

HALEY.—From a correspondent we learn that Haley is growing right along. The Grange Store is doing a land office business, employing four or five clerks constantly to wait on customers. Other business enterprises are flourishing, and the town is growing and expanding, notwithstanding hard times.

CHRISTMAS.—The "mist" fell almost continuously on Monday, but it seemed to make little difference to pedestrians, who kept promenading the streets all day. Visiting stores, swapping talks, and all in all, appearances enjoying themselves. We don't remember to have seen a more general observance of Christmas-day in this city.

FOR SALE. FULL BLOOD BERKSHIRE Pigs.—Parties desiring to secure full blood Berkshire pigs, should call on Mr. J. G. Reed, who has a small number of pure Berkshires, four months old, which he will sell low. Parties can call at Mr. Reed's residence in this city, or leave orders at the Grange Union Store, Albany Oregon.

M. E. QUARTERLY MEETING.—Rev. P. M. Starr, Presiding Elder of this District, will hold the second quarterly meeting of the present Conference year, at the M. E. Church in this city, on Saturday and Sunday next, Dec. 30th and 31st. All are invited.

THANKS.—Dr. Geo. W. Gray, Superintendent of the U. P. S. S., wishes us to extend his heartfelt thanks to the teachers of his Sabbath School for the presentation (during on the Christmas tree) of a magnificent album, as a testimony of their regard and esteem. It is a most elegant present, and the Dr. is very proud of it.

Everybody insures in the North Pacific Mutual Life Insurance Co., represented by Messrs. Hall & Tustin, of this city. By the way, we learn that Mr. Hall is doing a heavy business for the Company in this county, everybody apparently taking policies. Good enough.

FAIR WARNING.—All persons knowing themselves indebted to Dr. E. O. Smith, are requested to come forward and settle at once. And don't you forget it.

Remember the turkey and oyster dinner at the Opera House next Monday, from 12 to 2 o'clock, and the sociable in the evening.

RANGE FOR SALE.—A second-hand range or cook stove for sale, with all the necessary furniture. For particulars call at this office.

A CARD.—As Pastor, I hereby express thanks to all who assisted in our Christmas entertainment at the M. E. Church, J. P. DeVore.

Don't forget the donation party at the M. E. church this Friday evening, December 29th, 1876. Let every friend of the pastor and family attend well "fed."

Prof. Warren, of Portland, came upon Monday, spending the time pleasantly among old friends until Thursday, when he returned to Portland, his present residence.

We were pleased to receive a call from Dr. Ballard, of Lebanon, on Tuesday. The Dr. is kept busy night and day by the unusual amount of sickness prevailing in his diocese.

CUT THIS OUT—IT MAY SAVE YOUR LIFE.—There is no person living but what suffers more or less with Lung Diseases, Coughs, Colds or Consumption, yet every one would rather than pay 75 cents for a bottle of medicine that would cure them. *Dr. A. Bowser's German Syrup* has lately been introduced in this country from Germany, and its wonderful cures are known to every one that try it. If you doubt what we say in print, cut this out and take it to your Druggist, and get a sample bottle for 10 cents and try it. Two doses will relieve you. Regular size 75 cents. [4698.]

LOCAL MATTERS.

CHRISTMAS FESTIVITIES.
Apple cider and mince pie were served at the Christmas dinner at the Centennial Hotel, on Monday evening. It was a most beautiful and interesting affair, and of course secured the largest attendance.

BAPTIST CHURCH.
The Christmas festival was most beautifully decorated inside with evergreens, on each side and through the center. A number of beautiful crosses and wreaths, made of evergreen, were to be seen in various parts of the room. Over the pulpit was placed the beautiful motto, "Glory to God in the Highest," and just beneath it, in gilt letters, "God is Love." On the right were the words, "Peace on Earth," on the left the expression of the angel to John in Patmos, "Worship God." On either side of the pulpit was a tree, not bearing twelve manner of fruits, nor were their leaves for the "healing of the nations," but they bore many valuable presents, which proved to be very gratifying to many present.

