**GOOD ENOUGH.**—Prof. A. B. Cathey has been secured as teacher of the North Brownville public school. The citizens of that town are in luck, as the Prof. is a splendid teacher and a young man of high moral character who will grace any school room in the country. We congratulate the citizens of Brownville, who we are sure will never have cause to regret their choice.

**CENTENAL LIBRARY.**—The Brown M. E. Church has just received a most beautiful and finely arranged Sunday School library (called the Centennial library), which will be very attractive to the young people and children who may attend that school. A general invitation is extended to our people, especially the young, to attend the Sunday School.

**HAIRY ITCH.**—Under date of September 12, our Halsey correspondent writes as follows:

**RELIGIOUS INTELLIGENCE.**—The Methodist Episcopal services are held on the fourth Sabbath of each month, at the hour of 11 o'clock A. M.

**Baptist** on the first Sabbath of each month, at the hour of 11 A. M.

**Christian** at the hour of 11 A. M., on the third Sabbath of each month.

The United Presbyterians have preaching every Sabbath at the hour of eleven, by Rev. R. J. Thompson. There is a flourishing Sunday School in connection with the U. P. Church, held immediately after the regular church exercises. Mr. James Crawford, Superintendent.

**GENERAL INTELLIGENCE.**—Mr. Ebenezer Hayes is the very identical man whose wife has two fine sons, some two or three weeks old, and that identical man is happy.

A little incident happened in the U. P. Sunday School short time ago, that was a little amusing. One of the teachers was asking his class how the "Christians would view abolition?" Aus—"With resignation to it, as sent for their benefit." "Then how will the mere Philosopher receive it?" A young lady of considerable talent answered, "grin and bear it."

Halsey is still improving rapidly. Mr. Martin Kowitz is about ready for business in his new store-house, which is about completed.

Mr. Elias Preble is building a large Livery Stable.

**THE GRAIN CROP.**—Being below the average both in quantity and price makes the exercise of rigid economy a necessity to those who would make both ends meet. One of the most effectual means of doing this, is to buy your goods at the one-price, low-price, ready-pay store of WHEELER, in Shedd. New and complete fall and winter stock soon.
