To the Humane and Patriotic.

Appalling accounts of the sufferings of the people of the Southern States from famine and destitution, call urgently on the benevolence of the nation for prompt and adequate relief.

Death is already at work among the sufferers. The horrors of starvation press upon thousands in wide districts of the country. To many the promptest action may come too late. Multitudes can only be saved by immediate benefactions, and their continuation till the harvest is gathered. The Atlantic States and California are moving. Oregon will do her part.

A meeting of the citizens will be held at the Court House, in Albany, on Monday evening next, at 7 o'clock, to form a Southern Relief Society and contribute to the relief fund.

It is suggested that similar meetings be held in each precinct of the county, and auxiliary societies organized, on the first Monday of May or as soon as practicable.

WM. MONTEITH, J. C. POWELL, E. F. RUSSELL, E. R. GEARY, W. W. PARRISH, N. H. CRANOR, J. NORCROSS, GEORGE R. HELM, A. COWAN, R. C. HILL, JOHN CONNER, AND MANY OTHERS.

A BILK.—Last Saturday evening a "Prof. J. Compton M. D." delivered a "Lecture to Gentlemen only," in the Court House, on the "Physical Causes that lead to divorce, or the Separation of Husband and wife." We stepped in expecting to be sold and were not at all disappointed. He is one of the most arrant blackguards and bilks that ever humbugged any people. Besides this, we regard him as a corrupter of public morals; and believe that he should be arrested as such. He unblushingly proclaims his own infamy by narrating facts concerning his own wives (he says he has had three) that every man of true sensibility and honor would keep locked in his own bosom forever. We listened to him for a while; but when he coolly advised boys and youth to enter upon a course of licentiousness, we left. His influence is baleful and pestiferous in the extreme; and instead of being countenanced he should be shunned and denounced by every community he may visit.

PACIFIC COAST BUSINESS DIRECTORY.—Such is the title of a work just placed in our hands for inspection. It contains the name and post office address of each merchant, manufacturer and professional man residing in the States of California, Oregon and Nevada; the Territories of Washington, Idaho, Montana and Utah; and the Colony of British Columbia. Also a Gazetteer of the cities, towns, and counties, and an Exhibit of the resources of the Pacific coast. Compiled by Henry G. Langley, Editor of the California State Register, State Almanac, &c.—This is one of the few works we can most heartily recommend. It is brimfull and running over with useful, statistical information on almost every subject of importance relative to this Coast. We most cordially recommend it to the people of Oregon. We understand that the agent for Linn county, S. D. WHITTAKER, will commence to supply subscribers here in a few days.

NEW HOTEL.—We learn that our townsmen, Messrs. Sprenger and Montgomery—the former of the Pacific and the latter of the City Hotel—have it in contemplation to build a large and commodious brick Hotel during the ensuing summer and fall; provided they can have that encouragement from property-holders which such an undertaking should receive. A hotel of the kind they contemplate erecting would more or less benefit the entire city; and it would cause property in its immediate vicinity to rise from one-sixth to one-half its present value. We have seen this thing done on four several occasions in our lifetime. Men of means should not be backward in encouraging this enterprise. To encourage it is to consult their best interests.

NEW MILLINERY GOODS.—Mrs. Paxton recently returned from San Francisco, and has brought to Albany an assortment of Millinery Goods, which,—we are told by several ladies in whose judgment on such matters we place implicit confidence—are most excellent, fashionable and *recherche*; and what is more and better for Mrs. P., they are being sold very rapidly.

MARBLE YARD.—Any one needing anything like marble monuments, grave and tomb-stones, pedestals, slabs, mantel pieces, and in fact marble work of all kinds, can be accommodated by calling on Phillip Miller, Albany. We speak advisedly when we say that the most beautiful sculpturing, and the finest lettering we have ever seen in Oregon we have seen at his shop.

☞We learn from a private letter written by Col. J. K. Kelley, to citizens of this place, that the remains of Maj. J. F. Miller (formerly of this place), were embarked at San Francisco, on the steamer Idaho, on the 20th inst., and are expected to arrive here for interment on next Tuesday's boat.

LEFT FOR MONTANA.—Rev. L. B. Stateler, who for some months past has been living in Linn county, started last Tuesday for Montana Territory. He goes overland, taking his family with him. We trust that the pure mountain air of that country will restore him to his usual health and vigor.

CONGO TROUPE.—This Troupe will give one of their Concerts to-night at the Court House. They are well spoken of by the press, and we have not much doubt that they are good. To laugh is healthy, and there is nothing to us more laughable than witnessing a good negro performance.

☞The Eagle mills at Brownsville, are paying twenty-three cents per pound, coin, for wool. This, we understand, is a little higher than has yet been offered by any other wool-buyers.

REMOVAL.—Beach and Monteith have recently moved from their old stand, corner First and Ferry streets, to the new brick store adjoining that occupied by Barrows & Co.

