The Democrat.

FRIDAY......................JUNE 10, 1870.

GOOD.—That genial gentleman, Larry Mullen, has our thanks for liquid favors, which are doubly appreciable this hot weather.

This is our bow for a couple of baskets of luscious strawberries from the lavish hand of our friend John Millard. Long may he "lavish."

Mr. Purdom, the gentlemanly book agent, has placed upon our table a copy of that excellent work of Mrs. Victor's, the "River of the West," of which we have heretofore given ample notices. Thanks.

PROGRESSIVE.—At Jefferson last Monday the Radicals voted a full-blooded Digger Indian. Another beneficiary under the provisions of the Fifteenth Amendment. But even that didn't elect Powell. O, no!

DELECTABLE.—A moving scene was that last Monday in which a prominent Radical of this city was seen at the polls with his arms entwined lovingly around the neck of an equally prominent and respectable scion of the 15th Amendment.

STATIONED AT HARRISBURG.—The indefatigable Charley Roggers has established a branch of the Albany Brewery at Harrisburg, and is now prepared to "dish up" his premium lager to any amount of customers. Charley is enterprising, and is sure to go to Congress yet.

SPIRITUALISTIC.—We are requested to state that Mr. Benj. Todd will lecture at the Court House next Sunday at 11, o'clock, A. M. This will probably be his last appearance in the character of a spiritual lecturer, as we are informed that he contemplates going into the practice of law in Salem at an early day.

ELECTION.—The stockholders of the Willamette Transportation Co. held a meeting last Tuesday and elected J. C. Avery, President; Mr. Holgate, Secretary, and P. Harris, Treasurer. Also elected eleven Directors. They determined to discontinue the running of the *Calliope* for some weeks, until the necessary arrangements can be effected for connection at the falls.

APOLOGETIC.—We are compelled to ask the forbearance of our readers for the scarcity of reading matter in this issue. The excitement of the election and the cheering news which is hourly arriving, have distracted the attention of all hands from work, and somewhat demoralized the DEMOCRAT establishment for the time being. We will try to make proper amends in the future.

THE WESTERN MONTHLY for June is a magnificent literary treat, rich as well as capacious in its contents, and elegant in the subject matter of its various articles. With the July number the *Western Monthly* enters upon its fourth volume, when several new and attractive features will be introduced and no pains will be spared to maintain its already high standard as a first class magazine. Price $3 per year. Address "Western Monthly Publishing Co., Chicago, Ill."

THE NEW FIRM.—It will be observed, by reference elsewhere, that Messrs. W. H. McFarland & Co. (successors to O. P. Tompkins & Co.) have a new advertisement in the DEMOCRAT. Their stove and tinware establishment is one of the largest and most complete in the State, and Mr. Harvey, the resident member of the firm, seems to be a gentleman every way qualified to transact the business of their house in the most satisfactory and agreeable manner. Don't forget to call there when you want anything in their line of trade.

THE FOURTH.—How about a celebration of the Fourth of July? The election is now past, the bitter personal feelings which have been engendered by the heated and protracted campaign, from which we have just emerged, could not be sooner or more thoroughly eradicated than by a participation of all parties in a regular old fashioned celebration of Independence Day. In view of the consummation of this matter it has been suggested that we all meet at the Court House on to-morrow evening and see what can be effected in the way of arranging for such an event. Let every citizen and every patriot in the city turn out and encourage the movement.

PACIFIC COAST DIRECTORY.—We are in the receipt of a circular from H. G. Langley who will publish a volume, of 1,000 pages, entitled "The Pacific Coast Business Directory for 1870," giving the names and address of the principal business men and manufacturers, etc., in the States of Nevada, California and Oregon, and the Territories on this coast and British Columbia.—This invaluable volume will contain data that is very much needed and will do that for this coast that can be obtained in no other way. It will represent the commercial, agricultural, mining, and manufacturing interests of the countries west of the Rocky Mountains. All business men should take an interest in an enterprise that promises so much for the real interests of the coast.

SAN FRANCISCO, June 6.—The members of the Boston party distributed themselves among the various Churches yesterday. They did not, however, attend the theater in the evening.

