THE WAR NEWS.
Gaily the paper man
Touched his guitar,
While he was reading the
News from the war—
Singing, "You bet your boots,
Now here'll be fun;
We don't care who it shoots,
War has begun."
He sang as how he knew,
Six months before,
There'd have to be a European war.
Now he was glad enough
That it had come,
And his heart laughed at the
Roll of the drum.
But when the Czar at last,
Arming his youth,
Sent Petrovichschav
Over to Pruth;
When Ibrahimshukus
Met Stobioleleft,
Sighed the newspaper man,
"Give us a rest."
No rest—for Khalifat-

LOCAL MATTERS.
The entertainment at the Opera House last Friday night was up.
Our Johnny is at Houston, Texas, in good health and spirits, busy as a bee.
The Indians arrested for highway robbery last week, were released after an examination before Squire Wolverton.
There was some excitement among farmers last week about chintz bugs, which were said to have appeared in some wheat-fields in the county.
SINGING CLASS.—Miss Nettie Piper is teaching a class in vocal music at the Central Schoolhouse each Wednesday and Saturday afternoons, commencing at 4:15.
SUNDAY SERVICES.—Rev. L. A. Banks, of Corvallis, will preach at the M. E. Church on Sunday next—morning and evening.
DISAPPEARED.—Some one, last week, kindly relieved Mr. Graham, our merchant tailor, of three handsome pantaloons pattern without ever saying so much as thank you.
A fringe that meets every requirement and satisfies every demand made upon it—the Richmond Range. It has no equal among stoves or ranges. The only place to get one is at W. H. McFarland's, next to the Bank.
TELEPHONE.—Major White last week erected a telephone connecting his jewelry shop and the Postoffice. It seems to work very well one way—from the P. O. to the jewelry shop—but not so well the other. However, experiments will probably cure the defect.
The Congregational entertainment and festival at the Opera House last Friday evening, owing to the extreme scarcity of money these days, did not pan out financially as its merits deserved. The entertainment was an excellent one, well calculated to please all. The music was especially good, and received universal praise. Receipts were only \$75 or \$80—they should have been much more.
SAD.—Mrs. Florence I. Peck, daughter of Joseph Nixon, Esq., died at her residence three miles south of this city on Saturday, May 26th, after a short illness. Deceased leaves a bright little babe but two weeks old. Mrs. Peck was 19 years old on the 10th day of May last. The burial ceremonies, on Sunday last, in charge of the Grangers, were impressive. The funeral cortege was very large indeed, one of the largest ever witnessed in this city. The body was deposited in the Albany cemetery.

TEMPERANCE MEETING AT ROBERT'S BRIDGE.—A grand temperance rally will take place on Saturday, June 16th. Hon. J. W. Watts, of Yamhill, Mrs. Dr. Thompson, of Portland, Col. Thos. Cann, of Salem, Rev. I. D. Driver, of Brownsville, Rev. J. S. McCain, of Eugene, Rev. Dr. S. G. Irvine, Prof. L. J. Powell and Miss Mary Powell, of this city, are invited and expected to be present and take part in the exercises. Everybody is invited to come and bring their baskets full of victuals. A large attendance is expected. Let's all go.
Regular Secretion Essential to Health.
The regular secretion and flow of the gastric juices, and of the bile which the Hostetter's Stomach Bitters promotes, are effects which conduce materially to the restoration of health, when the system is disordered. Food is not digested in the dyspeptic stomach because the gastric fluid is inefficient, superabundant or vitiated—the liver becomes congested and the bowels constipated because the supply of bile is inadequate or misdirected. The Bitters rectifies all this, and removes every ill consequence of non-assimilation and bilious irregularity. Furthermore, it stimulates the action of the kidneys, by which impurities are so speedily strained from the blood, and any tendency in the urinary organs to grow sluggish and disordered counteracted. Whether it be used as a means of regulating gastric or bilious secretion, or relieving the overloaded bowels, or to promote the regular secretion of the urinary organs, Hostetter's Bitters may be relied upon with confidence to accomplish the end in view.

