LINN COUNTY FAIR.—Following are the proceedings of Saturday, the last day of the Fair:

At the shooting match in the morning there were 15 entries. The manner of shooting was "string measure," and the first premium was won by Milt. Hale and the second by Ed. Stoddard.

At 2 o'clock, running, 2 mile heats, 2 in 3. Entries "Snow Flake," by Gird; "Miss Foote," by Montgomery, "Slippery Sim," by Comley. "Snow Flake took the the first premium and "Miss Foote" second.

At 1 o'clock, walking race, 1 mile, in which Joseph Nixon's gray mare took first premium and Howard's sorrel horse took second.

At 3 o'clock Ladies' Equestrianship, in which the contestants were Miss Johnson, Miss Maggie Irvine and Miss Mary Caplinger. The former won the Diploma, and the second carried off the red ribbon, while the latter, for her daring and graceful management of her steed, was awarded a handsome purse by the spectators. So, everybody was happy.

At 3½ o'clock, Velocipede race, 1 mile, in which Reuben Markham took the purse in 6:42.

At 4 o'clock, foot race, ¼ mile. Purse won by C. Nanny.

The attendance was not quite so great today as yesterday, but the interest manifested in the exercises was fully up to that of any previous day.

Following is a report of the business of the Fair, so far as settled: Gate receipts, $1,457 75; licenses, $540 50; entry fees, $497 45; total receipts, $2,495 70. There were over 800 entries in the Pavilion, and something over $700 paid on premiums in this department. In the stock department there were about $500 paid out in premiums. It is the impression of the officers that there will be a small "sinking fund" in the Treasury after their liabilities are settled, thus showing that the Fair has been a greater success this year than any previous one.

THE BEARDED WOMAN.—We have had related to us a part of the history of the "Bearded Woman," now traveling with Wilson's Circus, which will perhaps be of interest to our readers. The home of her girlhood was on a farm in Benton county, a few miles from this city, where her stepfather, Mr. Reed, and her mother reside at this time. There is also a family residing in this city with whom she at one time lived in the capacity of a house-maid. Some years ago she married a man at her home in Benton county, and shortly afterward went with him to California, where, in the course of time she became a mother—shortly after which event a luxuriant beard appeared upon her face. Soon afterward, as we understand, her husband died, and the brother of the "skeleton man" who is with her at present, secured her to travel in connexion with the "skeleton" and other curiosities. They went to New York, where her employer died; and on his death-bed he made a will, leaving her his property (quite a fortune) provided she would care for his unfortunate brother so long as he should live. This she solemnly vowed to do, and has sacredly kept her pledge ever since. As he can neither stand nor walk, but has to be carried from place to place like a helpless infant, the nature of this devoted sacrifice may be imagined. During the years that they have been together they have exhibited themselves in many countries, and have amassed quite a handsome fortune; and now, satisfied that she has secured a competence for the rest of her life, and wearied of travel and the hardships incident thereto, she has purchased a farm in Lane county, to which she will retire with her helpless charge immediately after the State Fair.

DIED.—Wm. Usher, the young man who was so badly hurt at the Fair Ground last Friday, died on Sunday at 1 o'clock P. M.—Gentlemen who witnessed the accident state that in the evening after the day's exercises had closed, and when it was quite dark, Usher and another young man were exercising their horses on the track, and while riding along at a rapid rate Mr. U's horse stumbled and fell, crushing him under it and rendering him insensible, as we stated last week. He never regained consciousness after the accident, but lay with his eyes closed, breathing hard, like one in profound sleep, until the end came. His grief-stricken parents were sent for immediately after the accident, and remained at his couch until death stepped in and claimed its victim. His remains were taken charge of and conveyed to his home for burial by the Good Templars of Lebanon Lodge, of which body he was a respected and consistent member. And this part of the melancholy catastrophe reminds us that a rumor was circulated, after the accident, that young Usher was under the influence of liquor at the time, which was claimed to have caused his death. Not only would the fact of his being a Good Templar refute this base slander, but persons of unimpeachable veracity inform us that, to their certain knowledge, this statement is false. What can be said in denunciation of those who maliciously circulate such an unfounded slander upon a fellow-being, when he is lying at death's portal, awaiting the summons of the Pale Messenger, unable to refute the base libel?

GONE BELOW.—On Sunday last Messrs. Thos. Monteith and Mr. Freeland left this city for California, to be absent during the winter. The former goes to San Francisco to look after the business interests of the firm of Beach & Monteith, and the latter to spend the winter among his friends. He is the father of Ed. Freeland, our worthy Postmaster.

