Horrible Diseases, How many thousands of persons, both male and female, are there who are suffering out a miserable existence, from the effect of secret indulg-GOODS I ences, or from virus absorbed into the system. Look at their pallid, emaciated and disfigured faces, and their broken-down constitutions, disqualifying them for the happiness of marriage er the enjoyment of life. In this horrid situation thousands suffer until neath closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, lifedestroying maladies-see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases, without mercury or any injurious drugs. Seminal Weakness. Seminal emissions, the consequence of selfabuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, lossof confidence, diffidence of approaching strangers, a dislike to form newacquaintances, a disposition to shun society, loss of memory, bectie flushes, pimples and eruptions about the face, furred tougue, foeted breath, coughs, consumption, night Established expressly to afford the afflicted sound sweats, monomania and frequent insanity. If and scientific medical aid in the treatment relief be not obtained the sufferer should apply immediately, either in porson or by letter, to have a cure effected by hisnew and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give \$100 to any person who will prove satisfactorily to him that he was cured of this complaint by either of
