LINN COUNTY AT THE STATE FAIR.—Among the competitors who took premiums at the State Fair, we observed the following from our county:

J. A. Millard, first premium for the best lot of grapes, and also for the best variety.

Mrs. Duniway, several premiums for millinery and dress making.

Mrs. Backensto, several premiums for bottled and preserved fruits.

Miss Alice Griffin, first premium for melodeon music.

Mrs. Jas. Nixon, second premium for equestrianship.

C. G. Burkhart, first premium on wheat.

A. Savage, premium for stallion of all work.

Keifer & Roggers, first premium on lager beer.

Chas. Mealey, first premium on his fine chamber set of furniture.

Nimrod Price, first premium for Chester White hog and sweepstake premium for best hog of any breed.

There were doubtless many others who took premiums, but these were all we happened to observe.

THE RAILROAD.—The Santiam bridge is now out of danger from high water, and in another week it will be completed. Its estimated cost is $75,000, including the 3,000 feet of tressel work on this side. The railroad grade is completed to the depot in this city, and will be to the 100-mile stake (16 miles above town) in about two weeks. The track is laid seven miles this side of Salem, and that department is pushed forward with all speed. The superintendent of track-lying says he will be at the Albany depot with the road by the 10th of next month—but we hardly believe the thing can be *did*.

DUSTY.—We would say something about the dust at the State Fair, but we don't like to revive unpleasant memories, and then the poor Salemites and Fair managers have been so unmercifully belabored by other journals throughout the State, that we allow the milk of human kindness in our soul to intercede in their behalf and prevent us from inflicting further blows on their already newspaper-battered pates. We will only say to them—"Go thou and sin no more," or we will next year assist our brother quillists in putting a coal of fire under your tails—figuratively speaking.

DROWNED.—Our correspondent from Yaquina Bay informs us of the accidental drowning of one of the oldest residents of that section—Mr. Celestian Joscylin—on last Sunday. He had taken some vegetables to Newport on that morning, and after doing his trading and, unfortunately, taking considerable "stimulants," stated for home in his canoe. When about 3½ miles from Newport he fell out of the boat, and before assistance could reach him the vital spark had fled. An inquest was held and a verdict of "accidental drowning" rendered.

A PETTY THIEF.—Spud Murphy, the notorious petty larceny thief of Oregon, was last Friday nipped by Marshal Long, of this city, for stealing a suit of clothes from Orrin Ruberts on the day previous. "Spud" was arraigned before Recorder Arnold and plead guilty, when he was turned over to the Sheriff in default of $300 bonds. If the Prosecuting Attorney at our next term of Court can make a jury see Grand Larceny in Spud's investment in the clothing line, our people will probably lose sight of that champion light-fingered gent for a year or two, and he will gain an opportunity to learn a more respectable trade under the espionage of Superintendent Watkins.

LINN COUNTY.—The census returns show the following statistics for Linn county: Number of square miles, 2,850; dwellings, 1,873; families, 1,719; white males, 4,711; white females, 3,999; colored males, 4; ditto females, 3; (there may be other females who were ditto'd, but Capt. Humphrey couldn't find 'em); foreign born males, 166; foreign born females, 71; voters, 2,037; total number of inhabitants, 8,717—making Linn the third county in the State in population.

"THEM KEERS."—The individual who shoves this quill has seen many passenger cars in the Atlantic States, but none of them would compare in beauty of symmetry and neatness of finish with those now used on the Oregon & California Railroad. The "President's Car" is a palace worthy of some Oriental monarch—but we don't go much on such gorgeous scollops, when we can't enjoy them ourself.

LARGE SALE.—Mr. Jerry Driggs has sold to Joseph Knott, of Portland, his residence and eight acres of land in this city, and also his farm on the Santiam about eight miles from Albany. The farm comprises 1,600 acres of land, finely improved and a saw-mill located upon it, which was also included in the transfer. Mr. Driggs receives $19,000 for the entire property.

D. W. Wakefield, (the gentle and lovely Duran) called at our "orfice" last Saturday. As a postmaster at Portland he is an undoubted success, and as a good fellow he is a ditto.

