

The Democrat.

SATURDAY, OCTOBER 3, 1868.

CITY DIRECTORY.

O. S. PRESBYTERIAN CHURCH—Rev. W. J. Monteith, Pastor. Preaching at 11 A. M. and 7 P. M. Sabbath School at 10 A. M. and 4 P. M. in evening.

Episcopal Church—Rev. R. C. Hill, Pastor. Preaching at 11 A. M. and 7 P. M. Sabbath School at 10 A. M. and 4 P. M. in evening.

Methodist Church—Rev. W. A. Finley, Pastor. Preaching at 11 A. M. and 7 P. M. Sabbath School at 10 A. M. and 4 P. M. in evening.

Scio—We visited Scio on last Saturday, and were very favorably impressed with the appearance of the village, notwithstanding the Radical papers of Oregon have characterized it as a heathenish and outlandish place.

NARY ITEM.—We're out of luck this week. Everybody has gone to the State Fair excepting those who are too sick or too poor, or consequently no fearful soldiers, nor hair-breadth 'scapes, nor appalling murders, nor daring robberies, nor horrible suicides, nor dog fights, nor marriages, nor twins, are being perpetrated in our midst in broad daylight, in dark allies, in the dead hour of midnight, by the bloody Kuklux Klan, "or any other man."

PATRIOTIC AND BEAUTIFUL.—One of the interesting, as well as beautiful, features of the demonstration at Scio on last Saturday, was the appearance at the head of the procession of thirty-seven neat and lovely young misses, carrying banners representing the States of the Union, followed by ten bright and intelligent little Democratic heroes, ranging from eight to twelve years of age, representing the several Territories belonging to the United States.

PERMITS BEER.—We take pleasure in announcing to the public that Messrs. Keifer & Rogers, of the Albany Brewery, took the first premium on beer at the county fair last week. The Corvallis Brewery was represented at the Pavilion, and although its beer was pronounced *hyas klose* by the committee, the Albany beer was adjudged "hyas klose," and bore away the blue ribbon.

RATTY.—On last Wednesday Messrs. Tally & Anderson, of the "Gem Saloon" in this city, tore away the ice-house in the rear of their saloon, and made a "rat-killing bee" on the occasion. They sent out invitations and gathered together about twenty dogs, and seventy-five men and boys, armed with clubs, knives, stones and brick-bats; and in the space of an hour they had "slew'd" sixty-eight rats—enough to make a good square meal for all the Chinamen in the State.

LOOK OUT.—The farmers of Oregon have just finished reaping a rich harvest, and are bringing it into town as fast as possible. All kinds of business will, consequently, be good this fall, and those of our merchants who advertise liberally will get the cream of the trade. Remember this and "hang out your sign."

WILL SOON ARRIVE.—Mr. Jas. Cowan, of this city, will soon arrive from San Francisco with a large stock of fall and winter goods, and then we would advise our patrons to look out for bargains at the old stand of A. Cowan, on the corner of Main and Broad-albin streets.

THOSE SHAWLS.—Mr. R. Cheadle has just received the finest stock of ladies' shawls that we have ever seen in this market. We would advise our lady friends to call at the store and take a look at them. His French hosiery are also fine and beautiful.

RECEIPTS.—We understand that the gross receipts of the Linn County Agricultural Association at the Fair last week were \$2,700—or about one hundred dollars more than that of the Fair of 1867.

MATRIMONIAL.—On last Monday our County Clerk issued a marriage license for the weaving of the silken cords of hymen around the manly frame of a gay youth of 60 summers, named John Davis, and a gushing damsel, who is just "busting into womanhood" aged about 72, named Mrs. Boggs. May their union prove a success. (P. S.) We would "string out" a little more on congratulations to this loving pair adown the flowery vale of bliss, but no "equivalents" have yet been received at this office.

ACCIDENTS.—We learn that on last Monday a man had his arm accidentally sawed off by a horse-power wood saw, at the residence of Judge Geary, four miles from this city. We are not able to give the unfortunate man's name. Also, on last Wednesday, Mr. Oscar Tenney, one of the hands in Rubart's saw-mill, in this city, had his thigh horribly mangled by one of the iron dogs striking him while he was turning over a log and arranging it on the carriage for the saw.

FURNITURE.—It will be observed by reference to our new advertisements that Mr. Samuel Denny flings his banner to the breeze in this weeks issue of the Democrat. He sells furniture of all kinds at the most reasonable prices, and we would suggest to our friends that they give him a call. "A word to the wise," etc.

MUSICAL.—We desire to call the attention of those interested to the card of Mrs. F. Dalton, among the new ads. An opportunity is offered to those desiring music lessons.

MARRIED.—On Thursday morning, October 1st, at the residence of the bride's father, in this county, by Rev. R. C. Hill, Mr. Geo. F. Satterlin and Miss Helen F. Rapp—all of Linn county.

