Mountain Balm, THE BEST REMEDY IN THE KNOWN WORLD FOR COLDS, DISEASES OF THE THROAT AND

LUNGS, AND FOR ASTHMA AND RHEUMATISM.

Selected and gathered on the spurs of the Sierra Nevada Mountains. The leaf found in the hotter climates, when dry, contains titty per cent. of resin or gold colored gum. the properties of which are stimulating and healing, and especially adapted to the wants of the system in case of Lung disense and Rheumatism. The high estimate which the Spanish

placed upon it on account of its medicinal qualities is manifest from the name they gave to it, many years ago-Yerbasanta, or "Herb of the Saints." The natives of Southern Oregon and Northern California have used it immemorially as a Rheumatic remedy. The white population in the region where it grows have used and prized it as a throat and king medicine. For a time they called it Long Weed; but give valuable testimonials as to its virtues in

curing Rhenmatism. When you open one of our packages, keep it excluded from the air as much as

I have used it in my family for four or five years, and regard it as one of the best family medicines we ever used. A tincture is manufactured from it in Cincinnati, and sold at 75 cents per ounce. A single one of our packages make eight ounces of tincture, which is worth \$5. The shrub

from which this valuable medicine is gath-ered, is only found in a narrow belt of country in Southern Gregon, and along the The For sale at the drug stores of Bell & Parker, and John Foshay. 7v9 1. 540.5