PITCHER'S CASTORIA.
Mothers may have rest and their babies may have health, if they will use Castoria for Wind Colic, Worms, Feverishness, Sore Mouth, Croup, or Stomach Complaints. It is entirely a vegetable preparation, and contains neither mercury, nor opium, nor alcohol. It is as pleasant to take as honey, and neither causes nor gripes.

CELEBRATED WEATHER BUREAU.
The Centennial Hotel, Yellow Wrapper, is adapted to the rough skin, moccasins and flesh of the animal creation. It is adapted to severe cases of Scurvy, scalding, Wind Colic, the Head-ache, and all the other ailments of the human system. It is a most valuable remedy for all the ailments of the human system. ST. PAUL'S CHURCH.
We have no report from this church, but learn that the presents were satisfactory, and an enjoyable time had by the large number in attendance.

CALVARY CHURCH.
The Christmas festival went off in the usual pleasant manner. Not only the members of the school proper were present, but every vacant place in the church was filled with parents and other friends.

CORRESPONDENCE FROM BROWNSVILLE.
BROWNSVILLE, Dec. 25th, 1876.
EDITOR REGISTER:—This Christmas-day, the day on which it is believed the Christ-child was born into the world, and which all Christians celebrate as a day of rejoicing in commemoration of that morning when the angels from heaven proclaimed peace on earth and good will to men, is one of sadness and mourning to many a weeping father and mother in our quiet village. The grim destroyer is indeed in our midst, and the Angel of Death has with noiseless step entered the halls of the rich as well as the cottage of the poor, plucked from thence the choicest buds and flowers, and carried them away to the silent mansions of the dead. But death moves a shining mark, and we are fain to believe that, through the sufferings and death of the Christ-child, these buds and flowers will bud and bloom again more brightly in the sunlight of heaven, never more to fade and die.

MATT BLEDSOE REPORTED KILLED.
The *Los Angeles Independent* says: "A party who was acquainted with the noted Matt Bledsoe while in the Oregon penitentiary, passed through this city during the week. He informed us that Bledsoe is dead—was shot in Prescott, Arizona, by a man named Slocum, about six weeks ago. Matt had been drinking heavily, and while in an intoxicated condition went into Slocum's saloon, raising and swearing, and commenced breaking the tumblers on the counter and smashing up the bar fixtures. Slocum commanding him to desist, and Bledsoe paying not the slightest attention to his commands, drew a revolver and shot him dead. We suppress the name of our informant, who witnessed Matt's death."

GRAND PRAIRIE GRANGE.—At a meeting of Grand Prairie Grange, No. 10, P. of H., for the annual election, held on Saturday last, the officers elected were as follows: Worthy Master, Wm. Anderson; Overseer, Thomas Froman; Lecturer, Mrs. Annie Reed; Treasurer, Olney Fry, Jr.; Steward, Reason McConnell; Assistant Steward, Frank Burkhardt; Assistant Steward, Mrs. Mary McConnell; Flora, Mrs. Susan Churchill; Pomona, Mrs. O. Froman; Ceres, Mrs. Doline; Gatekeeper, S. Froman. The members of the Lodge partook of a basket dinner, and spent a most enjoyable time.

BAPTIST SUNDAY SCHOOL CONVENTION.—A Baptist Sunday School Convention will be held at Oregon City on the third week in January, opening on Tuesday evening, Jan. 10th, and continuing two or three days. Some of the best speakers in the churches of Oregon are expected to present essays or addresses on living topics, which will be freely discussed by the convention. Churches are requested to send delegates, and all interested are invited to come. The hospitality of the church at Oregon City will be extended to all. W. Carey Johnson, Rev. J. T. Huff, Rev. D. J. Pierce, committee.

CHANGED HANDS.—Nearly or quite every bushel of wheat stored in this city last fall, has been sold within the last few days by the producer, either to our warehousemen or to houses below. The Farmers' Warehouse, Blain, Sox & Co., and probably others who purchased wheat, have sold, and are shipping below as fast as possible, we understand. Ere long the money for this wheat will be paid out, putting in circulation many thousands of dollars, relieving, at least to some extent, the stringency now prevailing in money matters here. Let us have a piece.