NOTICE.—The Board of Managers of the State Agricultural Society will meet at Salem, on Wednesday, May 29th, at 8 o'clock A. M. in the State Library room, for the purpose of taking into consideration the changing of the time of holding the State Fair for 1867; changing the rules for competing; to take into consideration the Clackamas county claim and to transact any other business of the Society that may come before the Board. A full attendance of the Board of Managers is requested.

Called as per request meeting of State Society held in Salem March 11th, 1867.

By order of the President.

A. C. SCHWATKA, Corresponding Sec'y.

☞Elder Martin, a Baptist minister, will preach at the Independent School House next Sunday evening, commencing at early candle-lighting.

☞It will be seen by Dr. Whittemore's card, that he proposes practicing his profession in Albany and vicinity.

SPECIAL NOTICES.

☞**Medical Advice.**—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural effect of such a cause. We are personally acquainted with gentlemen who have suffered for years under chronic disease, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time has given them entire relief. It is gratifying to announce this fact, because the Doctor is a gentleman who seeks, not by defamation of others, to establish his reputation, or to rear the superstructure of his own upon the ruin of an another's fame. The Doctor conducts his Institute in such a manner that must be gratifying to all his patients.—He examines, advises and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertains to that confidence. Persons afflicted with either accute or chronic diseases, would do well to consult him. For consultation he asks no fee, nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—[S. F. News.

ADVERTISEMENTS.

S.T-1860-X.

Persons or sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated PLANTATION BITTERS, which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supercede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate.
They create a healthy appetite.
They are an antidote to change of water and diet.
They strengthen the system and enliven the mind.
They prevent miasmatic and intermittent fevers.
They purify the breath and acidity of the stomach.
They cure Dyspepsia and Constipation.
They cure Liver Complaint and Nervous Headache.
They make the weak strong, the languid brilliant, and are exhausted nature's great restorer.—They are composed of the celebrated Calisya bark, wintergreen, sassafras, roots and herbs, all preserved in perfectly pure Ct. Croix rum. For particulars, see circulars and testimonials around each bottle.

Beware of impostors. Examine every bottle.—See that it has our private U. S. stamp unmutilated over the cork, with plantation scene, and our signature on a fine steel plate side label. See that our bottle is not refilled with spurious and deleterious stuff. Any person pretending to sell Plantation Bitters by the gallon or in bulk, is an impostor. Any person imitating this bottle, or selling any other material therein, whether called Plantation Bitters or not, is a criminal under the U. S. Law, and will be so prosecuted by us. The demand for Drake's Plantation Bitters, from ladies, clergymen, merchants, &c., is incredible.—The simple trial of a bottle is the evidence we present of their worth and superiority. They are sold by all respectable druggists, grocers, physicians, hotels, saloons, steamboats and country stores. P. H. DRAKE & CO.

Barnes' Magnolia Water.

A toilet delight! The ladies' treasure and gentlemen's boon! The "sweetest thing" and largest quantity. Manufactured from the rich Southern Magnolia. Used for bathing the face and person, to render the skin soft and fresh, to prevent eruptions, to perfume clothing, &c.

It overcomes the unpleasant odor of perspiration.
It removes redness, tan, blotches, &c.
It cures nervous headache and allays inflammation.
It cools, softens and adds delicacy to the skin.
It yields a subdued and lasting perfume.
It cures musquito bites and stings of insects.
It contains no material injurious to the skin.
It is what every lady should have. Sold everywhere. Try the Magnolia Water once and you will use no other Cologne, Perfumery, or Toilet Water afterwards. DEMAS BARNES & CO., Props. Exclusive Agents, N. Y.

Sold by all Druggists and Dealers on the Pacific coast.

Lyon's Kathairon,

It is a most delightful Hair Dressing.
It eradicates scurf and dandruff.
It keeps the head cool and clean.
It makes the hair rich, soft and glossy,
It prevents hair turning gray and falling off.
It restores hair upon prematurely bald heads.
It is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load, and yet its almost incredible demand is daily increasing, until there is hardly a country store that does not keep it, or a family that does not use it.

E. THOMAS LYON, Chemist, N. Y.

Lyon's Extract Ginger.

Lyon's Extract of Pure Jamaica Ginger—for Indigestion, Nauses, Heartburn, Sick Headache, Cholera Morbus, Flatulency, &c., where a warming stimulant is required. Its careful preparation and entire purity make it a cheap and reliable article for culinary purposes. Sold everywhere, at 50 cts per bottle. Ask for "LYON'S" Pure Extract. Take no other.

Lyon's Flea Powder.

The effect of Lyon's Magnetic Insect Powder is almost instantaneous death to everything of the insect species. Fleas, particularly, cannot live where it is. It is most wonderful in this respect, being entirely harmless to the human family.—Many worthless imitations are offered. Be particular and receive none but Lyon's. Each flask of the genuine bears the signature of E. Lyon and the stamp of DEMAS BARNES & Co.

Mustang Liniment.

Have you a hurt child or a lame horse? Use the Mexican Mustang Liniment.

For cuts, sprains, burns, swellings and caked breasts, the Mexican Mustang Liniment is a certain cure.

For rheumatism, neuralgia, stiff joints, stings and bites, there is nothing like the Mexican Mustang Liniment.