TO DEBTORS.—Mr. A Pearce notifies those indebted to him that they must come forward immediately and settle. Read his notice, you that are interested.

MASONIC LITERATURE.—We have received No. 1, Vol. 1, of the *Masonic Mirror*, published at San Francisco, Amasa W. Bishop, editor. The Craft on the Pacific coast have long needed a periodical devoted to their interests, and this No. warrants us in asserting that the *Mirror* eminently fills the vacancy. It is a neatly printed 32 page magazine, and filled with original and selected Masonic Literature of the highest order.—Price, $2 50 per year.

We have also received from the editor, Mr. John Ransom, a specimen copy of the *Masonic Tidings*, published semi-monthly, at Warsaw, N. Y., at the remarkably low price of $1 per year. We learn by a note from the editor that it will be enlarged on the first of January next, when its fifth volume will commence, and be printed on a 28x42 sheet, in quarto form. J. W. Simons, who is Past Grand Master, Grand Treasurer of the Grand Lodge and Grand High Priest of the Grand Chapter of the State of New York, is one of the leading editors. Address John Ransom, proprietor *Tidings*, Warsaw, N. Y.

PERSONAL.—The following gentlemen came up by the last steamer from San Francisco: P. C. Harper, Thos. Helm, Rev. Wm. Monteith and A. D. Monteith. Mr. Harper has been below to lay in goods. Mr. Helm is the eldest brother of Hon. Geo. R. Helm and well known as a former resident of Linn county, and is now on a flying visit to his old home. Rev. Mr. Monteith was pastor of the First Presbyterian Church of this city until about a year ago, when he concluded that the climate did not agree with his health, and so went back to "America." We learn that he is simply returned on a visit to his friends. His son, Capt. A. D. Monteith, was also a resident of this city until a couple of years ago, when he also went back to the States for his health; but we learn that he has not immproved since his sojourn among the fickle winds and driving snows of Wisconsin, and has again returned to the mild and genial clime of the Willamette Valley.

TO RETAIL GROCERS.—It frequently happens that merchants of the Willamette Valley need an additional stock of goods, and do not feel that their business justifies them in going to San Francisco in person to make their selections, in which event it is important they should have sufficient confidence in some business house in that city to order the goods sent up. In the grocery business we would recommend Messrs. Phillips, Taber & Co., No. 310 Front Street, San Francisco, who have a reputation for fair dealing in such matters second to no firm in that city. Read their card in the DEMOCRAT, and send them your orders. We have a personal acquaintance with the senior member of the house, and take pleasure in recommending him to all those desiring anything in the wholesale grocery line.

SOLD.—Somebody has evidently been perpetrating an enormous "sell" on the Portland papers. They all contain horror-stricken accounts of a bloody affray, said to have occurred at Harrisburg, in this county, last Friday, in which one man was badly wounded and another killed outright. We learn that when the papers containing an account of this terrible catastrophe reached Harrisburg, the astonished populace, who had not before heard of it, rushed around and made close inquiry, but were unable to find out anything about the matter, or any persons living in that community bearing the names given in our Portland and Salem exchanges. It is evidently a hoax which some one has perpetrated for the purpose of giving starving "locals" a legitimate item.

LINN COUNTY LADIES AHEAD.—The following item from the Salem *Statesman* of the 1st inst., shows that the fair ladies of "Old Linn" are assisting in keeping up her reputation for beating every body and everything. God bless the ladies! Their hearts are always enlisted in the cause of the innocent and helpless:

"EXERGETIC LIBERALITY.—The most successful branch of the Oregon Childrens' Aid Society seems to be located in Linn county. Mrs. Mendenhall, of Albany, is Vice President, and the ladies of Linn, under her efficient lead, are accomplishing a great deal for the Orphan's Home, by collecting articles to sell at the State Fair, at which, our readers will recollect, the ladies are to have a sales room and restaurant kept open for the benefit of their favorite enterprise, the Childrens' Home."

NEW GROCERY STORE.—Messrs. F. M. Redfield & Co. have opened a family grocery store one door west of Jno. Conner's, and we take pleasure in stating that they have a stock which, in completeness and quality, is fully equal to any in the city.—Frank Redfield is well known to our citizens, having been for several years past the junior partner in the firm of Hiltabidel & Co., and his host of friends will not forget him in his new establishment. Read his card in to-day's DEMOCRAT, and give him a call.

GOING BELOW.—By reference to his advertisement, it will be seen that Mr. R. Cheadle will go to San Francisco shortly, to take up his residence. He will enter into a general commission business in that city, and solicits the patronage of merchants and shippers of Oregon. He leaves his brother, L. Cheadle, in charge of his business here, and thus the old stand will be conducted as usual. They are receiving new goods by every steamer.