Good! George is captured at last, and has surrendered to one of the loveliest and fairest of the maidens of old Linn. We tender the loving couple our most heartfelt wishes for their happiness and prosperity adown life's varied grade. We pledge a "double health" to the fair bride and her generous and noble-souled husband.

IN MEMORIAM.—Whereas, By the ruthless and unrelenting hand of death, our Sister and associate, Mrs. SARAH MENDENHALL, was taken from our midst on the morning of the 25th inst.; and whereas, we recognized in her a friend of the cause of temperance, a tender companion and a kind and loving Sister, who by her gentleness of spirit and amiability of character had endeared herself to all—being loved most by those who knew her best; Therefore, be it

Resolved, That we, the members of Western Star Lodge No. 10, I. O. O. F., do most deeply mourn her loss, and sincerely sympathize with her bereaved family, in this great bereavement—the loss of the companion of her choice.

Resolved, That as a mark of respect for the departed, we will wear a badge of mourning upon our regalia for the remainder of the term ending Oct. 31st.

Resolved, That a copy of these resolutions be forwarded to the Corvallis Gazette, and also to the State Democrat, and Albany Register for publication.

Submitted in "Faith, Hope and Charity." P. M. WADSWORTH, W. S. DUNN, MARRIETTE WRIGHT, ALBANY, Sept. 29, 1868.

State Central Committee. SALEM, Sept. 23, 1868. The State Central Committee met pursuant to call, and was called to order by the Chairman, Hon. L. F. Grover.

A quorum being present, the following proceedings were had: C. L. Bellinger was chosen Secretary. It being the sentiment that a vigorous campaign should be prosecuted: On motion it was resolved that the committee, through its Chairman, invite by letter distinguished speakers throughout the State to take an active part in the pending canvass on behalf of the Democratic nominees for the Presidency and Vice-Presidency, Seymour and Blair, and in the discussion of those great fundamental principles which lie at the foundation of our Government.

The Committee, conscious of the vigor and power of the Democratic organization in the State of Oregon, and cheered by its late splendid victory in June last, nevertheless urge upon the party everywhere ceaseless vigilance and constant labor for that triumph which we know awaits us in November.

L. F. GROVER, Chairman. C. B. BELLINGER, Sec'y. John Dupree, nigger, of Georgia, is tired of the carpet-baggers and advises his brethren to vote with the Democrats hereafter. He alludes to the false promises of the baggers, and asks his colored friends, "have you got your mule? I ain't got mine yet; and they told us right here in Irwington, they was going to give us one. Have you got your 40 acres of land? Have you got your \$1,000 in greenbacks? Echo answers what's your mule, instead of here's your mule.

"SKINNERS."—Organizations under this name are forming in Illinois, and electing the usual military officers, in opposition to the "Tanners." They expect to skin more radicals in November than the Tanners can attend to. They propose to flay Grant.

The English in Abyssinia were obliged to make boots for their foot-sore elephants before they could climb the mountains with the batteries.

SPECIAL NOTICES.

Pure Blood, Muddy Water. Pure blood may be compared to pure water, and impure blood to muddy water. If you pass muddy water through muslin you will find it continues the process and you cover it with thick mud. Blood passes through all parts of the body; if good and pure it nourishes and cleanses the parts it goes through. If impure it leaves more or less dirt behind it. BRANDRETH'S PILLS are the medicine wanted, because they are made on purpose to take dirty humors out of the body, and they never fail.

These pills cure scrofula, even of forty years standing; they have cured cases of rheumatism when the patient had not waited for four years; of paralysis where the legs had lost their power of movement for seventeen years. The evidence in these cases cannot be disputed. Is there a town in the world where such evidence exists not? If BRANDRETH'S PILLS have been much used there you know that such evidence can be found.

But be sure and see upon each box my name in the Government stamp, in white letters. B. BRANDRETH, Brandreth House, New York. Sold by all druggists, N.Y. 1414.

NERVOUS AFFECTIONS. THE SHAPES OF THE CLOUDS AND THE TREES do not differ more widely than the forms of nervous disease. Sometimes both the mind and body are affected, sometimes the body only, and often the complaint is confined to a single member. In one class of cases the motive-nervousness are disordered, as in St. Vitus' Dance; in another class, the nerves of sensation only are attacked, as in neuralgia, the doulorenx, toothache, earache, &c. Pain, in fact, is the immediate consequence of a disturbed condition of the nervous system; for only through the delicate fibres of which it is composed can pain be experienced. Tremors, hysteria, and most of the unpleasant feelings usually included under the head of nervousness, arise from the weakness of these sensitive threads which pervade every part of the animal structure and have their source in the fountain head of all sensation—the brain. The tonic action of HOSTETTER'S BITTERS is of vast service in cases of this kind. Nervous headache, ordinary fevers, neuralgic pains and every variety of spasmodic trouble, are quickly alleviated by the use of the preparation which at once braces and tranquilizes the nerves. Persons of a lymphatic temperament and feeble organization, and especially subject to these complaints, should take the Bitters daily as an invigorant. Ladies will derive great benefit from them in all the peculiar physical and mental disturbances to which, as a sex, they are subject. Anæmia, valerinia, and the other nervous usually prescribed for these affections, at best merely alleviate them for the time being; but the Bitters are a permanent invigorant, and their value as a remedy for every phase of nervousness is beyond all estimate.