Whew! Isn't that a precious tit-bit of news to be telegraphed to the world? Who the d—l is the "Boston party," and where did they come from? Who cares whether they "distributed themselves" or went to church *en masse*? But that latter sentence is indeed a "balm in Gilead" to our anxious souls—they did not attend the theater! The Gods be praised! In all the anxiety of their parents at thought of their perilous trip to the far west, that single gleam of hope and consolation—that bright oasis in the dark desert of their apprehensions—will, indeed, be a precious boon to them. No, indeed, they did not attend the theater!—Long live the Boston party—no difference if we don't know who in thunder they are and what claims they have on the telegraph reporters and newspaper columns—for we know of a surety that "they did not attend the theater in the evening!"

A BIG SCARE.—It was amusing to see the long faces and doleful countenances of our Republican friends last Tuesday when the returns indicated the defeat of Boise for Judge. In the anxiety of Monteith's friends to secure his election to the office of County Clerk, they entirely overlooked what should have been a weightier matter, and the result was that Bonham had *forty-four* majority over Boise in Albany precinct—nearly 20 more than the average majority of the Democratic ticket. When the Radicals discovered how beautifully they had been "sniped" by their so-called friends, curses loud and deep were heaped upon the bolters and others who were assisting in Monteith's election. Crimination and recrimination were indulged in among the Republicans, and for a time it seemed as though an irrepressible conflict had arose in their ranks. But, fortunately for their peace and harmony, the morrow's news was more propitious for the election of Boise, and their wrath was measurably cooled in consequence. But it is only held in abeyance, and if the official count would yet determine the contest in favor of Mr. Bonham, we may expect a bloody and sanguinary renewal of the conflict in the enemies' ranks.

CAMPMEETING.—There will be a campmeeting held by the M. E. Church, South, on the old camp-ground in the Forks of the Santiam, to commence on the 30th of June and continue over the following Sabbath. All families and young men are requested to come provided with everything necessary for their own convenience, as we cannot promise to provide accommodations for them. It is expected that the Bishop and all our ministers in this district will be present. No huckster shops will be allowed on the ground.

L. VANSLYKE, Pastor.
n41w3 A. E. SEARS, P. Elder.

PERSONAL.—Hon. John Burnett, County Judge elect of Benton county, Judge Chenoweth, of Benton county, and Mr. Wm. Griswold, of Salem, called on yesterday.

Mr. John A. Crawford and Miss Katie Lisle arrived home by last steamer from San Francisco.

Mr. R. G. Head, one of the "Comps." of the Portland *Herald*, with his family is spending a few days of recreation in our city.

SOLD OUT.—Messrs. F. M. Redfield & Co. have disposed of their grocery store to Mr. N. S. Du Bois, a gentleman who has recently removed to this city; and the establishment will be conducted hereafter at the same place as heretofore. Read the card of Mr Du Bois in another column, and call there for your family groceries.

AT LEBANON.—Mr. Andrew Wiley has opened a neat and attractive resort at Lebanon, where he caters to the palates of thirsty customers with a princely hand and the best of samples. He will doubtless reap a rich harvest during the warm season which is hard upon us.

ALBANY PRECINCT.—Following are the officers elected in this precinct, all of whom are Democrats: R. M. Powers and Isaac Hays, Justices of the Peace; Geo. Masten and Jas. Perry, Constables.

Wonder how Monteith likes the shoemaker's *last*.

A servant girl, who had just been admonished by her mistress to be very careful in "washing up" the best tea-things, was overheard shortly afterward, in the back kitchen, indulging in the following soliliquy, while in the act of wiping the sugar-basin: "If I was to drop this'ere basin, and was to catch it, I'spose I should'nt catch it; but if I was to drop it, and wasn't to catch it, I reckon I just should catch it."

MARRIED:

BURMESTER—HUMPHREY.—In this city, on June 8th, by A. N. Arnold, J. P., MR. THEO. BURMESTER and MISS DANA HUMPHREY, both of this city. Compliments received.

SMITH—CALLOWAY.—In this city, on June 8th, by A. N. Arnold, J. P., MR. ALEX. SMITH and MISS ANNA CALLOWAY, all of Corvallis, Benton county, Oregon. One dollar received.

PILES!

