He his life. "These proceedings," adds his and left the trio to their repose. thinks the yield this season will be fully biographer, "show that Governors are TRUTH HARD TO BELIEVE. - Dr. J. up to the average if not above it judg-ing from present indications. Some tall pirate, possessed with a mania for getgrain and meadows had been tangled by ting married. His friend, the Governor, the late rains, but none so seriously the manner of the plantation may tallen but that it will come on all right after the manner of the plantation, marwith a few days' sunshine.

literally knocked out of it. The ditch is one mile and a half in length, forty sidered a success.

The Avalanche has still great hope for the future of War Eagle mountain. It says: Her mines to-day, if honestly worked, will be found to be as productive as the richest of any section of the Pacific coast. Let the gentlemen who invest capital in their development see to it, and it is certainly for their interest to do so, that their mines are controlled by competent superintendents and worked economically, and faithfully in addition, and they will find that their interest the favorite weapon of the protection of the suffered to grow to an extravagant length; as to breadth, it came up to his eyes; he was accustomed to twist it with ribbons in small tails after the manner of our Ramilies wigs and turn them about his ears; in time of action he wore a sling over his shoulders, with three braces of pistols." This was the regular pirate fashion, and its use is obvious. In boarding, the pistol was the favorite weapon of the rovers, who dition, and they will find that their in-

cent municipal election.

This from the Coos Bay News, of only to cock and fire, drop one pistol July 12th: "Mrs. E. P. Phillips, a woman of rather an unenviable reputation attempted to play the roll of Laws."

This reltance on the pistol was, doubttion attempted to play the roll of Laura, less, one reason of the success of the D. Faire, in Empire City, last Friday, rovers in close fighting. To add terror one of our prominent citizens taking the other leading part in the play. Mrs. P. stepped up to her intended victim Dom Pedro—may his tribe increase as that of Abou Ben Adhem—visited Ment Vernoa. He planted a tree near the tomb of Washington and standing before its gateway, threw a handful of Wild flowers outo the sarcophagi beyond. We shall have to amend the Constitution and run that man for President yet.

The Owyhee Avalanche says: Great hopes are entertained from the crushing of the Mahogany rock, now in progress at the Leonard mill. There are over love years were supported by the standing of the Mahogany rock, now in progress at the Leonard mill. There are over love with a cane at the last shot which lots for the murder of McMellen, in and lovingly placed the muzzle of an improved Smith & Wesson against his head and fired, but he gently moved his head to one side and neck slightly burned with powder; when he, thinking he was shot, inmediately in bullion than any previous crushing.

At the celebration held at Hillsboro on the 4th day of July 1876 a result.

At the scene and proved her poor marks—wine evening, being in a pleasant mood, drinking and playing cards with a few sion of Mrs. Phillips. And thus ends