CONSTITUTIONAL WEAKNESS. It is a great thing to have a sound and vigorous constitution. There is nothing that money can buy comparable in value to this best gift of nature. The difference between the individual who has it and the unfortunate who has it not, is just the difference between the man who goes into battle clothed in defensive armor and one who has nothing to oppose the sword and bullet but his naked breast. "The pestilence that walketh in darkness, the sickness that destroyeth at noonday," while it lays low the man of feeble stamina, is often conquered by the native strength of what is called an "iron constitution."

Heaven, however, has not endowed even a moiety of mankind with this inestimable blessing, and therefore it behooves those who have it not, to resort to those most efficient means of constitutional invigoration which science can supply. There is good warrant for asserting that HOSTETTER'S BITTERS are admirably adapted to promote this end. Other tonics have their drawbacks. The concentrated extract of poisonous vegetable substances, which within the last few years have been introduced into the practice of medicine as invigorants, are all extremely dangerous. Præparanda and strychnine, though often given as strengthening medicines, are not safe in the smallest doses, and sometimes quinine disastrously affects the nerves and the bones. But in HOSTETTER'S BITTERS there is positively nothing that is not healthful and wholesome. They contain no ingredient which by any process could be converted into active poison, and yet as a constitutional stimulant are infinitely preferable to any of the sulphates and acetates which have been recently added to the materia medica.

THE GOVERNMENT CERTIFICATION.—The counterfeiting of Hostetter's Stomach Bitters is now a somewhat more serious as well as difficult business than it was a few years ago, such bottle of the genuine is being authenticated by the official endorsement of the United States Revenue Department in the form of a stamp engraved on steel, to counterfeit which is a felony. See, therefore, that this Government Certification, as well as the engraved label and note of hand of the proprietors, is attached to the bottle. The label is embellished with a superb representation of St. George on horseback, in the act of spearing the Dragon, and underneath is a shield or escutcheon, bearing a warning inscription, which counterfeiter are advised to read before they encounter the penalty which it sets forth. Below this again is Hostetter's Smith's note of hand, the signature to which it would be rather a serious business to forge. If the public will look to these verifications of the genuineness of the article before they purchase, they cannot be deceived. The proprietary label and Government stamp are both executed on steel in the most elaborate style of bank-note engraving, and are probably the most expensive specimen of graphic art ever attached to any medicinal preparation.

AMERICAN WALTHAM WATCHES. PROOF OF THEIR SUPERIORITY.

Pennsylvania Railroad Company. OFFICE OF THE GENERAL SUPERINTENDENT, ALTONA, PA., Dec. 15, 1867.

GENTLEMEN: The watches manufactured by you have been in use on this Railroad for several years by our engine-men, to whom we furnish watches as part of our equipment. There are now some Tansan watches now carried on our line, and we consider them GOOD AND RELIABLE TIMEKEEPERS. Indeed, I have great satisfaction in saying YOUR WATCHES GIVE US LESS TROUBLE, and have worn and do wear much longer without repairs than any watches we have ever had in use on this road. As you are aware, we formerly trusted to those of English manufacture, of acknowledged good reputation, but as a class they never kept time as correctly, nor have they done as good service as yours.

In these statements I am sustained by my predecessor, Mr. Lewis, whose experience extended over a series of years. Respectfully, EDWARD WILLIAMS, General Superintendent. American Watch Company, Waltham.

NEW YORK CENTRAL RAILROAD. LOCOMOTIVE DEPARTMENT, WESTERN DIVISION, ROCHESTER, Dec. 24, 1866.

GENTLEMEN: I have no hesitation in saying that I believe the great majority of locomotive engineers have found by experience that WALTHAM WATCHES ARE THE MOST SATISFACTORY of any for their use. They run with the GREATEST ACCURACY AND STEADINESS, notwithstanding the rough riding of an engine, and as I have never known one to wear out, they must be durable. I hope to see the time when railway companies will generally adopt your watches, and furnish them to all engineers and conductors. In my opinion it would greatly tend to promote regularity and safety. Yours respectfully, CHARLES WILSON, O. Chief Engineer, Brotherhood of Locomotive Engineers. American Watch Company, Waltham.
