NEW REMEDIES! NEW REMEDIES DR. GIBBON'S DISPENSARY,

823 Kearny St., corner Commercial.

Private Entrance on Commercial st., SAN FRANCISCO.

ESTABLISHED IN 1854, for the treatment of Sexual and Seminal Diseases, such as Gon-Seminal Diseases, such as Gon-orrhoen, Gleet, Stricture, Syph-ilis in all its forms, Seminal Weakness, Impotency, etc.— Skin Diseases (of years' stand-ing) and Ulcerated Legs secessfully treated.

How many thousands of persons, both male and female, are there who are suffering out a mis-erable existence, from the effect of secret indelg-50 ences, or from virus absorbed into the system.—
00 Look at their pallid, emaciated and disagured
50 faces, and their broken-down constitutions, dis-75 the enjoyment of life. In this horr d situation the enjoyment of life. In this horr d situation thousands suffer until neath closes the cene. Let parents, guardians and friends attend to there who are suffering with any of these horrible, life-2 50 destroying maladies—are that they are cared for and cured before it is too late. Send the mimme-00 diately to Dr. Gibbon, a physician who has made 50 private diseases his especial study for years, and 25 who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be, therefore, careful, and make strict inquire, or you may fall into the without mercury or any injurious druge. It is

Seminal Weakness.

Seminal emissions, the consequence of selfshuse. This solitary vies, or depraced sexual
indulgence, is practiced by the youth of both
sexes to an almost unlimited extent, producing,
with unerring certainty, the following train
of morbid symptoms, unless combatted by scientific
medical measures, viz: Sallow countenance, dark
spots under eyes, pain in the head, ringing in the ars, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence of approaching strangers, a dislike to form newacquaintances, a disposition to shun society, loss of memory, beetic fushes, pimples and eruptions about the face, furred tongue, focted breath, coughs, consumption, night sweats, monomania and frequent insanity. If relief be not obtained the sufferer should apply immediately, either in porson or by letter, to have a cure effected by hisnew and scientific mode of treating this discount.

To the Ladies.

The various complicated and distressing diseases incident to females, treated with eminent success

lisease, as weakness of the back and limbs, pain a fair and mutually satisfactory remuneration for