THE DIPHTHERIA AT BROWNSVILLE.—This malady has made fearful havoc of the young in Brownsville. No less than twenty children have died with it there within the last two months, all of them, with one exception, under ten years of age. The exception was a child of fourteen. There were five deaths between Friday of last week and Monday of the present week—three days. And instead of decreasing, the malady seems to be gaining in strength, and is now attacking older persons. Some families have lost as many as three children. It is proving a dreadful scourge, and the end is not yet.

LAST SATURDAY NIGHT.—The Young Folks and Old Folks had a wassail party at the residence of Dr. D. B. Rice. A young gentleman and lady were united in mock marriage, by Rev. H. W. Stratton, who, to his agreeable surprise, received the veritable marriage fee in coin. The happy couple, with their friends, took a long "bride" tower," walking from the Dr.'s residence to the O. & C. Railroad depot, where they took the cars, returning on the railroad switch to the street running south of the point from which they started. There was just besides of fun, the table was most homely supplied, the host and hostess, most affable and jolly, and everybody seemed to be on the top round of happiness.

DIRECTORS ELECTED.—Last Monday evening the stockholders of Linn Engine Co., No. 2, met at the house of the said Engine Co., and elected G. W. Gray, D. M. Thompson, J. F. McCoy, Frank Woods and A. B. Morris Directors for 1877. There was rather a slim attendance of stockholders, owing to the Christmas trees, ball, etc., on that evening.

TEMPERANCE.—Bart. H. Allen, State Deputy, I.O.G.T., will address the citizens of Linn county at the times and places mentioned as follows: Sodusville, on the evening of Jan. 23, 1877. Pleasant Valley School-house, evening, Jan. 31. Cyrus Grange Hall, evening, Jan. 4th. Jordan Valley, evening, Jan. 5th. He will organize lodges wherever desired.

JOBBING.—Jobwork has kept us busy during the week. We are turning out letter and bill heads, cards, circulars, etc., in neat style at reasonable low figures for coin.

LETTER FROM A TRAVELING CORRESPONDENT.
HALEY, OR., Dec. 25, 1876.
ED. REGISTER:—I arrived at this place on the 20th inst. After providing for my little horse, I bore my letter of introduction to Mr. Black, the gentlemanly Superintendent of the Grange Store at this place. His business was such that he really appeared not to have any time to devote to any one outside of his customers. This store is doing an immense business, keeping some four or five men busy waiting upon customers.

LINN COUNTY BIBLE SOCIETY.
Agreeable to previous announcement, a business meeting of Linn County Bible Society was held in the U. P. Church on Saturday evening, Dec. 23d, 1876. Rev. Dr. Irvine, presiding, Mr. J. Conner acting as Secretary.

The report of Mr. Foslay, Depository Agent, was submitted and approved. The report shows that the depository is well supplied with bibles and other books, which can be purchased at actual cost.

The meeting adjourned to attend annual meeting of the Society, appointed for Sabbath evening in the Court House. On Sabbath evening Dec. 24th, the Court House was closely filled with our citizens, there being no other church services, probably in the city. Rev. Dr. S. G. Irvine, President of the Society, in the chair. The exercises were opened with prayer, after which Rev. J. B. Bowersox, pastor of the Evangelical Church, made a very eloquent and able address in behalf of the distribution of the bible. He was followed by Prof. Powell, of Albany College Institute, Rev. T. B. White, pastor of the M. E. Church South, and Rev. P. C. Heizer, State Agent, in interesting addresses, after which a collection was taken up, which amounted, added to the books sold during the year, to \$88 33.

The committee appointed to nominate officers for the ensuing year, made the following report, which was adopted: President, Rev. H. W. Stratton. Vice President, Rev. J. P. DeVore. Secretary, Rev. J. B. Bowersox. Treasurer, Rev. T. B. White. Depository Agent, Mr. J. Foslay. Executive Committee—Rev. R. C. Hill, Dr. J. P. Tate, E. M. Miller, E. B. Pundom and L. H. Montague.

The meeting adjourned subject to the call of the Chairman of the Executive Committee. F. M. MILLER, Chr. Ex. Com.

THE PLACE.—If you want an elegant suit of clothing suitable for making New Years calls or to get married in, L. E. Blain has them, at a less price than you ever heard of before in this city. Go and ask Blain about it.
