A CASE OF GLEET AND STRICTURES, Dr. Dollerty .- Dear Sir : I feel my health so fully restored that, in common gratitude, I believe I should make you some written acknowledgment fee was small for the work performed. I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with stricture. Being a PHILLIP MILLER'S stranger in this city, and believing those doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles) I placed myself in their charge, and continued under their treatment until I had lost nearly all hope and considerable sum of money. I wish to say now that you are the sixth doctor I have employed, and the only one that has everdone me any service. My. Gleet is wholly cured, the stricture is all removed, and my general health is better than it has been for years. In conclusion I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my address and call and see me. (I seep store in this city.) My experience may save you many dollars. I would also add that in the early stage of my disease, I used a large amount of the preparations advertised as an infallible cure for Gonorrhona, Glest, etc., but never derived any benefit from them.

I am, Doctor, very truly yours, L-H-San Francisco, June 16, 1864. Subscribed and sworn to before me this 21st day of Junes, 1864. A. S. GOULD. [L #.] Notary Public.

SEMINAL WEAKNESS-A SWORN TO CERTIFCATE OF MOST REMARKABLE CURE OF SPERMATORRIGIA. A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrheea;" or Seminal Weaknesses, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year, however, I had Seminal Weakness to an alarming extent, which was soon followed by the most All work done at my Marble Yard is turned out alarming symptoms, as weakness of the back and limbs, pains in the head, dimness of vision, nerv-PURE WHITE, VERMONT, OR CALIFORNIA MARBLE afflicted to such an extent as to seriously impair ousness and general debility. I was averse to society, had evil fore-bonings and self distrust, and was entirely unfitted for any of the duties of life. From 1855 to the Orders from any Part of the State will summer of 1863. I employed the very best medical talent I sould find, and spent several hundred dollars, but in no instance obtained more than tem-porary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Deherty's advertisement, I thought I should call and see him, as he charged nothing for consultation.

The public are invited to call at my shop I had an interview with the Doctor, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in ane week I found myself very much improved, and now, after five weeks troatment, I feel myself thoroughly cared of all my troubles and in the enjoyment of the best health.
