Day Sizs—I have been using the Emerson & Fisher Buggy I bought from you as roughly, I suppose, as any one could. I had a fast horse, drove him at full speed, temetimes with two kedies and myself in the buggy, and it is to-day worth all the money I paid for it. I say the Emerson & Fisher Buggles will do.

Physicians, and others requiring hard and constant use, has led to an increased demand from those localities, to meet which the manufacturing facilities of their hasmonian establishment have been extended, anabling them now to turn out in good style.

"A Republican's Complaint."

The article in last week's Democrat under the above heading, makes a few mistakes, as we shall proceed to point out : First As the motion whereby the city printing was given to the Democrat was Illegal, in this, that there was and is a city ordinance requiring that the City Recorder scivertiss for bids for the execution of the city prints ing, the City Council had the right to reconsider said motion, and order that the City Recorder give notice, in accordance with said ordinance, fren and now in torce. This was done, and the REGISTER, having the lowest bid, was given the contract for flie year. The city is virtually getting its printing done for nothing under the present contract. Second—The Mayor, in voting against the motion to reduce the emotion ments of the City Treasurer for the present year to one-half the usual fees, voted to save the city a law-suit, at a probable cost of two or three times said fees, his opinion. gathered from repeated decisions of the Courts, being that no legislation could be taken by the present Council lowering the emolitments of the present Treasurer. Third—The communication was not written by a Republican, and therefore is a misnomer, as there isn't a man in the Republican party of this city who would be guilty of making such an ass of himself as to write such a screed. printing done for nothing under the present

Greenback Coun y Convention. The Greenback Convention assembled in this city on Thursday of last week, organized and, as there seemed to be a misunderstanding as to the time of holding the Convention, some understanding it was to be held on the 13th and others on the 16th, it was adjourned to Wednesday. Hou, John T. Crooks was elected Chairman, Messrs. Leeper and Snodgrass as Secretaries. The Convention met on Friday morning, adopted a platform and flomfnated the following ticket : State Senator, J. T. Crooks; Representatives, J. H. Wilson, C. Snodgrasa, J. Forgy, D. Meyess, M. Comira and R. Fox; Comity Judge, W. J. Stewart; Clerk, J. L. Fuller; Sheriff, James Crabtree; Treasurer, John R. A County Central Committee was appointed consisting of Dr. Hendrex, Chairman, W. J. Stewart, F. M. Dannals, James Forgy and Fletcher Crabtree.
