

FOR PRESIDENT OF THE UNITED STATES, R. B. HAYES.

FOR VICE PRESIDENT, W. A. WHEELER.

REPUBLICAN STATE TICKET.

HON. R. WILLIAMS, of Maitland county.

HON. R. WILLIAMS, of Maitland county.

JOINT DISCUSSION.

Dr. J. W. Watts, Republican candidate for Presidential Elector, and Hon. E. A. Cronin, Democratic candidate, will address their fellow-citizens on the political issues of the day at the following times and places:

Table with columns for location, date, and time. Locations include Eugene City, Harrisburg, Brownsville, etc.

WHOSE YE THIS DAY WHOM YE WILL SERVE.

Babcock did not steal or fraudulently seize upon the people's money. He did not steal from the U. S. Treasury—he did not rob the customs—he was never, so far as we know, ever accused of stealing from the Government.

On Friday, September 22d, 1876, L. F. Grover was elected United States Senator for Oregon. It was a great surprise to our people, as the Democracy of Oregon was largely opposed to his election.

FIFTY THOUSAND DOLLARS.

It is charged that \$50,000 was sent up from Portland to Salem a few days before Grover's election, with orders to use it until Grover was elected.

THE CONVICT'S CANDIDATE.

Since the 1st of January Gov. Tilden has restored 70 convicts to citizenship, and in each case has been marked on the record: "Not to be published."

Tilden is estimated to be worth between \$5,000,000 and \$7,000,000, and this wealth was acquired between 1859 and 1874.

The Cincinnati Commercial thinks it will be entirely safe to offer a reward of \$500 for any Democrat in the South who is deprived of his vote in November by U. S. troops.

Allen, Thurman and Pendleton are mentioned when they read in Eastern Democratic papers that "Hayes has no money."

DEMOCRATIC AFFECTION FOR THE SOLDIERS.

The Democratic reduction cut down the appropriation for supplying disabled soldiers with artificial legs and arms to \$60,000. The amount is already expended and there is an estimated deficiency of \$250,000.

MORE EVIDENCE OF TILDEN'S PERJURY.

It has been established on good evidence that in 1862 Mr. Tilden, acting as Trustee, Attorney, &c., drew three mortgages and three deeds, in the reorganization of the Pittsburg, Fort Wayne & Chicago R. R. Co., and received fees for the same to the amount of \$24,000.

AFTER TILDEN.

Since Judge Clifford's decision that an action may be maintained by the Government to recover the amount of income withheld by persons who declined to make income return and were assessed by the assessor on other information, a circular order has been issued directing suits to be instituted in such cases throughout the country.

DEMOCRATIC CHECK.

After more than thirty Democratic investigating committees in the last Congress, during eight months search, and the expenditure of about one million dollars, could not find that a single Republican official had defrauded or stolen from the treasury one dollar or the fraction of a dollar.

SENATOR ELECTED.

On Friday, September 22d, 1876, L. F. Grover was elected United States Senator for Oregon. It was a great surprise to our people, as the Democracy of Oregon was largely opposed to his election.

TILDEN'S "I DENY IT, BUT ITS SO."

Tilden's friends put up two defenses for him against the charge, made by the New York Times, that he (Tilden) had committed perjury in swearing to his income return in 1862. The Times enumerates sources of income amounting to over one hundred thousand dollars received by Tilden that year.

DEMOCRATIC "REFORM" IN THE SOUTH.

The White Leaguers are busily engaged in the wholesale massacre of negroes in the South. Colored members of the Legislature have even been taken from the cars, without warrant or color of authority, and shot.

Centaur Liniments.

My wife has, for a long time, been a terrible sufferer from Rheumatism. She has tried many physicians and many remedies. The only thing which has done her good is Centaur Liniment. I am rejoiced to say this has cured her. I am doing what I can to extend its sale.

This is a sample of many thousands of testimonials received, of wonderful cures effected by the Centaur Liniment. The ingredients of this article are published around each bottle. It contains Carbolic and Iodine. Carbolic and Iodine are known to be indispensable facts that the Centaur Liniment is performing more cures of swellings, Stiff Joints, Eruptions, Rheumatism, Neuralgia, Sciatica, Cuts, Bruises, Lockjaw, &c., than all the other Liniments, Embrocations, Extracts, Salves, Ointments and Oils are in use.

For Toothache, Earache, Weak Back, Head and Curvature Eruptions, it is admirable. It cures Burns and Scalds without a scar. Extracts from Bites and Stings, and from Frost-bites and Chills, in a short time. No family should be without the Centaur Liniment, with its wrapper.

The Centaur Liniment, Yellow Wrapper, is adapted to the tough skin, muscles and flesh of the animal creation. Its effects upon severe cases of Swelling, Sprains, Wind Colic, Head and Pail Eruptions, are little less than marvelous. For Wounds, Cuts, Scalds, Ring-bone, &c., and for Sore Worn in sheep it has no rival. Farmers, Heavy men and stockmen, should have this Liniment a remedy which is worth a hundred times its cost.