Why do multitudes suffer year after year with this distressing disease, which they know must ultimately take them to the grave? The reason simply is that they have never been able to procure a reliable remedy. *Temporary relief only aggravates the disease.*

The discovery of a perfectly reliable and speedy cure has recently been made, and the medicine may now be had of A. CAROTHERS & CO., of this city, who are sole proprietors. The Pile Pills have been used by many in this county, and in no case have they failed to effect a permanent cure. Sent post paid to any address on receipt of $1,50 per box. n41tf

A FAMILY MEDICINE.—We call the special attention of our readers to the advertisements of that favorite home remedy, Perry Davis' PAIN KILLER. It has been before the public over THIRTY YEARS, and probably has a wider and better reputation than any other proprietary medicine of the present day. At this period there are but few unacquainted with the merits of the Pain Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally, and it stands to-day unrivalled by all the great catalogue of Family Medicines. It is sufficient evidence of its virtues as a standard medicine, to know that it is now used in all parts of the world and that its sale is constantly increasing. No curative agent has had such wide-spread sale or given such universal satisfaction. It is a purely vegetable compound, and perfectly safe, even in unskillful hands.

SPECIAL NOTICES.

On Sea and Land the Great Restorative.

As a remedy for the sea-sickness which besets the voyager on his way to and from California, and for the disorders which assail the unacclimated emigrant in the unhealthy districts of the interior, HOSTETTER'S STOMACH BITTERS will be found equally efficacious. On no part of the continent has the value of this pure vegetable elixir, as a specific for epidemic diseases, been so clearly demonstrated, as in the new States and Territories lying contiguous to the Pacific Ocean. As a means of preventing the distressing and dangerous attacks of fever, and the dysenteric and diarrhœal complaints which are engendered by poison in the air, or by the use of water containing a mineral or vegetable taint inimical to health, it is confessedly superior to any other tonic and alterative in the world. It acts as a preventive agent by strengthening and exhilarating the whole physical organization, and producing a regular habit of body. All that the human system requires, to enable it to resist the deleterious effects of malaria, is increased vigor and vital activity, and these are the inevitable results of a course of this celebrated tonic and corrective. It promotes appetite, facilitates digestion, controls the liver, regulates the bowels, braces the nerves, superinduces sound and wholesome sleep, invigorates without exciting the pulse, and imparts buoyancy to the animal spirits. The body and mind toned and cheered by its genial operation, *are in a condition to repel all exterior influences which tend to produce disease.* Flux, dysentery, bilious remittents, chills and fever, rheumatism, &c., are almost always caused by atmospheric poison acting upon an unfortified system. Brace up the organism, and cheer the spirits, with this wholesome medicated stimulant, and then neither the malaria generated by the filth of crowded cities, nor the exhalation of new soils, nor the vapid water of a springless region, will be likely to produce serious consequences. 42w4

SLANDER REFUTED!
TRUTH VINDICATED!

How Jones "or any other man" voted in 1862 is a question of very little moment to most people. Whether Irvine or Richardson (both of whom are said to have filled the office acceptably in the past) shall exercise the functions of Sheriff for the ensuing two years, concerns us but little; but the question in which everybody has an abiding personal interest, is—where shall we buy our goods? where can we get the greatest return for our money? who brought prices down to the lowest living rates? and who keeps them there? Ask these questions of any one who has taken the trouble to investigate, and you are morally certain to get this reply: "AT WHEELER'S STORE in Brownsville. Wheeler is the man who is entitled to your encouragement and support."

You who are wise will do well to heed this reply and maintain and support the man who broke the combination.

All kinds of county produce taken in exchange for goods.

FRENCH MEDICAL OFFICE.
DR. JULIEN PERRAULT,

Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has the pleasure to inform patients and others seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco. Rooms Nos. 9, 10, 11, first floor, up stairs, entrance on either Montgomery or Sacramento streets.

DR. PERRAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruits tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight. Discharge from the Urethra on going to stool or making water. Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened and sleep disturbed by dreams; melancholy, sighing, palpitation, faintings, coughs and slow fevers; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks.

Patients suffering from venerial disease in any stage, Gonorrhea, Gleet, Strictures, Bubo, Ulcers, Cutaneous Eruptions, etc, will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT's diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for DR. BOERR's Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached and far in advance of every other remedy for suppressions and irregularities, and other obstructions in famales. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to DR. PERRAULT, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

All communications confidential. jun3y1

The subjoined correspondence sufficiently explains itself:

PORTLAND, Oregon, Nov. 15, 1869.

