WEST TOWNSEND, Vt., May 14, 1860. MESSRS, S. W. FOWLE & SONS : Gentlemen-Several years since I took a severe cold, which settled on my lungs, where it remained without relaxation. I was then in Massachusetts, and growing worse and becoming unable to attend to my business I returned home and commenced searching in earnest for some med-icine which would restore my lost health. I consulted physicians, I tried many remedies, but obtained no help, but daily grew worse. I had a terrible cough, and raised a good deal of blood. I had protuse night sweats, and severe pain in my side. 1 continued in this state for months, and became where the it was with great difficulty I could walk, when I was advised to try Wistar's Balsam of Wild Cherry, and to any great joy I soon found that this remedy had arrested the disease. The proprietors, Messrs, Hos-tetter & Smith, Pittsburg, Pa., on roceipt of a two cent stamp will forward a copy by mail to any person who cannot procure one in his neighborhood.

## A CARD.

To all who are suffering from the errors and indiscretions of youth, nervous weakness, carly decay, loss of manhood, &c., I will send a ranipa that will cure you, FREE OF CHARGE. This great remedy was discovered by a missionary in South America. Send a self-addressed envelope to the REV. JOSEPH T. INNAN, Station D. Bible House, New York.-n8v9.

The Chicago Journal's Des Moines special says : Gen. Tuttle, just .retarned from Louisiana, represents that intimidation by social ostracism is so great in the South that it is astonishing any Republican votes were cast. The colored people are aroused, and if arms were obtained, bloodshed would be the result.

Colfax cites a case of a young man named Young who was elected to Congress before he was 25, but was not sworn in until he arrived at that age, no one contesting his seat, as having bearing on the Oregon and Vermont postmaster cases.