RESOLUTIONS OF CONDOLENCE.
WHEREAS, In the wise providence of God our Sister, Rebecca Gibson, has been removed to the better land by death, which event occurred on the 12th of April, 1877; and
WHEREAS, By such removal the community in which she lived has been deprived of a valuable member; and
WHEREAS, The Lebanon Grange No. 21, in particular has lost a worthy and respected Sister, therefore,
Resolved, That the Grange wear the badge of mourning for thirty days.
Resolved, That we deeply sympathize with her bereaved family and relatives, but that they with us, rely upon the glorious promises of God for comfort and consolation.
Resolved, That these resolutions be spread upon the minutes of this Grange; also a copy be furnished the bereaved husband; also that copies be sent the ABRAHAM ROBERTS, Zeno and the Willamette Farmer, and that they be requested to publish the same.
R. S. ROBERTS,
SARAH SALTMAHER,
A. R. SIMONS,
Committee.
LEBANON, May 26, 1877.

On the 24th of last month Queen Victoria was fifty-eight years old.
One More Unfortunate.
Almost every day the papers chronicle the suicide of some poor unfortunate whose mind has been afflicted by dyspepsia, over whose earthly horizon a heavy gloom has gathered from the untold and untellable agonies of this cruel complaint. Dyspepsia is one of the most depressing diseases afflicting humanity. It is cosmopolitan in its nature—no country is exempt from its visitations, no family free from its attacks. There is balm in Gilead: it comes in the shape of the Peruvian Syrup. For years it has been scattering its blessings abroad. There is, probably, no disease which experience has so amply proved to be remediable by the Peruvian Syrup as Dyspepsia. The most inveterate forms of this disease have been completely cured by this medicine, as ample testimony of many of our first citizens prove. Sold by all druggists.
HUNDREDS of people have been permanently cured of the Piles by using Pond's Extract. Half a teaspoonful should be taken three times a day, and the parts bathed freely. A compress, wet with it, and kept in place by a bandage, will prove beneficial. In extreme cases, half an ounce or more may be injected night and morning when the piles are internal.

"OLD RELIABLE."—There are many reputed remedies for that very prevalent disease, Chronic Nasal Catarrh, but none so well known standard preparations, except Dr. Sage's Catarrh Remedy. It continues to enjoy an unprecedented popularity. The reputation has been earned through having proved itself a specific in the worst forms of the disease. Pierce's Pocket Memorandum Books are given away at drug-stores.
The Salem Statesman appears in a new dress, and is much improved.
A great many sheep have been killed this spring by bears on the Calapoos above Oakland.
Last week Thos. Dixon started for Eastern Oregon from Douglas county with 500 head of cattle.
William Lambert, who was crushed by the fall of a pile of lumber at Dayton, on the 16th inst., died some days ago.
T. L. Davidson, of Marion, has resigned as secretary of the State Grange, and N. W. Randall, of Clackamas, has been appointed.
Baker Democrat: We understand that parties in Union county are trying to make arrangements to start a new paper at Union.
There is talk of erecting a fruit dryer at Monmouth.
A. A. Cho of Portland has purchased the ranch at the penitentiary held by Ray, Friedman & Co., of Salem.
The "Annual Christian Co-operation of Oregon" will be held at Monmouth, beginning on Thursday, 14th inst.
Ten per cent. of all subscriptions for the Yaquina railroad, whether money, labor or material, must be paid within 30 days.

THE RAILROAD MEETING AT LEBANON.—We are informed that the railroad meeting at Lebanon, held on Thursday of last week was largely attended and very enthusiastic. The citizens of Lebanon and vicinity are fully alive to their interests in the matter of railway connection with Yaquina Bay, and now that Benton county is fully and thoroughly aroused and determined to build a road from Corvallis, on the Willamette, to Yaquina Bay, on the Pacific ocean, they are determined also to have a share in the benefits of cheap and certain transportation facilities to tide-water, by building a line of road from Lebanon to connect with the Yaquina Bay railway at Corvallis. A committee was appointed to go to Corvallis and confer with the Board of managers of the Railroad Company. After the necessary preliminaries were arranged, the right of way was to be secured, when the road would be graded and tied from Lebanon to the banks of the Willamette river opposite Corvallis. An estimate, the citizens of that portion of Linn county, almost to a man, are sanguine that the road can be built, and are fully determined to enter upon the work at once. They would prefer that the road should be built to Albany and thence to Corvallis, although a somewhat longer and more expensive route, and they ask our business men and citizens to take hold and aid in the matter. The road by all means should run through this city—we can not afford to let it go by. Should it be deemed expedient to cross the Willamette and continue the road to Corvallis through Benton county, instead of running up the river on this side, a double bridge could be built that would accommodate both railroad and teams. We are feeling the need of a bridge across the river at this point more and more every year, and it would be of vast benefit to this city. We hope our citizens will take hold of this matter in earnest, and when they do the road will be built clear through to the Bay.