AN O'ER TRUE TALE.—In company with the companion of our joys and sorrows (literally, our wife,) we went to Salem last week to "interview" the State Fair—our means of transportrtion being a buggy with an equine quadruped attached thereto.—After remaining twenty-four hours at the "Hub," associating with the most respectable and exclusive members of the Legislature, hobnobbing with State officials, rubbing our hands over the beautiful exterior of Ben. Holladay's private car, drinking "cider" at the same stand at which Count Pourtales had just before borrowed a match for his cigar, occupying the same seat with Ben. Hayden at the theater, and performing several other eminently respectable feats, with a reckless profligacy heretofore unknown to the journalistic profession, we turned the tail of our gothic steed toward the Capital and his snout southward, and started for home about five o'clock on Friday evening by this gold watch and chain! And now occurred the incident which impelled us to write this article. When about half way between Salem and Albany, and while urging our already jaded steed to his "level best," the sable screen of night descended upon us and almost obscured the road from view, causing us to urge our faithful equine transporter to a faster gait in the fear that some unfortunate "road agent" might further damage his chances for an eternal abode in the realms of bliss by arresting our headlong course for mercenary purposes. But to relieve the overweening anxiety of the reader we will here pause to state that no bold robber chose to peril his soul (saying nothing of his life) by intercepting our way, and so far as robbers are concerned we got home safe enough.—But, nevertheless, an unfortunate incident occured, and we will here relate it in as concise and succinct a manner as a due regard for the rules of composition will permit, only prefacing our narrative by informing the reader it was a calm still night, and after the shades of evening had fully gathered over the earth it was as dark as the ebony face of a Congo nigger in a windowless dungeon in the bowels of the earth—or the last South Carolina Legislature.

But, to return to our tale. We arrived at Santiam City about 8 o'clock P. M., and were rowed across the ferry by the proprietor thereof, named Terhoon, and after driving about an hour more through the black darkness (the faithful horse finding the road for himself) we arrived at the door of our own humble domicile in this city. Well, you don't see anything wonderful in all this "balderdash," do you? But hold on, we'll show you. The next morning on counting our finances we discovered that we had given the ferryman, Terhoon, in the darkness of the night previous, a ten dollar gold piece instead of fifty cents in payment for ferriage. Well, as ten dollars ain't to be sneezed at by a poor devil of a newspaper publisher, and believing that all we had to do to reclaim our money was to mention it to the Charan of Santiam City, we procured a horse and buggy and immediately returned to that place and very modestly related to the ferryman the story of our mistake and asked him to disgorge the yaller peice; but to our utter astonishment and dismay the man professed entire ignorance of the transaction and absolutely denied ever handling our ten dollar piece, and so we had to wend our sad and sorrowful way back home again with our horse's tail between his legs.

MORAL.

Reader, if you are ever so unfortunate as to have to cross Terhoon's ferry after night, be sure to strike a light and look at your money, and don't be green enough to go it blind and hand out just anything in the belief that if you *do* make a mistake it will be corrected by the ferryman when discovered; for if you don't take this advice you will be wofully deceived and will forever after mourn your verdancy. Finis.

"The melancholy days have come,
The saddest of the year,"—

and old autumn, with his ripe and golden fruits strewn over the ground, and the trees grown bare by the falling of the brown and yellow leaves, and the wind sighing softly, mournfully through the woodlands and along the valleys—all, all remind us sadly of the thought that our winter's wood and provender is yet to be procured, and we want our delinquent subscribers to pay up. Who can resist this touching a d pathetic appeal?

SAD ACCIDENT AT BROWNSVILLE.—Last Tuesday, as Mr. Wm. Cochran, of Brownsville, was driving a horse attached to a buggy across the bridge on the Calipooia river at that place, the animal became frightened and backed the end of the vehicle off of the bridge, throwing Mrs. Cochran out and precipitating her to the ground below the bridge, breaking her arm, dislocating her wrist and bruising her entire body terribly. Dr. Hill, of this city, was immediately summoned to dress the wounds, and hopes are entertained that she will survive her injuries.

WE are informed that Mrs. Delazon Smith arrived at her old home in Iowa in good season and with a visible improvement in health. Upon her arrival her aged father met at the depot and imparted to her the crushing intelligence that her mother was dead and had been buried only two days. That was indeed sad news to one who had traveled nearly three thousand miles to see that mother from whom she had been separated for almost twenty years.

SHEEP.—Mr. Luckey, of Eugene, had at the State Fair 26 head of fine imported English Cotswold sheep, which attracted much attention. These animals arrived last month from England, at a cost of $150 to $400 per head. The average clip of this stock of sheep is said to be from 16 to 25 pounds, and their carcasses clean up from 150 to 250 pounds each.

BEACH & MONTEITH's mill-race is completed and the water is running through it to the depth of five feet, with good velocity. This is undoubtedly the best constructed mill-race in Oregon. It runs the ponderous machinery of the mill like double-geared lightning.

