OUR NEW YORK LETTER. and turned up brim are worn with net POLITICAL-COAL - SWIMMING - AN INCI-DENT-FASHIONS-BUSINESS.

NEW YORK, September 2, 1876. POLITICAL.

The nomination of Seymour for the Govrnorship by the Democracy of the State. and his declination, after the convention had adjourned, places the party in a most pitiable attitude. The Democracy of the city are in a state of dumbfoundedness that is funny. They have a ticket without a he would not accept. He had the committee appointed to notify Seymour, instructed mocracy generally confess that this trick Seymour on, for it was a very weak nomi other. To escape the shower of stones, nation.

THE COAL DROP. of it. Not only is it a relief to the millions of this will be felt all over the country, and will go a long way toward reviving business in the East. Next?

The prettiest sight I have seen for some time was at the Ladies Swimming Academy, Tuesday, the occasion being an exhibition by the pupils of Miss Bennett. tigued.

The new styles of the season are simple

looped overskirts which not one woman in a dozen knows how to arrange, disappear for close long polomaises, whose fullness in carry out the skirt gracefully, instead of to attend their meetings. Horse Bills, letting it fall to the form. Young ladies depth with the red, so as to show when the pancy before the winter rains set in. wind lifts them, will be the refined version of the red silk skirts worn abroad, and bows, pipings, narrow pleadings and blind- been improving his property at the foot of per how for the house matches the rest of dations in the rear of the mill have been the trimmings. The effect is delightful in taken out and a solid stone wall now supand modistes try to induce deep myrtle stocks lowered three feet and ten luches. green as the leading color, but do not seem thus giving more power without an ino be over successful, as the sallow women crease of water. re sure to take it, and the effect discourages popular taste. Blondes, pure and sets them off best, not awars that a fresh complexion looks daisy fair in a dark green snit. Dark brown and dark red of a marcon tings will be rather more stylish than either blue or green as the season wears, for the reason that every one will not be seen in them. The high crowned not be seen in them. The high crowned coaching hats have had their day; more Boar. On the 18th, to the wife of Ed. modest hats with the same pointed crowns. Murry, a con.

scarfs enveloping the crown and plumage falling low beside it. Turbans, with either deep blue or red velvet brims, almost concealed by bands of feathers of the same color, finished with drooping plumage are shown for bright autumn wear, but the

AN INCIDENT.

There are many ways of dealing with unfaithful wives. An incident that happened recently in Brooklyn is worthy of head, and they are bewildered to know record. A merchant of New York, rewhat to do. This is one of Sammy Til. siding in that city of marital troubles, susden's smart tricks. He wanted Hewitt for pected his wife of being too intimate with it was discovered that he was not eligible, certain she was in the habit of driving out as he had been less than a year in the state. Fearing that the convention would acter, some miles out of the city. One morning, instead of staying over in New On motion, Musers, Herman Sox, P. en off only fifteen minutes before. The to telegraph his acceptance, so that the can do his mile in three minutes, and he convention should have dispersed before had it harnessed. Did be take his revolver? the real fact that he would not take it all Not any revolver. He loaded the bottom could be known. It worked. The con- of his buggy with nice round stones-a vention adjourned, and Seymonr, as soon bushel or more, good stones for throwing Now the nomination is in the hands of the hour to overtake them, for the pair were who entertained the large and enthusia State committee—the committe belongs to going slowly, that the luxury of the seance might be prolonged, and he drove up behead of the ticket whoever the asture Sam- side them. The gay Lothario saw the nel dictates. The cursing and swearing in husband, and whipped up his horse. Vain the city is somewhat dreadful. The De- endeavor. What could a livery steed do against blood? The husband drove alongends the hope of the Democracy of carry- side, and holding his reins in one hand, ing the State. I had rather they had kept | bombarded the fellow with stones with the the affrighted man drove faster, but it was this city hereafter meets every Friday no use.
