so that it held her under the water, and before she was rescued by her mother, who had to be informed, she was almost draward. how matters stand before evening. There is a flutter among distillers and Revenue Agents here in consequence of the presence of Special Revenue Agent Clark, who is examining into affairs on this coast. On The Pioneer Oil Mills at Salem are now running full time in the day time, and in about two weeks hence it is expected that the mills will run night and day. This company have a contract to deliver in Portland 100,000 basels of seed for a California. examining into affairs on this coast. On Saturday evening the Deputy Revenue Collector at Antioch, Coutra Costa county, seized Jost's distillery and 26,000 gallons of spirits, valued at \$50,000, on a charge of illicit manufacture of whisky. Half a million dollars were transferred by the Treasure to the country to the co house, and they have already commenced to fill the same, and expect to deliver it all by the middle of September.

ry to-day to the amounts previously repor-ted, but it is not stated to what bank it is Mrs. Lovejoy, while bathing at South-ampton, Long Island, a short time since, was carried beyond her depth. A boy went to her assistance, but she seized and gone. At the request of the Comptroller of the Currency at Washington Dr. Linderman, Director General of the United States Mint at San Francisco, has made a thorough ing. George W. Fishback, formerly pro-prictor of the St. Louis Democrat, who was riding along the beach, plunged in and, saved both the lady and boy. National Gold Bank and Trust Company, and tound everything in a satisfactory condition and will repost the same to the Comptroller. The bank will be left free by the government to manage its own affairs. The inquest in the case of Ralston will be
