ALBANY CLUB. - The Albany Democratic Club were addressed by Ex-Senator Nesmith last Saturday evening; and so far as we know, his speech gave very general satisfaction to all Democrats who heard him. He touched on several points, but dwelt princiipally on the Reconstruction policy of Con. gress, denouncing it as being full of the rankest injustice and tyranny, to the southern white population. We noticed a few days ago a paragraph going the rounds of our State exchanges that Mr. Nesmith is a Radical, and will vote for Gen. Grant. This is totally untrue. Wherever he speaks he enunciates sound Democratic doctrine, and he will vote the Democratic ticket.

Mr. N. is not a very fluent speaker; but yet he is not lacking in interest. He is full of facts, historical and otherwise, and there is a quaintness and a dry humor running through his speeches which prevent his auditory from being wearied and restless. We hope he will be greeted with good houses wherever he may travel.

New Paper. - The last mails brought us the first number of the "Grand Ronde Senfinel," published by M'Conas & Jeffrey at La Grande, Oregon. In politics, it is demecratic. The editor says : "We do not expect to make the Sentinel a paper that will draw an approving smile from, or tickle the fancy of, any disciple of the God-and-morality persuasion; but intend to fire right into, and hew and cut right amongst their scattering ranks." That's it-give 'em fits. We hope the Sentinel may be a success politically and financially.

We congratulate the church on this token of their prosperity.
