Unsolicited Testimony.

FAIRFIELD, Me., April 28, 1874.

Gentlemen—Seeing numerous certificates in the *Maine Farmer*, endorsing the merits of the Great Lung Remedy, WISTAR'S BALSAM OF WILD CHERRY, I am induced and I take great pleasure in giving publicity to the great cure it accomplished in my family in the year 1856. During the summer of that year my son, Henry A. Archer, now postmaster in this place, was attacked with spitting of blood, cough, weakness of lungs, and general debility, so much so that our family physician gave him, to have a "scare," a medicine which, he said, from its medical treatment for a similar malady, on receive no benefit from it. Enough, from the solicitation of friends and others, I was induced to purchase one bottle of WISTAR'S BALSAM OF WILD CHERRY, which benefitted him so much I obtained another, which in a short time restored him to his usual state of health. I can safely recommend this remedy to others in like condition, for it is, I think, all it purports to be—THE GREAT LUNG REMEDY FOR THE TIMES!

The above statement, gentlemen, is my voluntary offering to you in favor of your Balsam, and is at your disposal. As ever, yours,

feb ANDREW ARCHER.

Disease Grows Apace,

Like an ill wind, and cannot be mastered too early. What is a trifling attack of sickness to-day may, if unattended to, become a serious case in a week. Small ailments should be nipped in the bud before they blossom into full blown maladies. If this advice was attended to, many a heavy bill for medical assistance might be avoided. When the liver is disordered, the stomach foul, the bowels constipated, or the nerves disturbed, resort should at once be had to that supreme remedy, Hostetter's Stomach Bitters, a few doses of which will restore healthy action and put the system in perfect order. It is a wise precaution to keep this incomparable preventive in the house, since it checks, with unrivalled promptitude, disorders which breed others far more dangerous, and in their latest developments are frequently often fatal. feb

Centaur Liniments.

[Letter from a Postmaster.]

ANTIOCH, Ill., Dec. 1, 1874.

MESSRS. J. B. ROSE & CO.:

GENTS: My wife has, for a long time, been a terrible sufferer from rheumatism. She has tried many physicians and many remedies. The only thing which has given her relief is Centaur Liniment. I am rejoiced to say this has cured her. I am doing what I can to extend its sale.

W. H. RING, P. M.

This is a sample of many thousand testimonials received, of wonderful cures effected by the Centaur Liniment. The ingredients of this article are published around each bottle. It contains Witch Hazel, Mandrake, Arnica, Rock Oil, Carbolic, and ingredients hitherto little known. It is an indispensable fact that the Centaur Liniment is performing more cures of swellings, Stiff Joints, Bruises, Rheumatism, Neuralgia, Sciatica, Caked Breasts, Lock-jaw, &c., than all the other Liniments, Embrocations, Extracts, Salves, Ointments and Pain Cures now in use.

For Toothache, Earache, Weak Back, Inflamed Cutaneous Eruptions, it is unfailable. It cures burns and scalds without a scar. Extracts of poisons from bites and stings, and heals flesh-bites and chilblains in a short time. No family can afford to be without the Centaur Liniment, white wrapper.

The Centaur Liniment, Yellow Wrapper, is adapted to the tough skin, muscles and flesh of the animal creation. It relieves such severe cases of Spavin, Sweeny, Wind Gall, Big Head and Poll Evil, are little less than marvelous.

Messrs. J. McClure & Co., Druggists, corner of Elm and Front streets, Cincinnati, Ohio, say:

"In our neighborhood a number of teamsters are using the Centaur Liniment. They pronounce it superior to anything they have ever used. We sell as high as four to five dozen bottles per month to these teamsters."

We have thousands of similar testimonials.

For Wounds, Galls, Scratches, Ringbone, &c., and for Screw Worm in sheep it has no rival. Farmers, livery-men and stock-raisers, have in this Liniment a remedy which is worth a hundred times its cost.

PITCHER'S CASTORIA.

Mothers may have rest and their babies ring for health, if they will use Castoria for Wind Colic, Worms, Feverishness, Sore Mouth, Croup, or Stomach Complaints. It is entirely a vegetable preparation, and contains neither mineral, morphine, nor alcohol. It is as pleasant to take as honey, and neither gags nor gripes.

DR. E. DIMOCK, of Dupont, O., says:

"I am using Castoria in my practice with the most signal benefit, and happy result."

This is what every one says. Most nurses in New York City use the Castoria. It is prepared by Messrs. J. B. Rose & Co., 46 Dey street, New York, successors to Samuel Pitcher, M. D., Bayonne.