NEWS FOR EVERYBODY.—P. C. Harper has just returned from San Francisco with a stock of new goods, which he informs us will eclipse anything, in quality, ever before brought to this market. His goods will arrive and be opened out by our next publication day, when we will take occasion to speak further with regard to their merits.

AT BROWNSVILLE.—Our Brownsville patrons will find the advertisement of Mr. Wheeler's new store in our columns to-day. We are assured that Mr. W. keeps as fine an establishment as can be found in any country town in the State. Be sure and give him a call. (N. B.—We unintentionally omitted his "ad" last week.)

STATISTICS OF LINN COUNTY.—We are indebted to Mr. Nye, Assessor, for the following Statistics of Linn county: Number of polls, 1,576; Number liable to militia service, 1,186; taxable property, $2,961,604; acres of land assessed 390,333.

CIRCUIT COURT for Linn county convenes on the fourth Monday, the 25th day of October.

EDITORIAL.—We last week met, in this city, Bros. Upton and Carter, of the Corvallis *Mercury* and *Gazette*.

LECTURES.—Mr. Benj. Todd has been delivering a series of Lectures on Spiritualism at the Court House during the week.

GOOD.—Mrs. Delazon Smith has given us an opportunity of testing some of the finest vegetables which Oregon soil affords.

WHEAT.—Receipts at Albany for two weeks, ending Thursday, the 7th, 37,657. Total for the season to this time, 227,187.

ENLARGED.—Our neighbor, the *Register*, came out last week in an enlarged form, and otherwise considerably improved in appearance.

COMING HOME.—Rev. S. G. Irvine, pastor of the U. P. Church of this city, is expected home next week, and will preach at the chapel on Sabbath, the 17th inst.

LECTURE.—Dr. J. H. McCord will give a free lecture at the Court House this (Saturday) evening, commencing at 7 o'clock.—Subject: "Mesmerism, and Exposing the Humbuggery of Spiritualism.

THE COSMOPOLITAN.—Jake Sprenger is now sole proprietor of the Cosmopolitan Hotel, and we suppose his numerous friends in this part of the State will remember him when they go to "Portland—or—Wallamet."

DON'T READ THIS.—Messrs. O. P. Tompkins & Co. have just received 1000 feet of of 1¼ inch iron pipe (for pumps), 100 boxes tin plate; also, *a fine lot of first class cook stoves*. Call and examine their stock. Oliver says that it is no trouble to show goods.

BEAT THIS.—Eld. J. M. Harris informs us that his wife, Mrs. Jane Harris, has made and sold, from two cows, *two hundred and forty lbs. of butter* since the 15th day of last March, besides furnishing sufficient to supply the wants of a family of five persons.

TOM THUMB TROUPE.—Remember that next Wednesday this Lilliputian band will give two entertainments in this city. We would advise the ladies and children to attend in the afternoon, both for convenience and comfort, and to avoid the crowd which will surely convene in the evening.

BIG FRUIT.—There were on exhibition at the Fair last week a premium pear which measured 15 inches in circumference the short way and 20 inches the long way of the pear; also a "Gloria Mundi" apple 15½ inches in circumference. Let the world match 'em.

FINISHED—The painting on the Court House is finished, and the exterior of the building looks a hundred per cent. more cheerful and inviting than it did before the painters began their labors, and the benefit in the way of its preservation can hardly be estimated.

CALLED.—We this week had a short call from J. B. Sprenger, formerly proprietor of the Pacific Hotel in this city, and at present proprietor of the Cosmopolitan, of Portland. He is looking exceedingly well, and says the hotel business is flourishing, and that he is *not* "keeping tavern like the old woman in Illinois."

BORN:

FOSTER—In this city, on the 2d inst., to the wife of John Foster, a daughter.

ARNOLD.—In this city, on the 2d inst., to the wife of A. N. Arnold, a son.

SPECIAL NOTICES.

A WISE AND JUST LAW.

The equity and beneficence of the Massachusetts Statute, and the conditions in the Policies of the NEW ENGLAND MUTUAL LIFE INSURANCE COMPANY, whereby the surrender value of Policies (after payments of premiums have ceased) is credited up as a full-paid term Policy, was recently exemplified in the case of A. C. E. MILLER, of Portland, Oregon, insured for $5,000 in this Company, under the policy No. 13,054.

