We cannot answer for other "Democratic papers" in Oregon; but, so far as we are concerned, we do not approve of the action of the Democratic members of the Indiana legislature. We do not endorse the 15th or Suffrage Amendment to the Constitution of the United States. We would gladly see it defeated; but we want to see it overthrown in a fair fight; -not by any such revolutionary proceedings,

It was a "great crime" for the Radi. this city on Monday : cal members of the Oregon Legislature to resign in a body, as they did, -thus destroying the quorum, and dietment for assault with intent to kill. making it impossible to pass an ap.
