1 Mechanic's Wife Receives a Legacy of \$35,000,000-The Richest Woman in America.

The fickleness of fortune is well illustrated in the experience of a worthy sipal and Agent; member of Wilbur family in this city, who have suddenly found themselves raised from that condition in society where people are said to live in "moderate circumstances" to the highest pinnacle of wealth. The facts are these: Mrs. Ella Walker, residing at No. 100 Maple avenue, is a woman of English birth. Her husband (who is a machinist by trade) and herself have resided here for a number of years, and have several children. It was reported some months ago that a large property, valued at thirty-five millions of dollars, C. had fallen to Mrs. Walker's father, as a direct heir, and he being dead, that the

Steps were at once taken to ascertain the truth of this report, and ex-Governor T. H. Seymour was employed to investigate. The result of his investigation is entirely favorable to Mrs. Walker, docu-Monticello and St. Helens-J. H. B. ments having been received which show beyond question that she will come into possession of this immense property, and she, together with her husband and children, will start for England next week to receive the golden egg ..

We congratulate Mrs. Walker and her family upon their good fortune. She will be, when in full possession of her property, the richest woman in the United States. But she is said to be a woman of good sense, and will not place herself beyond the reach of those who have been her friends during the years she has lived here; already we learn that it is her purpose to make one family at least, in whom she is interested, independent of want; and we shall probably be called upon hereafter to chronicle other charitable deeds which her generosity will prompt .- [Hartford (Conn.)