"Hear, for I will speak of excellent things."

POND'S EXTRACT.—The great Vegetable Pain Destroyer, has been in use over thirty years, and for cleanliness and prompt curative virtues cannot be excelled.

CHILDREN.—No family can afford to be without Pond's Extract. Accidents, Bruises, Contusions, Cuts, Sprains, are relieved almost instantly by external application. Promptly relieves pains or Burns, Scalds, Excoriations, Chafings, Old Sores, Boils, Felons, Corns, etc. Arrests inflammation, reduces swellings, stops bleeding, removes discolorations and heals rapidly.

FEMALE WEAKNESSES.—It always relieves pain in the back and loins, fullness and pressing pain in the head, nausea, vertigo.

IN LEUCORRHŒA it has no equal. All kinds of ulcerations to which ladies are subject are promptly cured. Fuller details in book accompanying each bottle.

PILES—blind or bleeding—meet prompt relief and ready cure. No case, however chronic or obstinate, can long resist its regular use.

VARICOSE VEINS.—It is the only sure cure for this distressing and dangerous condition.

KIDNEY DISEASES.—It has no equal for permanent cure.

BLEEDING from any cause. For this is a specific. It has saved hundreds of lives when all other remedies failed to arrest bleeding from nose, stomach, lungs, and elsewhere.

RHEUMATISM, NEURALGIA, Toothache and Earache are all alike relieved, and often permanently cured.

PHYSICIANS of all schools who are acquainted with Pond's Extract of Witch Hazel recommend it in their practice. We have letters of commendation from hundreds of Physicians, many of whom order it for use in their own practice. In addition to the foregoing, they order its use for swellings of all kinds, Quinsy, Sore Throat, Inflamed Tonsils, Simple and chronic Diarrhœa, Catarrh, (for which it is a specific,) Chilblains, Frosted Feet, Stings of Insects, Mosquitoes, &c., Chapped Hands, Face, and indeed all manner of skin diseases.

TOILET USE.—Removes Soreness, Roughness, and Scratchings, Heals Cuts, Eruptions, and Pimples. It *refines, strengthens*, and *soothes*, while wonderfully improves the Complexion.

TO FARMERS.—Pond's Extract. No Stock Breeder, or Livery Man can afford to be without it. It is used by all the Leading Livery Stables, Horse Railroads and first Breeders in New York City. It has no equal for Spavin, Harness or Saddle Chafings, Stiffness, Scratches, Swellings, Cuts, Lameness, Bleeding, Pneumonia, Colic, Diarrhœa, Chills, Colds, &c. Its range of action is wide, and the relief it affords is so prompt that it is indispensable in every Farm-house, as well as every Farm-house. Let it be tried once, and you will never be without it.

CAUTION.—Pond's Extract has been imitated. The genuine article has the words Pond's Extract blown in each bottle. It is prepared by the only persons living who ever knew how to prepare it properly. Refuse all other preparations of Witch Hazel. This is the only article used by Physicians, and in the hospitals of this country and Europe.

HISTORY AND USES OF POND'S EXTRACT, in pamphlet form, sent free on application to POND'S EXTRACT COMPANY, 93 Maiden Lane, New York.

Resolved, That we recommend to all temperance men that they attend the primary political meetings in their respective precincts and use their vote and influence for electing delegates to the County Conventions who will favor the nominations of able, upright men pledged to proper restrictive legislation upon the temperance question.

Resolved, That we will unite with all law abiding citizens in earnest efforts to enforce existing laws for the restriction of the liquor traffic, and for the suppression of gambling and prostitution in our State.

Resolved, That we believe that the right of suffrage extended to the women of our country, on all questions concerning the liquor traffic, would facilitate its suppression and thus save the youth and manhood of our land.

After considerable debate in which some sharp cross-firing was interchanged, the report was adopted.

Alliance adjourned to 7 o'clock P. M.

AN INCIDENT.—Of a revival meeting held near Monroe, Benton county, recently, is thus related by a correspondent of the *Visitor*: "The pastor gave an opportunity for persons to speak. As the speaking was rapid and many spoke with great fervor, one lady, of deep piety and more than ordinary intelligence, arose and remarked, among other things, that Satan was opposing the success of the meeting in the person of three young men who had come there with bottles of whisky in their pockets. She then turned, facing the young men, and with streaming eyes, while pointing directly toward them, poured forth such a volley of intelligent and wholesome rebuke as I never before heard. The fact is, I never heard so powerful a sermon on temperance, as was delivered in those two minutes. A few more such temperance lectures will stop the Devil's work."