THANKS to Judge Walton, of Eugene City, for favors. He is one of the *live* agents for the DEMOCRAT, is a true lover of the Old Constitution, a gentleman of culture and a lawyer of ability.

LAST CHANCE, only a few days left. Secure a ticket to the Grand Award of Premiums, Oct. 27th. Highest Premium $10,000. This enterprise has the confidence of the public; the cause is a good one. Patronize it.

We have experimental knowledge of the fact that our friend Palmer, at Hiltabidel & Co's, has the best cider we ever tasted in Oregon.

Many of our citizens had booths for selling "things" at the State Fair, and we guess they all came home wealthy.

REV. S. G. IRVINE is lying disabled at his residence in this city, from rheumatism brought on by being accidentally thrown from his carriage. We would express our sympathy in his behalf, but he is so jolly in his mishap that we don't think he craves anybody's piteous expressions of heart-rending grief. However, we join his numerous friends in the hope that he will soon be on his upright timbers again.

RELIGIOUS.—A quarterly meeting of the M. E. Church, South, will be held at the Court House in this city, commencing on Saturday, November 5, at 11 A. M. Rev. Mr. Sears, Presiding Elder of this District, and other ministers of that Church, will be in attendance.

THAYER'S CONCENTRATED THEOLINE, removes all kinds of grease, spots, etc., from silk, ribbons and cloth, and cleans gloves in a few moments without affecting the color. The DEMOCRAT family has recently given the "Theoline" a thorough trial, and pronounce it absolutely the best eradicator of grease ever made. Geo. F. Settlemier, druggist, of this city, has it for sale.

LOST.—On last Wednesday Dr. Hill lost a heaver overcoat somewhere between Albany and Brownsville. He will be under obligations to the person finding it if he will leave it at the Drug Store of Hill & Son, Albany.

The Jefferson depot imbroglio is settled, and the Jeffersonians will get a stoppage of the cars at that place.

Many Suffer rather than take nauseous medicine. All such, who suffer from coughs, colds, irritation of the bronchial tubes, and tendency to Consumption, have in *Dr. Wistar's Balsam of Wild Cherry* a remedy as agreeable to the palate as effectual in removing disease.

SPECIAL NOTICES.

Home Questions for the Sickly and Debilitated.

Is it worth while to endure penal torture after every meal, when indigestion can be immediately relieved and permanently cured by so agreeable a remedy as HOSTETTER'S STOMACH BITTERS?

Does it pay to be compelled by debility and languor to abandon active business, when brain, nerve and muscle can be braced up, and the whole system restored to a healthy condition, by a course of HOSTETTER'S BITTERS?

Why approach the dinner table daily with a positive disgust for all that is savory and delicious, when a a vigorous appetite for even the plainest fare is created by the use of HOSTETTER'S BITTER'S?

Is it wise to live in this bright world as if it were a dungeon, gloomy, discontented and miserable, when the worst case of hypochondria can be cured in a week by such a pleasant and wholesome exhilarant as HOSTETTER'S BITTERS?

Can it be possible that any person of bilious habit will run the risk of remittent fever or bilious colic, when he can tone and regulate the great secretive organ with HOSTETTER'S BITTERS?

Is it not a species of moral insanity for any miner or planter in the interior, or any traveler or sojourner on the placers, to be without the best known antidote to the effects of poisoned air and impure water, HOSTETTER'S BITTERS?

Considering the harrassing and depressing nature of the functional derangements to which woman is subject, is it not astonishing that any invalid of the feebler sex should hesitate to seek the certain relief afforded in such cases, by the genial operation of HOSTETTER'S BITTERS?

These are questions of deeper interest than any of the political dogmas of the day, and those whom they concern are invited to give them something more than a passing thought.

FRENCH MEDICAL OFFICE.
DR. JULIEN PERRAULT,

Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has the pleasure to inform patients and others seeking confidential medical advice that he can be consulted daily at his office, Armory Hall Building, North East corner of Montgomery and Sacramento streets, San Francisco. Rooms Nos. 9, 10, 11, first floor, up stairs, entrance on either Montgomery or Sacramento streets.

DR. PERRAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the result of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruits tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight. Dischaage from the Urethra on going to stool or making water, Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded, and there is a disinclination to attend to business, or even to reading, writing, or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are weakened and sleep disturbed by dreams; melancholy, sighing, palpitation, faintings, coughs and slow fevers; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face, and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter, as he will guarantee a cure of Seminal Emissions and Impotence in six or eight weeks.

