OFFICIAL CITY PAPER

ALBANY, OREGON, JAN. 12, 1877. TAKE THE PAPER.

BY N. P. WILLIS.

Why don't you take the papers?
They're the light of my delight;
Except about election time,
And then I read for spite.

Subscribe! you cannot lose a cent;
Why should you be alraid?
For cash thus spent is money lent
At interest four-fold paid. Go, then, and take the papers

And pay to day, nor pay delay, And my word for it is inferred, You'll live until your gray. An old neighbor of mine,

While dying of a cough, Desired to hear the latest news While he was going off. I took the paper and I read Of some new pills in force; He bought a box—and is he dead?

I knew two men, as much allke

No-hearty as a horse,

As e'er you siw two stimis; And no phrenologist could find A difference in their bumps. One takes the papers, and his life Is happier than a king's; His children all can read and write, And talk of mon and things.

The other took no paper, and, While strolling in the wood, A tree fell down and broke his crown, And killed him-"very good."

Had he been reading of the news, At home like neighbor Jim, I'll bet a cent that accident Would not have happened him. Why don't you take the papers?

A paper every week. For he who takes the paper,
And pays his bills when due,
Can live in peace with God and man,
And with the printer too.

Nor from the printer sneak. Because you borrow from his boy