MR. MILLER died August 2, 1869, and neglected to pay the premium due on his Policy on the 22d day of January last. The President of the Company, upon being advised of the death of MR. MILLER, responded under date of August 23d, that by virtue of Massachusetts Laws and the provisions of the Policies of the Company, the Policy was yet in full force, and the loss ($5,000) would be promptly paid less the amount of the unpaid premium and interest thereon.

THE NEW ENGLAND MUTUAL LIFE INSURANCE COMPANY of Boston is the only Company on this Coast governed by this law, which continues all its Policies in force until every dollar paid by the assured is absorbed in Insurance.

CHOLERA.

HOW TO CURE IT.

At the commencement of the diarrhœa, which always precedes an attack of the cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot if convenient,) and then bathe freely the stomach and bowels with the Pain Killer, clear. Should the diarrhœ or cramps continue, repeat the dose every fifteen or twenty minutes till the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Summer Complaint, Dyspepsia, Dysentery, Asthma, it cures in one night, by taking it internally and bathing with it freely.—Its action is like magic, when externally applied to bad Sores, Burns, Scalds and Sprains. For Toothache, don't fail to try it. In short, it is a *Pain Killer*.

The Pain Killer is sold by all dealers in Family Medicines.

BRANDRETH'S PILLS.

To the Public.

Brandreth's Pills have been known and used by your grandfathers and grandmothers. They are always safe, and sure to do you good. They are purely vegetable, and diminish the death principle; some think they increase the principle of life. But in taking out bad humors from the blood, they do make the body lighter, and thus seem to add energy. Many families have used them for upwards of forty years.

They are the best medicine for Colds, for all Bilious Affections, for Fullness about the Head or Heart, and in all Cutaneous and Contagious Diseases they are unrivalled. In all cases in which a purgative is indicated, no medicine yet known can be compared to them. Two hundred physicians have testified that Brandreth's Pills are superior to all other purgatives whatever. Sold by all Druggists. n5w4.

TO THE UNFORTUNATE

NEW REMEDIES! NEW REMEDIES!

DR. GIBBON'S DISPENSARY,

623 Kearny St., corner Commercial,
Private Entrance on Commercial st.,

SAN FRANCISCO.

ESTABLISHED IN 1854, for the treatment of Sexual and Seminal Diseases, such as Gonorrhœa, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc.—Skin Diseases (of years' standing) and Ulcerated Legs successfully treated.

Horrible Diseases.

How many thousands of persons, both male and female, are there who are suffering out a miserable existence, from the effect of secret indulgences, or from virus absorbed into the system.—Look at their pallid, emaciated and disfigured faces, and their broken-down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cured for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases, without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be, therefore, careful, and make strict inquiry, or you may fall into the hands of those charlatans.

Seminal Weakness.

Seminal emissions, the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence of approaching strangers, a dislike to form newacquaintances, a disposition to shun society, loss of memory, hectic flushes, pimples and eruptions about the face, furred tongue, foeted breath, coughs, consumption, night sweats, monomania and frequent insanity. If relief be not obtained, the sufferer should apply immediately, either in person or by letter, to have a cure effected by hisnew and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give $100 to any person who will prove satisfactorily to him that he was cured of this complaint by either of the San Francisco quacks.

Married Men,

Or those who contemplate marriage, who are suffering under any of these fearful maladies, should not forget the sacred responsibilities resting upon them, nor delay to obtain immediate relief.

To the Ladies.

The various complicated and distressing diseases incident to females, treated with eminent success—such as Suppressions, Irregularities, Whites, Falling of the Womb, Tumors, all Urinary Diseases, Nervous Debility, Painful or Difficult Menstruation, Barrenness, etc. will be speedily cured, without poisonous drugs, injuries, or unpalatable medicines of any kind. Have no delicacy in calling, no difference what your troubles may be. The afflicted are cordially invited to call and satisfy themselves.

Person's calling at Dr. Gibbon's office or sending for packages of medicine may rely upon his assurances of confidential secresy with implicit faith, and expect no more than to be charged with a fair and mutually satisfactory remuneration for services rendered, considering the circumstances and difficulties of the case, rather than a too prevalent and selfish practice of exortation among quacks and pretenders.

DR. GIBBON is responsible, and will give to each patient a written instrument binding himself to effect a radical and permanent cure or make no charge.

Cured at Home.

Persons at a distance can be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicines promptly forwarded, free of damage and curiosity, to any part of the country, with full and plain directions for use, by enclosing $15 dollars in currency or $16 in coin, in a registered letter, through the Post-office on Wells, Fargo & Co. A package of medicine will be forwarded by express to any part of the Union.
