What England's Wars have Cost in Three Years, Etc., Etc.

In the house of commons on the 17th the Marquis of Hartington, secretary of state of India, submitted Indian estimates for the fiscal year of 1880-1881. Receipts are placed at \$66,746,000; expenditures, \$66,829,000—a surplus of \$417,000, showing a decrease of \$1,000,000 on each side of the account as compared with 1879-1880.

About Fleas.

Just now fleas are fashionable. Everybody has them. There is no prejudice against the flea on account of his color. If the flea was perfectly white, people could be more familiar than they are.

A Notable Death.

The death of Viscount Stratford de Redcliffe, or Stratford-Canning, as he was called in the days of his prime, is one worthy of remark.

receive him, or at any rate treated him with such disdain that he asked to be recalled, and was. Mr. Canning immediately appointed him Minister at the Porte, and there he remained till the close of the Crimean war, always a sharp thorn in Russia's flesh, and during that war and at the treaty settlement a greater power for the humiliation of the pride of Czar Nicholas than all the armies of the allies and all the other diplomats of Europe.

The Meaning of Reconciliation.

What is the meaning of this "reconciliation?" Why is "the south" not "reconciled?" Is "the north" to be forgiven? Is "the south" gravely to play in the union the part of John Kelly at Cincinnati and pardon the loyal country? The democratic tactics are the madness of sectionalism.

Wade Hampton's Speech.

The N. Y. Tribune prints side by side two reports of Wade Hampton's speech at Stanton, July 26th. One is taken at the time and printed in the Stanton valley Virginian, and recently put forth as endorsed by Hampton.

Oregon's Advantages.

During the last decade the population of Oregon has increased 93 per cent, and that of California something over 60. The difference has been caused by the San Francisco monopolists.

Alabama has repudiated \$28,500,000 of its public debt; Arkansas, 18,300,000; Tennessee, \$22,800,000; North Carolina, \$44,300,000, and other equally sound and solid democratic states greater or less sums.

The question of moving the capital of Idaho from Boise to Blackfoot is being agitated. This latter place is located in Oneida county, within one mile of Snake river, and about two from Blackfoot river on the line of the old emigrant road.

The Powers which have been sitting in judgment on Turkey promise soon to be engaged in a general row. France has chosen the latter part of valor, and insists that moral suasion shall not be overstepped in dealing with the Turk. She wishes to be neutral in case of trouble, so that she may husband all her energies and fall upon Germany at the first opportunity.
