African descent, Revels, is decidedly sound on the question of progress, as understood by Sumner & Co. This new found pet of the Radicals is of the opinion that it would be productive of great good to commence the blending together of all the races on the earth. Do you really think so? What a glorious thing it would be,— But it is our opinion that you and your kind will have to take a back seat long before the realization of your devlish desires. Perhaps Sumner or some other crazy fanatic might take you into his family circle, so as to give you an opportunity to practically demonstrate whether you are correct or not in your "progressive" ideas. The man who would advocate such a doctrine, deserves the contempt of enlightened human beings. The Radicals will have to put a check-rein on this individual.

But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted

PRICE \$1.00. Ayer's Sarsaparilla

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. Inveterate cases of Scrofulous discuses, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by cruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARILLLA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Soil Bheum, Scald Head, Ringrorm, Sore Eyes, Sore Ears, and other cruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Firs, Epilepsy, Neuroside, and the various Ulcerous affections of the muscular and nervous systems.

Syphilis or Venercal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhae or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almannac, supplied graits. Rheumatism and Gout, when caused by accumulations of extra

as they often do, from the rankling poisons in the blood. This SARNAPARILLA is a great restorer for the strength and vigor of the system. Those who are Laugusta and Listless, Despondent, Steepless, and troubled with Nervous Apprehensions or Penrs, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