MESSRS. EVERSON & HAINES, Gen'l Agents New England Mutual Life Insurance Company, Boston:

Gentlemen:—On my own behalf and in the name of my orphan children, I beg to thank you, and through you the New England Mutual Life Insurance Company of Boston, for its munificence in paying me my terminated policy on the life of my husband. On the 21st January, 1869, misfortune compelled me to forego the payment of the last premium—which non-payment in any other company would have lost me my policy—but I am now overjoyed with the receipt of the amount of the policy (less the amount of the unpaid premium only), thanks to the equity of the Massachusetts Lapse Laws, that must bless many widows and their children. I recommend the New England Mutual to all who would provide against possible misfortune. I sincerely thank you again, gentlemen, for the payment, and also for your generous and gentlemanly assistance in the matter.

Respectfully, BETSEY MILLER.

PORTLAND, Oregon, Nov. 15, 1869.

MESSRS. EVERSON & HAINES, General Agents of the New England Mutual Life Insurance Company, of Boston:

Gentlemen:—Having taken a lively interest in the affairs of the large and destitute family, left by an old resident of this city, who died Aug. 2d, 1869, and who was insured in the New England Mutual Life Insurance Company, we take pleasure in making the following statement for the information of the public:

A. E. C. Miller was insured by ordinary Life Policy No. 13,954, bearing date January 21, 1863. He paid annual payments to January 21, 1868, inclusive. Since then nothing has been paid. He died Aug. 2, 1869, over eighteen months after last payment of premium, yet your company, working under the equitable Lapse Laws of Massachusetts, pays the widow and orphans the whole policy, deducting only the premium due; while in all other companies doing business here, about which we know anything, the policy would long since have been forfeited.

By the New England Mutual, the widow has been paid $4,650 50. This we consider munificent, more especially when we take into consideration that the family would not have received a cent from any other company doing business on this coast. This in our estimation is enough to recommend this company above all others. This is Equity, this is Mutuality. We, therefore, commend this company to the public, as the only company that has no forfeitures.

We herewith inclose you the acknowledgments of the widow. Respectfully yours, etc.,

To Correspondents.

TO THE UNFORTUNATE

NEW REMEDIES! NEW REMEDIES

DR. GIBBON'S DISPENSARY,
623 Kearny St., corner Commercial,
Private Entrance on Commercial st.,
SAN FRANCISCO.

ESTABLISHED IN 1854, for the treatment of Sexual and Seminal Diseases, such as Gonorrhœa, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc.—Skin Diseases (of years' standing) and Ulcerated Legs successfully treated.

Horrible Diseases.

How many thousands of persons, both male and female, are there who are suffering out a miserable existence, from the effect of secret indulgences, or from virus absorbed into the system.—Look at their pallid, emaciated and disfigured faces, and their broken-down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cured for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his special study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be, therefore, careful, and make strict inquiry, or you may fall into the hands of those charlatans.

Seminal Weakness.

Seminal emissions, the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence of approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, hectic flushes, pimples and eruptions about the face, furred tongue, foeted breath, coughs, consumption, night sweats, monomania and frequent insanity. If relief be not obtained, the sufferer should apply immediately, either in person or by letter, to have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give $100 to any person who will prove satisfactorily to him that he was cured of this complaint by either of the San Francisco quacks.

Married Men,

Or those who contemplate marriage, who are suffering under any of these fearful maladies, should not forget the sacred responsibilities resting upon them, nor delay to obtain immediate relief.

To the Ladies.

The various complicated and distressing diseases incident to females, treated with eminent success—such as Suppressions, Irregularities, Whites, Falling of the Womb, Tumors, all Urinary Diseases, Nervous Debility, Painful or Difficult Menstruation, Barrenness, etc. will be speedily cured, without poisonous drugs, injuries, or unpalatable medicines of any kind. Have no delicacy in calling, no difference what your troubles may be. The afflicted are cordially invited to call and satisfy themselves.

Person's calling at Dr. Gibbon's office or sending for packages of medicine may rely upon his assurances of confidential secrecy with implicit faith, and expect no more than to be charged with a fair and mutually satisfactory remuneration for services rendered, considering the circumstances and difficulties of the case, rather than a too prevalent and selfish practice of extortation among quacks and pretenders.

DR. GIBBON is responsible, and will give to each patient a written instrument binding himself to effect a radical and permanent cure or make no charge.

Cured at Home.

Persons at a distance can be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicines promptly forwarded, free of damage and curiosity, to any part of the country, with full and plain directions for use, by enclosing $10 in coin, in a registered letter, through the Post office on Wells, Fargo & Co. A package of medicine will be forwarded by express to any part of the Union.

Consultation FREE.

Correspondents will please inform DR. GIBBON that they read his advertisement in the STATE RIGHTS DEMOCRAT.