For spavined horses, the poll-evil, ringbone and sweeney, the Mexican Mustang Liniment never fails.

For wind-galls, scratches, big-head and splint, the Mexican Mustang Liniment is worth its weight in gold.

Cuts, bruises, sprains and swellings, are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.

It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor and should never be dispensed with.

"In lifting the kettle from the fire, it tipped over and scalded my hands terribly. * * * The Mustang Liniment extracted the pain, caused the sore to heal rapidly, and left very little scar.

CHAS. FOSTER, 420 Broad St., Philada.

Mr. S. Litch, of Hyde Park, Vt., writes: "My horse was considered worthless, (spavin) but since the use of the Mustang Liniment, I have sold him for $150. Your Liniment is doing wonders up here."

All genuine is wrapped in steel plate engravings, signed, G. W. Westbrook, Chemist, and also has the private U. S. stamp of DEMAS BARNES & Co over the top. Look closely. Sold by all Druggists, at 25, 50 cts, and $1 00. se8 v2n4 1y

He will soon complete some important improvements, which will add greatly to its appearance and comfort, and intends to merit and hopes to receive his share of patronage.

He has secured the services of "Charley" (known to be the best cook in Salem, and one of the best in the whole country), and other competent persons to manage the culinary department, and is resolved to set as good a table as can be found anywhere—not in clap-trap, pomp and show, flummery and fine furniture, but in an abundant supply of the very best the market affords.

His Bar-Room will be kept warm and lighted, and well supplied with newspapers, periodicals and other suitable reading matter, and kept in a manner which will make it an agreeable resort.

In short, he intends making an effort to please ALL who stop at the BENNETT HOUSE. And he most respectfully requests his friends everywhere to give the old and well known stand at least one more trial before concluding they can do as well elsewhere, and promises if they are not well treated, and properly cared for, *and at reasonable figures*; it will not be the fault of the public's most obedient and most humble servant,

PERRY DAVIS'

VEGETABLE

PAIN KILLER!

WE BEG LEAVE TO CALL THE ATTENtion of the public to this long tested and unrivalled

Family Medicine.

The PAIN KILLER is a purely vegetable compound, and while it is a most efficient Remedy for Pain, it is a perfectly safe medicine even in the most unskillful hands for

Summer Complaint,

or any other form of bowel disease in children or adults; it is an almost certain cure, and has without doubt been more successful in curing the various kinds of

Cholera

than any other known remedy, or even the most skillful physician. In India, Africa and China, where this dreadful disease is ever more or less prevalent, the

Pain Killer

is considered by the natives, as well as European residents in those climates,

A Sure Remedy.

As a Tonic for the Stomach, it is unrivalled. A few doses will relieve severe cases of

Indigestion,

and it is often a perfect cure for

Dyspepsia

in its most aggravated forms. Its tonic and stimulating properties, arousing the system to vigorous action, render it a most effectual cure for

Colds and Coughs,

when used according to directions.

For external application, it is unsurpassed by any medical preparation known.

Rheumatism

and Neuralgic Affections are quickly relieved and often cured by it. Any soreness in the Muscles or Joints can be relieved by its application. It cures instantly the most violent.

Toothache,

It should always be kept near at hand, to be used in cases of severe

Burns or Scalds.

If applied immediately, according to directions it will give instant relief, and prevent blistering.

It is peculiarly adapted to the wants of

Seamen,

and persons making sea voyages, and no vessel should sail without a supply of it. One captain writes us: "I have made several voyages—often with emigrants—and though I keep a good medicine chest, and have several times had a good deal of sickness on board, I have found the Pain Killer so efficient in all cases, as to entirely preclude the use of all other medicines."

One positive proof its efficacy is, that the sales have constantly increased, and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in cases of of Colds, Cough, Bowel Complaints, Cholera, Dysentry and other affections of the system, has been truly wonderful, and has won for it a name among the medical preparations that can never be forgotten. Its success in removing Pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of insects and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century. The magical effects of the Pain Killer when taken or used according to directions, are certain. You have only to be sure that you buy the genuine article and adhere to the directions in its use, and you will admit its wonderful medicinal properties.

The genuine Henry Davis' Pain Killer is now put up in pannel bottles with the words Davis Vegetable Pain Killer blown in the glass; and with two steel engraved labels on each bottle—one an excellent likeness of Perry Davis, the original inventor of the medicine, the other a steel engraved note of hand—none others can be relied upon as genuine.

The Pain Killer is sold by Druggists and Grocers.

GENTLEMEN:—The Portable Steam Saw Mill which we purchased of you last spring, for Pen d'Oreille Lake, has been in operation during the past season, and has more than met our expectations in its performance. With three men, we turn out three to four thousand feet, and with five men, five thousand feet per day of ten hours; and we take pleasure in recommending these mills as the most SUBSTANTIAL, DESIRABLE and PERFECT MILLS IN USE, and especially adapted to the wants of this country, on account of their compact form, ease of transportation, and the facility with which they can be set up and put in operation. Although subjected to the most severe tests, no repairs have been required.
