Ayer's SARSAPARILLA

THE WORLD'S GREAT REMEDY FOR Scrofula and Scrofulous Disea From Emery Edes, a well-known merchant of On-ford, Maine.

"I faive sold large quantities of your Sarsar & BILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our skeple try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustales, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robt, Stratton, Bristol, Edipland.

"I only do my duty to you and the public, when I add my testimony to Just you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged tem had an afflicting, humor in her cars, eyes, and half for years, which we were usable to cure until we tried your Sarsaparilla. She has been well for some months."

cure until we tried your Sarsaparilla. She has been wall for some months."

From Mrs. Jane E. Rice, a well-Ricen and muchesteemed taly of Dennisville, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous cruption, which was very troublesome. Nothing afforded any rolef until we tried your Barsaparilla, which soon completely cured heg."

From Charles P. Gage, Esg., of the widely-known Gage, Murray & Co., manufacturers of enumetted papers in Nashua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affilction. I tried almost every thing a man would of both advice and medicine, but without any relief whatever, with I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new kin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."

Elegan — General Debility—Purify the

Blood.

From Dr. Robt. Samin, Houston St., New York.

"Dr. Ayen. I seldom fail to monove Eraptions and Screptions Sores by the persevering use of your Sarsapanilla, and I have just now cared an attack of Malignant Erapipelus with the No alterative we possess equals the Sarsapanilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years, I had the yellow Erystpelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The alers were so but that the cords became visible, and the doctors decided that my arm must be ampulated. I began taking your Sarsapanilla. Took two bottles, and some of your Palls. Together they have cared me. I me now as well and sound as my body. Being in a public place, my case is known to every body in this commanity, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Parliament.

"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted." St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes. From Harvey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was sits cade by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician spalied mitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sarsaparella, and applying the indide of potash lotion, as you direct. The sure began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come

the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die." Syphilis and Mercurial Disease. From Dr. Rivam Stoat, of St. Louis, Missouri,
"I find your Sansapanilla a more effectual
remedy for the secondary symptoms of Syphilis
and for syphilitle disease than any other we possess.

best medicines we have."

From A. J. French, M. D., on eminent physician of Lawrence, Mass., who is a prominent member of the Legislature of Massucanskits.

"DR. AYER. My dear Sir: I have found your SAUSAPARILLA an exception remedy for Syphilis, both of the primary and secondary type, and effectual in some cases that were too obstante to yield to other remedies. I do not know what we can employ with more certainty of success, where a powerful alternative is required." Mr. Chas. S. Van Liew, of New Branswick, N. J., had dreadful pleers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of ATER'S SARSAPARILLA relieved him. Few cases can be found more inveterate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhees, Whites, Female Weakness, are generally produced by internal Scrojulous Ulceration, and are very often cured by the alterative effect of this Sarsaparilla. Some cases require, however, in aid of the Sarsaparilla, the skilful application of local remedies.

From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati.

"I have found your Sarsaparilla an excellent alterative in diseases of females. Many cases of Irregularity, Leworrhees, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly sided by local treatment."

A lasty, unwilling to allow the publication of her name, writes: "My daughter and myself have been cured of a very dehilitating Leucorrheet of long standing, by two bottles of your SARSAPARILLA." Rheumatism, Gout, Liver Complaint, Dys-pepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARITIA.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.
