If the Enemy of mankind was permitted to exert his diabolical ingenuity in the invention of a new disease, he could scarcely devise one more worthy of his genius than dyspepsia. The dyspeptic sufferer is tor-usented by symptoms resembling those of almost every known malady, and is often worried into monomania by these conflict-ing manifestations. A favorite though ab-sured hallachation of the victim of chronic indigestion is that he or she has heart dis-ease. Dyspepsia has often been pronounced indigestion is that he or she has heart disease. Dyspepsia has often been pronounced incurable, but experience has shown that Hostetter's Stomach Bitters will sanquish it, together with the constipation and billious derangement which usually accompany it. Disease of the kidners and supposed rheumatic pains are also frequent concomitants of dyspepsia, but they, too, succumb to the above named invaluable corrective.

"Messes, J. B. Rose & Co.:

"My wise has, for a king time, been a terrible sufferer from Eheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment I am rejoiced to say this has cured her. I am doing what I can to extend its sale. * "

This is a sample of many thousand testimonigis received, of wonderful cores effected by the
Centant Liniment. The ingredients of this article are published around each bottle. It contains Witch Hazel, Mentba, Arnica, Rock Oit,
Carbolle, and lingredients hitherto little known
It is an indisputable fact that the Centant Liniment is performing more cures of Swellings,
Stiff Joints, Eruntions, Rheumatism, Neuraigia
Schatica, Caked Brensis, Lock-jaw, &c., than all
the other Liniments, Embrocations, Extracts,
Salves, Ointments and plasters now in use.

For Toothache, Earnehe, Weak Rack, Itch and
Curaneous Emprions, it is admirable. It cures
burns and scalds without a scar. Extracts poisons from bites and stings, and heals frost-bites
and chillblains, in a short time. No family can
afford to be without the Centaur Liniment,
white wrappor.

The Centaur Liniment, Yellow Wrapper, The Centaur Linkment, Yellow Wrapper, is adapted to the fough skin, muscles and flesh of the animal creation. Its effects upon severe cases of Spavin, Sweeny, Wind Gall, Big Read and Poll Evli, are little less than murvelous.

Messrs J. McClure & Co., Drugsists, corner of Elm and Front streets, Cincinnati, Ohio, say:

"In our neighborhood a number of tramsters are using the Centaur Linkment. They pronounce it superior to anything they have ever used. We sell as high as four to five dozen bottles per mouth to these teamsters."

We have thousands of similar testimonials. For Wounds, Galls, Scrutches, Ring-bone, &c., and for Screw Worm in sheep it has no rival.—Farmers, livery-men and stock-raisers, have in this Almiment a remedy which is worth a hundred times its cost.
