PRESSED YERBA SANTA; OR, Mountain Balm, WHEN PREST PRESTED OF IN THEFE ENGWN WORLD FOR

COLDS, DISEASES OF THE THEOAT AND LUNGS, AND FOR ASTROLA AND HE BH E U NH A TO A S NE .

Selected and gathered on the spurs of the lerra Nevada Mountains. The leat found the hotter climates, when dry, contains fifty per cent, of resin or gold colored gum, the properties of which are stimulating and healing, and especially adapted to the wants of the system in case of Lung disease and Rheumatism.

The high estimate which the Spanish

placed mon it on account of its medicinal placed upon it on account of its incurcial qualities is manifest from the name they gave to it, many years ago—Yerbasanta, or "Herb of the Saints." The natives of Southern Oregon and Northern California have used it immemorially as a Rheumatic remedy. The white population in the reglon where it grows have used and prized it as a throat and lung medicine. For a Bluffs, Cal., says; "I have been acquaint-time they called it Lung Weed; but give sd with the shrub known as Yerbasanta. valuable testimonials as to its virtues in curing Rheunatism.

When you open one of our packages, keep it excluded from the air as much as

I have used it in my family for four or five years, and regard it as one of the best Mountain Balm, and chewed the leaf more family medicines we ever used. A theture is manufactured from it in Cincinnati, and sold at 75 cents per ounce. A slogle one of our prekages make eight ounces of months, my lungs still seem well.

A. B. C. from which this valuable medicine is gathered, is only found in a marrow belt of country in Southern Oregon, and along the Parker, and John Foshay

Sierra Nevada Monotains, and is supposed to have been gathered from Mount Gilead thousands of years ago, and the gum extracted and sold in Egypt and in Tire before the times of Solar
