For particulars concerning stady and the price of tuttion Rev. ELBERT N. C

The pretty red rose is an emblem of "love;" The snowball "thoughts of heaven" above; The honeysuckle limilies "I dream of thee," And rosemary, always, "remember me."

Language of Flowers.

A d they tell in a garland their loves and care Each flower that blooms in their garden bower On its leaves a mystle language bears."

— Pretro

In Eastern lands they talk in flowers,

"My only hope," the American cowslip; "Declare your love," says the fullp tree, And juniper replies, "I live for thee." Gloxinia tells of "libve at first sight;" Sweet pea says "Meet me by moonlight;" Dead leaves indicate "a beavy heart;" Varlegated pink, "Forever we part."

Let us be triends," says the trumpet flower, Primrose answers, "Your friend for an hour. Plum bloom says, "Keen your word." And lose geranium, "Thou art preferred." Apple bloom asks, "Wilt thou be mine?" Peach bloom replies, "My heart is thine." The dandelion is "a gay coductte,"
And "modesty" dwells with the white violet Sweet William says, "Let our friendship end," Snowdron sighs softly, "I'm not a summer friend." friend."
Balkoon vine proposes to "Kiss and make up,"
But "ingratitude" dwells in the bright butter-

I surn oun difficulties, "is the mistletoe's song: Woodbing's chorns, "I have loved thee long." The II ac thrills with "love's first emotion." And heliotrope implies only "devotion." Petunia siys, "Your presence scothes me;" fee plant rep.lies, "Your looks freeze me." White rose whispers, "My heart is free," And white clover ever "thinks of me."

ensitive rose, like a protty coquette, av., "Too young to leave my mother yet." Mine through sunshine, storm, and snow s written all over the purpetual rose.

Blue irjs brings "a message for you." Forget me not denotes "love" tender and true. Blue violet is "fait frulness;" harebell "grief;" And passion flower happy in "religious belief." "Our souls are one," says the behutiful phlox;
"Constancy" abi-ics with pretty dwarf box.
Or "love in a cottage" Por ulacca doth tell.
And "grafitude" is found in Cimterbury bell.

Bonds is expressed by blue morning glery ; "Nobility of character" by magnolia grandiflora. The amaunth denotes "unfading love," And "insincerity" blights the pretty foxglove. "True friendshi; " is found in Virginia stock. "Compassion" attends the blee-ling-heart. And scarlet pea asks, "Must you depart?"

We find "finclantion" always in fern.
"Sympathy" in laim, an ! "ffo" in lucerne. We find "faculation and "life" in lucerne.
"Sympathy" in laim, and "life" in lucerne.
Then guider a wreath from begarden bowers,
And tell the wish of thy heart in dowers.

—C deago Ledger.

Political Points.

Washburne, says the Cincinnati Commerial, has tried to throw away his popular-

Henry Watter-ou's idea about Tilden

healthy, but just healthy enough. An exchange says that the impression is general that Tiblen holds both bowers and the ace. It seems to be forgotten, however,

that Kelly holds the "joker." Washburne says iffut he is for Grant, first, last, and all the time, repudiating all combinations with other candidates, and will not be a candidate under any circum-

polls, Ind., the first vote ever polled by a Physician and Surgeon. Chinaman in Indiana has cast. He was conducted to the ballot box by a colored

> The Chicago Times says : "It is quite maintained to Cincinnati, which is in ecordance with the Tildeii programme. If he cannot secure his own nomination he can more readily name the man."

The editor of a western amateur journal having been criticised by one of his contemporaries for writing fiercely upon polities in his little newspaper, defends himself by saying: "Our attacks upon the spirit of he thing, and it was about time Pictorial Painting. Democracy have vastly benefited us without materially injuring that party."

The Presidential situation is thus summorized by "Gath": "Hancock's prospects looks a little clouded for the Democratic commutation, though his friends are More trouble is likely to tollow. steadfast. Bayard and Jewett are both supported by a considerable number of enthusiastic Democrats. Field has no following that I can see in New York. Thurman is considered as having some chance. Tilden's health continues to improve as his opponents die off."

An American medical man was called one day to see a youth aged eighteen, who had been struck down insensible by the tracture of the skull back of the left temple. The skull was trephined and the loose tragments of bone that pressed upon the brain were removed, whereupon the patient came to his sense. The doctor thought it a good opportunity to make an experiment as there was a hole in the market house, and had a prescription made skull through which he could easily make pressure on the brain. He asked the boy a question, and before there was time to answer it he pressed firmly with his floger upon the exposed brain. As long as the pressure was kept up the boy was mute, but the instant it was removed he made "No ma'am," said the clerk, but you reply, never suspecting he had not answer ed at once. The experiment was repealed several times with precisely the same result, the boy's thoughts being stopped and started again on each occasion a easily and certainly as the engineer starts and stops his locomotive. - Popular Science Monthly.
