MANHOOD.-IN THE YOUNG and rising generation, the vegetative powers of life are strong, but in a few years how often the pallid hue, the lack-lustre eyes, and emaciated form, and the impossibility of application to mental effort, show its baneful influence. It soon becomes evident to the observer that some depressing influence is checking the development of the youth. Consumption is talked of, and perhaps the youth is removed from school and sent into the country. This is one of the worst movements. Removed from ordinary, diversions of the ever-changing scenes of the city, the powers of the body too much enfeebled to give rest to healthful and rural exercise, thoughts are turned inward upon themselves.

If the patient be a female, the approach of the menses is looked for with anxiety, as the first symptoms in which Nature is to show her saving power in diffusing the circulation and visiting the oses with the bloom of health. Alas! if increase of appetite is grown by what it fed on! the energies of the system are prostrated, and the whole economy is deranged. The beautiful and wonderful period in which body and mind undergo so fascinating a change from child to woman, is looked for in vain; the parent's heart bleeds in anxiety, and fancy the grave but waiting for its victim.

HELMHOLD'S EXTRACT BUCHU, for Weakness arising from excess or early induration, attended with the following symptoms: Impediment to Excretion, Loss of Power, Loss of Memory, Difficulty of Breathing, General Weakness, Horror of Disease, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System. Often Enormous Appetite with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of Attention, Great Mobility, Restlessness, with Horror of Society. Nothing is more desirable to such patients than solitude and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another.

These symptoms, if allowed to go on-which this Medicine invariably removes-soon follow Loss of Power, Fatality, and Epileptic Fits, in one of which the patient may expire.

During the Superintendence of Dr. Wilson at the Bloomingdale Asylum this sad result occurred to two patients; reason for a time held them, and both died of epilepsy. They were of both sexes, and about twenty years of age.

Who can say that these excesses are not frequently followed by those dreadful diseases, Insanity and Consumption? The records of the insane Asylums, and the melancholy deaths by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is actually sadden and quite destitute-neither Mirth nor Grief ever visits it. Should a sound of the voice occur, it is rarely articulate.

"With woful measures when Despair Low sullen sounds their grief beguiled."

Whilst we regret the existence of the above diseases and symptoms, we are prepared to offer an invaluable gift of chemistry for the removal of the consequences:

HELMHOLD'S HIGHLY CONCENTRATED FLUID EXTRACT OF BUCHU.

There is No Tonic Like It.

It is an anchor of hope to the surgeon and patient, and this is the testimony of all who have used or prescribed it.

Sold by Druggists and Dealers everywhere. Prepared at H. T. HELMHOLD'S Drug and Chemical Warehouse, 594 Broadway, New York.

RECOMMENDATIONS. GREAT SALT LAKE CITY, UTAH, Jan. 25, 1868.

Mr. H. T. HELMHOLD: Dear Sir: Your communication requesting our terms for advertising was duly received, but from a prejudice I had formed against advertising "cures for secret diseases," it was left unanswered. During an accidental conversation in a Drug Store the other evening, my mind was changed in the character of your BUCHU. It was then highly commended for other diseases by two physicians present. Inclosed please find our rates of advertising. Yours, &c., T. B. H. STENHOUSE, Editor and Publisher of Daily and Semi-Weekly TELEGRAPH.

N. Y. S. VOL. INFANTRY. Corner of 5th Ave. & 76th St., Central Park. (A Home and School for the Sons of Deceased Soldiers.)

Dr. H. T. HELMHOLD: Two bottles only of the package of your valuable BUCHU presented to the Institute have been used by the children, and with perfect success. In the case of our little Lieutenant A. J., his pride is no longer mortified, and he is free from the daily sufferings of the chakhermaid, who has charge of his bedding. I feel that a knowledge of the result of our use of your BUCHU with the children under our charge may save many a Superintendent and Matron of Boarding Schools and Asylums a great amount of annoyance; and many a poor child suffering more from ignorance than from habit, may be spared punishment; that is (not knowing it as a weakness instead of a bad habit) most unjustly inflicted upon them. Thanking you on behalf of the children, and hoping others may be alike benefited, I am respectfully yours, COL. YOUNG, General Sup't and Director. June 15, 1868. mar21'68v2n37y1

TO THE UNFORTUNATE! NEW REMEDIES! NEW REMEDIES!

Dr. Gibbon's Dispensary, 616 KEARNEY STREET, SAN FRANCISCO. Established in 1854, for the treatment of Sexual and Genital Diseases, such as Gonorrhoea, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc. Skin diseases (of years standing) and Ulcerated Legs successfully treated.

Horrible Diseases. How many thousands of persons, both male and female, are there who are suffering from a miserable existence from the effects of secret indulgence, or from virus absorbed into the system? Look at their pallid, emaciated and disfigured faces and their broken down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In the horrid condition, dark spots, sores, and ulcers that they are cured for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private disease his study for years, and who is certain to cure the most inveterate cases without mercury or other injurious drugs. It is important to those who are afflicted, or those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be therefore careful, and make strict inquiry, or you may fall into the hands of these charlatans.

Seminal Weakness. Seminal Emission, the consequence of self-abuse, is a venial vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combated by scientific medical measures, viz: a slow consumption, dark spots under the eye, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chains, unaccountable loss of memory, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence in approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, hectic flushes, pimples and various eruptions about the face, forced tongue, field breath, cough, consumptive night sweats, morbid and frequent insanity. If relief be not obtained, should apply immediately, either in person or by letter, and have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give One Hundred Dollars to any person who will prove satisfactorily to him that he was cured of this complaint by either of the San Francisco quacks.

MARRIED MEN. Or those who contemplate marriage, who are suffering under any of these fearful maladies, should not forget the sacred responsibility resting upon them, nor delay to obtain immediate relief.

TO THE LADIES. The various complicated and distressing diseases incident to females, treated with eminent success. Such as Suppressions, Irregularities, Whites, falling of the Womb, Tumors, all Urinary Diseases, Nervous debility, Painful or Difficult Menstruation, Barrenness, etc., will be speedily cured, without poisonous drugs, injurious or unpalatable medicines of any kind. Have no delicacy in calling, we differ from what your friends may say. The afflicted are cordially invited to call and satisfy themselves.

DOCTOR GIBBON is responsible, and will give to each patient a written instrument, binding himself to effect a radical and permanent cure, or make no charge.

CURED AT HOME. Persons at a distance may be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicines promptly forwarded, free from damage and curiosity, to any part of the country, with full and plain directions for use. By enclosing \$15 in currency or \$10 in coin, in a registered letter through the post-office, or through Wells, Fargo & Co., a package of medicine will be forwarded by express to any part of the Union.

Address DR. J. F. GIBBON, 616 Kearney street, corner of Commercial, San Francisco. Post Office Box 512. Consultation FREE.

(Correspondents will please inform DR. GIBBON that they read his advertisement in the Democrat. feb29v3n28y1
