The oligarchists and monopolists of the North-the men for 300 per cent. tariff bounties, are reconstructing the South, so N. M. Bell. as to use the negro vote there, to force B. F. Bonham. the consumers of the North to keep up L. P. Eisenhart............ their tariff bounties. Hence the Five Monarchies, and all the tyrannies conthis, and united in it too.

The question, here, at home, is, as on our own soil, when confined to our own State of but little practical importance to us, right here-but of the greatest practical importance to us elsewhere, and of the greatest theoretical importance to us everywhere. The Democratic theory and principle is, that this is a Democratic government of white men, made for white men, and exclusively for white men. Hence we have ever carefully excluded the Indian from suffrage, nay, we have extirpated him, and universal suffrage for the negro was an idea scouted by the fathers of the Republic, who, in the Federal convention, compacted. not only to deliver him up as a slave, but to have him represented only as a slave. Our fathers made no provisions for taking into co-partnership government, the Cherokees, or Creeks, or Senecas, or Iroquois -tribes powerful in their day, while GENTS FINE SEWED BOOTS, they created a Government exclusively GENTS' FINE PEGGED BOOTS, for white men. They never intended to share their co-partnership with these In- KID CONGRESS GAITERS, dians, any more than with the Chinese or AND CHILDREN'S GAITERS, Japanese, our own Pacific ocean neighbors. The land was made open and free for Anglo-Saxon. Tcuton, Celt, and for all the Latin races-in short for the Caucasian, never for the African, or Mongolion, or Esquimaux tribes of men, whom we are now in masses in our just acquired Russian possessions. The reason that this government of white men should be kept for white men, is, that the white man alone is capable of self-government, and alone can maintain a free government. No other races ever maintained such a Leather, for sale at the Lowest Figure for government or ever can. The white man is the superior man, the dominant man, over the African, the Mongolian, the Esquimaux, or other species of men, and was designed and destined by God to be. All attempts of our race to share govern- GIFT ENTERPRISE ment, and our society with the inferior races of men, in Hayti, Jamaica, or Spanish America, here in America, or, in Asia, or North Africa, have been destructive of both races. Amalgamation is death, both to white, negro men, or Mongolian men, Equality and fraternity with these lower races is against the will of God, and God punishes by the destruction of both races all these violations of His Holy Will.

Bear this in mind, that the secret of the succes of my Thoracic Balsam lies enclosed in this little nut-shell : first, it does not irritate the lungs and cause the patient to expectorate; second, it does commence at once to heal the ulcers; it soothes and allays the inflamation, and stops the coughing and expectoration; it strengthens and encourages the patient, and, with proper nourishment, he must recover. Dr. Ayer truthfully remarks that less than one-half of the females of the United States have sound health, and the condition of the disordered ones is leaving its impress on the rising generation. Then, how important we should have a remedy for these evils. For painful or suppressed menses, irregularities, etc., and also for women at the turn of life, and frail girls, this medicine will be found invaluable. It should also be used before and after confinement. "An ounce of preventive is better than a pound of cure." Horrible Diseases.

How many thousands of persons, both male and female, are there who are suffering out a miserable existence from the effects of secret indulgences, or from virus absorbed into the system! Look at their pallid, emaciated and disfigured faces and their pallid, emaciated and disfigured faces and best physic we have that I recommend no other to their broken down constitutions, disqualifying my patients them for the happiness of marriage or the enjoy-ment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians, friends, attend to those who are suffering with any of these horrible life-destroying maladies—see that they are cared for and cured before it be too late. Send them immediately to Dr. Gibbon, a physician who has made private disease his study for years, and who is certain to cure the most inveterate cases without mercury or other injurious drugs. It is important to those who are afflicted, or those who are interested in the welfare afflicted, or those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent LADD & TILTON, PORTLAND, physicians from Europe and other places. These, if not redied with the consumption, find their way into the lungs, they immediately commence to irritate and inflame the ulcers and increase the flow of matter. As a consequence, the patient expectorates more freely, and as he coughs and spits his life away, he thinks, because he raises such a quantity, and raises it so easily, that he is certainly recovering; and under this common delusion he cortinues to take the medicines, and continues to cough and spit, until exhausted nature submits and he finds relief in the grave.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic-we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billous discease so obstinate that it did not readily yield to them Fraternally yours, ALONZO.BALL, M. D., Physician of the Marine Hospital.