Patients suffering from venerial disease in any stage, Gonorrhea, Gleet, Strictures, Bubo, Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT's diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under chronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfill our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor with the assurance of relief.

Persons at a distance can be cured at home, by addressing a letter to DR. PERRAULT, corner of Sacramento and Montgomery streets, Rooms 10 and 11, or Box 973, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

ADVERTISEMEMTS.

TO THE UNFORTUNATE
NEW REMEDIES! NEW REMEDIES
DR. GIBBON'S DISPENSARY,
623 Kearny St., corner Commercial,
Private Entrance on Commercial st.,
SAN FRANCISCO.

ESTABLISHED IN 1854, for the treatment of Sexual and Seminal Diseases, such as Gonorrhœa, Gleet, Stricture, Syphilis in all its forms, Seminal Weakness, Impotency, etc.—Skin Diseases (of years' standing) and Ulcerated Legs successfully treated.

Horrible Diseases.

How many thousands of persons, both male and female, are there who are suffering out a miserable existence, from the effect of secret indulgences, or from virus absorbed into the system.—Look at their pallid, emaciated and disfigured faces, and their broken-down constitutions, disqualifying them for the happiness of marriage or the enjoyment of life. In this horrid situation thousands suffer until death closes the scene. Let parents, guardians and friends attend to those who are suffering with any of these horrible, life-destroying maladies—see that they are cared for and cured before it is too late. Send them immediately to Dr. Gibbon, a physician who has made private diseases his especial study for years, and who is certain to cure the most inveterate cases without mercury or any injurious drugs. It is important to those who are afflicted, or to those who are interested in the welfare of their friends, to be careful of the many pretended doctors who infest all cities, publishing their skill in curing all diseases in a few days, imposing upon the public by using the names of eminent physicians from Europe and other places. Be, therefore, careful, and make strict inquiry, or you may fall into the hands of those charlatans.

Seminal Weakness.

Seminal emissions, the consequence of self-abuse. This solitary vice, or depraved sexual indulgence, is practiced by the youth of both sexes to an almost unlimited extent, producing, with unerring certainty, the following train of morbid symptoms, unless combatted by scientific medical measures, viz: Sallow countenance, dark spots under eyes, pain in the head, ringing in the ears, noise like the rustling of leaves and rattling of chariots, uneasiness about the loins, weakness of the limbs, confused vision, blunted intellect, loss of confidence, diffidence of approaching strangers, a dislike to form new acquaintances, a disposition to shun society, loss of memory, hectic flushes, pimples and eruptions about the face, furred tongue, foeted breath, coughs, consumption, night sweats, monomania and frequent insanity. If relief be not obtained, the sufferer should apply immediately, either in person or by letter, to have a cure effected by his new and scientific mode of treating this disease, which never fails of effecting a quick and radical cure. Dr. G. will give $100 to any person who will prove satisfactorily to him that he was cured of this complaint by either of the San Francise oquacks.

Married Men,

Or those who contemplate marriage, who are suffering under any of these fearful maladies, shoul not forget the sacred responsibilities resting upon them, nor delay to obtain immediate relief.

To the Ladies.

The various complicated and distressing diseases incident to females, treated with eminent success—such as Suppressions, Irregularities, Whites, Falling of the Womb, Tumors, all Urinary Diseases, Nervous Debility, Painful or Difficult Menstruration, Barrenness, etc. will be speedily cured, without poisonous drugs, injuries, or unpalatable medicines of any kind. Have no delicacy in calling, no difference what your troubles may be. The afflicted are cordially invited to call and satisfy themselves.

Person's calling at Dr. Gibbon's office or sending for packages of medicine may rely upon his assurances of confidential secresy with implicit faith, and expect no more than to be charged with a fair and mutually satisfactory remuneration for services rendered, considering the circumstances and difficulties of the case, rather than a too prevalent and selfish practice of exortation among quacks and pretenders.

DR. GIBBON is responsible, and will give to each patient a written instrument binding himself to effect a radical and permanent cure or make no charge.

Cured at Home.

Persons at a distance can be CURED AT HOME, by addressing a letter to Dr. Gibbon, stating case, symptoms, length of time the disease has continued, and have medicines promptly forwarded, free of damage and curiosity, to any part of the country, with full and plain directions for use, by enclosing $10 in coin, in a registered letter, through the Post office on Wells, Fargo & Co. A package of medicine will be forwarded by express to any part of the Union.
Address DR. J. F. GIBBON.
Box 252, San Francisco, California.
Remember to put box **252** on the letter.
