Eruptions, Pimples, Blotches, Pustules, Ulcers, Sores, and all Diseases of the Skin.

From Rev. Robe, Stratton, Bristol, England.

"I only do my duty to you and the public, when I add my testimony to Ant you publish of the medicinal virtues of your Sansarantana. My daughter, aged ten, had an afflicting humor in her cars, eyes, and hair for years, which we were unable to cure until we tried your Sansarantana. She has been well for some months."

been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteemed lady of Deandwille, Cape May Co., N. J.

"My daughter has suffered for a year past with a scrofulous cruption, which was very troublesome. Nothing afforded any relief until we tried your Sarsaparants. A, which soon completely cared her."

From Charles P. Gage, Esq., of the widely known Gage, Murray & Co., manufacturers of enamelied papers in Nachua, N. H.

"I had for several years a very troublesome kumor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man could of both advice and medicine, but without any relief wintever, until I took your Sarsaparatists. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparatists."

Erysipelas—General Debility—Purify the

Blood.

From Dr. Robt. Sawin, Houston St., New York.

"DR. AYER. I seldom fail to remove Eruptions and Scrofulous Sores by the persevering use of your Barsayantlla, and I have just now cured an attack of Malignant Erysipetas with th. No alterative we possess equals the Sausayantlla, you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years, I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sausayarahlaa. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as any body. Being in a public place, my case is known to every body in this community, and excites the woulder of all."

From Hon, Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Canadian Partia-"I have used your SARSAPARILLA in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted,"

St. Anthony's Fire, Rose, Salt Bheum, Scald Head, Sore Eyes. From Harcey Sickler, Esq., the able editor of the Tunkhannock Democrat, Pennsylvania. "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without my apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole tering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your SARSAPARILLA, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die?

Syphilis and Mercurial Disease. From Dr. Hiram Sloat, of St. Louis, Missouri, "I find your SARSAPARILLA a more effectual remedy for the secondary symptoms of Suphilis and for syphilitic disease than any other we possess. The profession are indebted to you for some of the best medicines we have."

From A. J. French, M. D., an eminent physician of Laurence, Mass., who is a prominent member of the Legislature of Massachusetts, "DR. AYER. My dear Sir: I have found your SARSAPARILLA an excellent remedy for Syphilis, both of the primary and secondary type, and effec-tual in some cases that were too obstinate to yield to other remedies. I do not know what we can employ with more certainty of suc cas, where a powerful alterative is required," Mr. Chps. S. Van Liew, of New Brunswick, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the

persevering use of Aven's Sansapantal a relieved him. Few cases can be found more inveterate and ressing than this, and it took several dozen bottles to cure him. Leucorrhos, Whites, Female Weakness, are generally produced by internal Scrofulous Ul-ceration, and are very often cured by the atterative effect of this Sarsapahilla. Some cases require, however, in aid of the Sarsapahilla, the skilful

application of local remedies From the well-known and widely-celebrated Dr. Jacob Morrill, of Cincinnati, "I have found your SARSAPARILLA an excellent alterative in diseases of females. Many cases of Irregularity, Leneorrhesa, Internal Ulceration, and local debility, arising from the scrofulous diathesis, have yielded to it, and there are few that do not, when its effect is properly aided by local treatment." A lady, unwilling to allow the publication of her

"My daughter and myself have been cured of a very debilitating Lencorrhea of long standing, by two bottles of your SARSAPARILLA." Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this Ext. SARSAPARILLA.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done.

I crrived in this city from the East about one year ago, and was then suffering from un old ease of Gleet, complicated with stricture. Being a stranger in this city, and believing those doctors who gave such positive as urances of success were necessarily the best, (some of whom have a large number of titles) I placed myself in their charge, and continued under their treatment until I had lost nearly all hope and considerable sum of money. I wish to say now that you are the sixth doctor I have employed, and the only one that has everdence me any service. My. Gleet is wholly enred, the stricture is all removed, and my general health is better than it has been for years. In conclusion I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doberty for my address and call and see me. (I neep store in this city.) My experience may save you many dollars. I would also add that in the early stage of my discase, I used a large amount of the preparations advertised as an infallible cure for Gonorrheen, Gleet. etc., but never derived any benefit from them. am, Dector, very truly yours, L. REMINAL WEAKNESS -- A SWORN TO CERTIFICATE OF MOST REMARKABLY CURE OF SPERMATORRESEA. A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years, I have been afflicted with that fearful disease known as "Spermatorrhom;" or Seminal Wenknesses, the result of self-abuse, but till 1855 experienced but little trouble or inconcenience. In that year, however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptoms, as weakness of the back and imbs, pains in the head, dimness of the back and limbs, pains in the head, dimness of vision, new, ousuess and general debility. My mind, too, was afflicted to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil fore-The Lowest Living Prices

I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than tempornry relief. I had about concluded there was no relief for me in this world, but seeing Dr. Deherty's advertisement, I thought I should call and see him, as he charged nothing for consultation. I had an interview with the Doctor, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of Decamber last I placed myself under his agre; in ane week I found myself very much improved, and now, after five weeks treatment. I feel myself thereughla mysel of weeks trontment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health.
