Look at their pallid, emaciated and disfigured faces, and their broken-down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until neath closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, lifedestroying maladies-see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases, without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be, therefore, careful, and make strict inquiry, or you may fall into the hands of those charlataus.
