BY TELEGRAPH. Terrible Accident at Richmond Va.

RICHMOND, Va., April 27 .- A large crowd assembled this morning at the upper portion of the Capitol building, where the Supreme Court of Appeals is located, to hear the decison in the Mayoralty case. At about eleven o'clock the floor gave way beneath the dense weight, percipita-ting the crowd to the floor below, which was that of the House of Delegates. It is hard at present to ascertain the extent of the injuries, so great is the excitement but some are killed and a large number severely injured. Many excaped the terrible fall by jumping into the windows when the floor gave way.

LATER.-It is still impossible to as-

certain the extent of the injuries at this hour. Among the killed are P. H. Aylette, a distinguished lawyer, Dr. J. B. Brock, reporter of the Examiner, Samuel Eaton, clerk to Mayor Cahoon, Capt. W. A. Chartres, Chief of the Fire Department, N. P. Howard, lawyer, A. Levy, merchant, Chas. Watson, Hugh Hutchinson, L. O. Webb, and a brother of General Schofield, P. H. Laury, Jr., Senator Bland, colored, and Powhattan Roberts. It is supposed that twenty members of the Legislature are among the killed and wounded. The Judges of Appeals all escaped unhurt. Ex-Governor Wells is badly injured, also T. H. Counsel for Ellison. About two hundred persons hurt by the accident. Greatest excitement prevails, and hundreds of persons are in Capitol square weeping and wailing as the dead and dying are brought from the building. Gov. Walker escaped unburt, though on the Court-

room floor at the time. RICHMOND, April 28 .- An accident at the Court room of the Court of Appeals, yesterday, resulted in the killing of fiftythree persons, including many prominent citizens. Among them, in addition to those sent to day, are Dr. J. B. Blood. editor of the Enquirer; Chas. J. Guerman, of Washington; Col. P. Wolfolk, and L. H. Foley, Deputy U. S. Marshal; also, a Captain, a Sergeant, and nine privates on police duty in the building .-One hundred and twenty were wounded. Among them, Ex-Gov. Wells, who had three ribs broken and was otherwise internally injured. Hon. Thos. S. Bocock. ez-Speaker of the U. S. House of Representatives, has had a leg amputated .-Judge Meredith and both Mayors Cahoon and Ellison are slightly injured. Directly after the disaster, a hook and ladder company came to the rescue, and ladders were thrown up to the windows. For three hours the stairway and park were filled with weeping women and anxious men. At two o'clock the last victim was drawn from the building. After this the police closed the patk and refusstores were closed in consequence of the disaster and no more business was done during the day.
